THE CONSTITUTION OF THE BRUSHY MOUNTAIN BAPTIST ASSOCIATION

Name

Article 1. This body shall be known as the Brushy Mountain Baptist Association of Wilkes County, North Carolina.

Purpose

Article 2. It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the intelligence, and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary to the North Carolina Baptist State Convention in all its missionary, educational and benevolent work.

Membership

Article 3. The Association shall be composed of Missionary Baptist Churches desiring to affiliate with it. Each church may be represented in the annual associational meetings by its pastor and any other ordained ministers holding membership in it and living within the bounds of the Association. In addition to these each church may elect three (3) messengers for the first one hundred (100) members or fraction thereof, plus one additional messenger for each additional one hundred (100) members or major fraction thereof, provided, that no church shall be entitled to send more than ten (10) messengers.

Article 4. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION for MEMBERSHIP provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk at any Annual Session of the body. The Moderator shall refer the church to the Committee on New Churches for study and investigation. The church maintains for the year the status of Associate membership until the Committee makes their recommendation, if favorable, it will be received into full membership with all the rights and privileges at the next Annual Session. If the Association then votes to receive the church the Moderator shall extend the hand of fellowship to the messengers.

Article 5. Any church not representing itself in this body for three successive years, either by letter or by messengers shall be stricken from the roll of churches, unless satisfactory reasons for such failure are given.

Article 6. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until charges are brought against it by some other church and carefully considered by the Association.

Officers and Their Duties

Article 7. REPORT ON EVANGELISM

The Brushy Mountain Baptist Associational Evangelism Clinic was held at the Calvary Baptist Church, Thursday, January 12, beginning at 4:00 p. m. The Rev. Bill Bennett, pastor of Sixteenth Street Baptist Church, Greensboro, was director for the meeting. There were 73 present from 12 churches with 7 pastors attending. Following the group conferences, the group assembled in the auditorium for an inspiring message by Brother Bennett. He explained the purpose of the Baptist Jubilee Revivals, an associational effort on the part of the churches, for two weeks, beginning on the same Sunday, and ending on the same Sunday. Associations and Churches which cooperate in these simultaneous efforts win more people to Christ.

Multitudes sit in darkness and many in despair, while the force of darkness move constantly on the number of hopeless people. They are hopeless, because they do not know Christ. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year. Many of these people live in our association. They live near our churches. People need redemption and salvation as much as they ever did. The Christian Gospel is as much the answer as it ever was. We need today to prepare the ground before we plant the seed. People must wake up to the fact that business as usual will not suffice. Surely, this is the time for total dedication to Christ. In winning the multitudes to God we must start from where we are. Our Association is the best launching place for a New Frontier in Evangelism and Missions.

Therefore we recommend:

1. That we pray that God may work in us and through us to bring the revival we need.
2. That our association participate in the "Baptist Jubilee Revival" in March 25-April 8, 1962.
3. That each church prayerfully and studiously consider participating in the "Baptist Jubilee Revival."
4. That our Association have an Evangelistic Clinic November 6, 1962.
5. That our Association recognize the elected associational officers as the evangelism committee. The Chairman of Evangelism to be the chairman of this committee.
6. That our Association send the Chairman of Evangelism to Ridgecrest for the annual conference on Evangelism during Home Mission Week.
7. That we commit ourselves to the following outline of achievement for 1962:
 - a—An evangelistic pastor elected to serve as Chairman of Evangelism during our associational year. Promoting Soul-winning in all churches.
 - b—Associational Evangelism Clinic annually.
 - c—All churches participating in the "Two Consecutive Weeks," of evangelistic preaching.

d—Every Church in our Association winning and Baptizing new members.

Respectfully submitted,
Dean Dillard
Chairman of Evangelism

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

Some Of Our Newer Services

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

The Most Urgent Needs

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts

will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Respectfully submitted,

J. G. Huffman

HOSPITAL CHAPLAIN'S REPORT

On July 1, 1961, the Wilkes General Hospital, the Ministerial Association of the Wilkesboro's, and the Wilkes County Medical Association launched out in a joint effort to begin and support a full time Chaplains' program at Wilkes General Hospital. The program is divided into two phases. First, the ministry to the hospitalized patient. Every patient that enters the hospital is visited by the chaplain at least one time while in the hospital. Follow-up visits are made when the need is indicated by the patient, his family, the physician, or the nurse. An attempt is also made to contact the patient's local pastor to let him know that he has a patient in the hospital. The chaplain is here not to replace the pastor, but to work closely with him for the total welfare of the hospitalized patient. The second phase of the program is personal counseling with out-patients who are referred by themselves, local pastors, or doctors.

During the three months of the program, 1,170 patients have been admitted to the hospital; of this number 1,091 have been contacted by the chaplain at least once during their stay. The out-patient counseling service has increased to 15 patients being seen a week. There have been 9 religious commitments during the three month period. A religious commitment is a conversion experience, a rededication, or a different outlook toward the patient's religious or church life.

TRAINING UNION REPORT

We are happy to be able to make the statement, but not in the spirit of boasting, that this was the biggest and best year in our history of Training Union work.

We started off with 832 in our M night meeting. All other meetings were held and were well attended in most cases. Youth Night was outstanding with a splendid program and attendance of 109.

Several of our young people attended the State Youth Convention in April at Hickory.

We were represented at Caswell and Ridgecrest for conferences and at Fruitland for a day where we had two participants and one winner in the State Junior Memory Work Tournament.

New Training Unions were started at Bethany, Mt. Zion and Zion Hill churches during the year.

In the Mass meetings the banner for largest attendance was won three times by Pleasant Home and one time by Millers Creek; the banner for largest percentage was won three times by Pleasant Home and one time

by Purlear. The Efficiency banner was won twice by Purlear Juniors and twice by Purlear Intermediates.

Lunda Hendren, Director

ASSOCIATIONAL BROTHERHOOD REPORT

The Associational Brotherhood organization began holding Family Night Meetings quarterly with the WMU organization. These meetings were well attended. They were held on the last Monday of the second month of the quarter.

The first meeting was held at Wilkesboro on November 28, 1960, with a pot-luck supper, and individual meetings of the Brotherhood, R.A., W.M.U., Y.W.A., G.A., and Sunbeams. The Rev. John R. Wright, Missionary spoke following the supper on "Seeing The Needy Multitudes." Total attendance was 183 from 13 churches, including six pastors.

The First Baptist Church, North Wilkesboro, was host to the second Family Night on February 27, 1961. The Rev. Clyde Davis, State Brotherhood Secretary, spoke to the entire assembly, and conducted the Brotherhood workshop after the supper.

A number of men attended the Region 7 Brotherhood meeting at the First Baptist Church, Taylorsville.

On May 29th the third Family Night was held at Welcome Home with the Rev. Bill Jackson speaking and leading the conference for the men. He spoke on the new R.A. organization.

The fourth Family Night was held at Pleasant Home Baptist Church. The Rev. Tom Greene, Annuity Secretary for the State, spoke to the entire group, explaining the work of the Annuity Board. There were no separate conferences. This was an outdoor picnic.

A new Royal Ambassador's Chapter was started at the Harmony Baptist Church, and the North Wilkesboro 2nd Baptist Church organized a Brotherhood.

EXECUTIVE COMMITTEE REPORT

The Executive Committee has held four meetings during the year as follows: December 30, 1960; April 7, 1961; June 18, 1961 and September 29, 1961.

At the December 30, 1960 Executive Committee meeting held in the Wilkesboro Baptist Church Recreation room, 15 representatives were present.

The meeting was presided over by the Moderator, Rev. Clyde Church. Following welcome remarks by the Moderator, Rev. J. C. McQueen brought to the attention of the committee the resignation of Mrs. Tam Hutchinson from the Music Committee.

The treasurer, Chalmer Dyer, was absent but he sent a statement saying his office was in need of funds.

Miss Lunda Hendren, Associational Training Union Director, brought

to the attention of the committee the opportunity for our missionary, Rev. Mr. Wright, to attend a six-weeks course session of the School of Pastoral Care at the Baptist Hospital. On motion of W. D. Jester, the committee granted him the privilege of attending the session of this six-weeks course.

Brother Henry Morgan brought to the attention of the committee the Seminar Extension class at North Wilkesboro First Baptist Church, beginning January 13 and running for 9 weeks. Bill Jester, Associational Brotherhood leader reported on Associational Brotherhood Family Night, stating that there were 183 in attendance. He stated further that the next family night will be February 27, at North Wilkesboro First.

Brother Dean Dillard discussed Simultaneous Revivals, urging the group to give its hardy support to every revival effort put forth in the Association, reciting figures as goals to be worked for, for each year up to the Jubilee Revival, 1964.

Brother John Wright gave a detailed report of his work since the annual session of the Association.

Brother J. C. McQueen, Jr., Associational Music Director, gave a report of the work of his committee, specially calling attention to the singing of carols at various places during the Christmas season.

The April 7, 1961 meeting was held at the Wilkesboro Baptist Church on Friday evening at 7:30 p. m. 18 members, representing a number of churches, were present. The Moderator, Rev. Clyde Church, called the meeting to order and requested the Rev. J. C. McQueen, to lead devotional service.

Because the treasurer, Chalmer Dyer, had to leave early his report was the first order of business. He stated that the treasury was in need, immediately, of the sum of \$551.94, to pay current bills. He pointed out that we still owe on the parsonage debt, the sum of \$4,229.27.

Miss Lunda Hendren, representing the Training Union, recommended that we borrow sufficient funds to pay current bills and pay it back in monthly installments. On motion, duly seconded, the committee voted to do this.

W. D. Jester, Brotherhood President, reported that the R. A. Campsite Day will be held April 22 at Asheboro, North Carolina and that the Brotherhood Region 7 Convention will be held in Taylorsville, May 11.

Mrs. Robert Foster, W. M. U. President, reported the schedule for coming meetings of her organization.

Miss Lunda Hendren reported the March Training Union Mass Meeting at Mt. Pleasant Church had 379 present.

Rev. J. C. McQueen, Jr., Superintendent of Music, reported the Hymn Sing to be held at Moravian Falls, April 9.

Brother Wright, our missionary, gave a detailed report of his work during the past quarter.

Brother R. F. Smith, new pastor of North Wilkesboro First Baptist Church, was given a welcome by the moderator, Rev. Clyde Church.

The June 18 meeting was held at the Wilkesboro Baptist Church fellowship hall, with Brother Clyde Church, moderator, presiding.

Brother Chalmer Dyer brought the treasurer's report stating that our parsonage debt is now \$4282.00. He stated that 16 churches had made offerings to pay on the parsonage fund. Two new ministers were introduced

at the meeting: Rev. Jim Smith of Oakwoods Church, and Rev. Rowe Teague of Walnut Grove. The Moravian Falls Baptist Church made request for \$1200.00 to be expended on the Moravian Falls Mission. The committee approved the request.

Other committees made good reports.

The September 29 meeting was held at Wilkesboro Baptist Church at 7:30 p. m. Brother J. C. McQueen, Vice-Moderator, presided. Representatives from 11 churches were present.

The treasurer reported that he hopes to end the year in the "black," so far as current expenses go. He stated he is now behind in the annuity fund and stated also that 14 churches have not contributed to the Associational Missions Program.

Miss Lunda Hendren reported for the Missions Committee, stating that it recommended the employing of a summer worker for the coming year, to serve in the Vacation Bible School work. On motion the committee voted to do this.

Brother Paul Shoupe stated that his committee will recommend certain amendments to the constitution at the annual meeting.

REPORT OF SUNDAY SCHOOL WORK

"Outreach for the Unreached—spearhead for Advance" is the Sunday School theme for 1961-62. The emphasis of outreach for the unreached is unquestionably the continuing basic objective of Southern Baptist churches. Sunday School is logically the church's spearhead for advance in pursuing this objective.

The program contains four major spearheads for advance: church member enrolment, prospect visitation, new Sunday schools, and expanded organization.

Millions of church members are not enrolled in Sunday School. Estimated figures indicate that there are 4,250,000 members of Southern Baptist churches who are not enrolled for Bible study in the Sunday School, the Bible teaching agency of the church. We have approximately one-half of our church membership in the Brushy Mountain Association not enrolled in Sunday School. This should challenge every pastor, superintendent, and lay-member of this Association to go after unenrolled church members.

Our prospects are tremendous in our Association. Every church in this Association needs a good workable Visitation Program.

Our Associational Sunday School organization this year has held six planning meetings and five Associational Sunday School Officers and Teachers meetings. Each officer has done a splendid job in performing his duties. "A"ction night was held November 21, for the first time, at North Wilkesboro First Baptist Church with 350 in attendance. This year it was held at Wilkesboro Baptist Church with 115 in attendance. My prayer is that we may have a greater year in the Sunday School work of this Association than ever before in its history. It will take all of us working together

in the Spirit of Christ to accomplish this task.

Respectfully submitted,
Gerald K. Riggs
Sunday School Superintendent

VACATION BIBLE SCHOOL REPORT

"It is not the will of your Father which is in heaven that one of these little ones should perish." Matt. 18:14.

This year over 2,000 boys and girls of the Brushy Mountain Association were reached through our Vacation Bible Schools. It has been my privilege to serve as your Vacation Bible School Director for the past year. My only regret is I could not spend more time in this work.

I would like to pay special tribute to the men and women who have served on the faculty of these Vacation Bible Schools. Without much sacrifice on their part these boys and girls would not have had the opportunity of hearing God's message.

A BRIEF HISTORY OF BOILING SPRINGS CHURCH

Whereas, the history of this church was written by Dr. H. C. Duncan, in 1947 and recorded in the minutes of this association on pages 25 and 26 of that year; further reference to that period will not be mentioned here.

At August meeting 1949, the church purchased new pews at the price of \$1,250.75 and paid out for materials and labor on the building \$822.50, making a total of \$2,073.25, for improvements on the building. At the same meeting Luther Parsons was elected a deacon and at September meeting 1949, he and Ossie Huffman, were ordained. The Presbytery was composed of Rev. A. W. Eller, J. A. Parsons, B. S. Cardwell and Turner Huffman and brother J. C. McNeill who gave the charge.

At May 18, 1952, meeting the church ordered that all money that was in the reserve treasury and in the Training Union treasury be turned into

the building funds of the church, which amount was \$511.65. At June meeting 1952, the church appointed a building committee of the following: Fred Eller, Taft Eller, Percie Eller, to study and make plans for building a new church and also determine the location of the new building. The church ordered that \$500.00 be taken from the Sunday School treasury and placed in the building funds.

At August meeting 1952, the church elected Taft Eller, Turner Huffman and Rollin Bishop as trustees. The church purchased about one-half acre of land from Susie Eller, at the price of \$50.00 and paid \$12.50 for surveying and making a deed, which made a total cost of \$62.50 paid out for the one-half acre. At October meeting 1952, the church agreed on plans for a new building and appointed a finance committee as follows: Louis Bishop, Taft Eller, Fred Eller, Francis Woodie, Janette Huffman, Virginia Huffman and Mabel Eller with Turner Huffman chairman of the finance committee.

At July meeting 1956, the church met in conference and letters of a previous meeting was read and approved. The cost of remodeling the old church building and the cost of a new building, was discussed and the church decided to make a decision at a later date. At December meeting 1956, the church decided to build a new church on the style of Union Baptist Church near Wilkesboro, N. C., with some minor changes. At the December meeting 1956, Turner Huffman, Luther Parsons, Rollin Bishop, were elected as a building committee, with Turner Huffman chairman. A finance committee composed of Norris Huffman, W. O. Huffman, Haline Huffman, Louis Bishop, Effie Parsons, Haline Eller, Daphine Bauguess with Norris Huffman as treasurer was elected. All money received and on hand in the building fund was turned over to the secretary and treasurer. On April 15, 1957, Arlie Green and his crew began work on the new building. Ford Eller and Turner Huffman were appointed as a committee to sell the old building, which brought \$300.00. This amount was turned into the building fund. At July meeting 1957, the first service was held in the new building. At August meeting 1957, the church elected Turner Huffman, Rollin Bishop, Taft Eller, as a committee to contact the bank and borrow enough money to pay off the outstanding debts for materials purchased for the new building.

At July meeting 1958, Dr. W. W. Miles reported he had contacted Davis Hospital with reference to putting water in the new building. They stated that they were not interested in getting water in the church, but gave \$350.00 to the church. This paid off the note in the bank which was turned over to the Clerk. At the same meeting Norris Huffman, Luther Parsons were appointed as a committee to go ahead and install pipe and water in the new building when the well was finished that the church was having drilled.

The dedication service was held on the 5th Sunday in August 1959, with the following pastors present: Rev. W. H. Carroll, A. W. Eller, J. G. Huffman, J. E. Hayes, Gilbert Osborne. All former pastors took part in the service. Dinner-on-the-ground was served with the Pilgrim Quartet and a Quartet from West Virginia singing for the day. At October meeting 1959, the church purchased a piano, and at June meeting 1960, a committee composed of T. T. Yates, Rollin Bishop and Turner Huffman were

appointed to get fine gravel on the driveway and parking ground and to get the pews fashioned to the floor. At February meeting 1961, Norris Huffman, Clate Staley and T. T. Yates were elected deacons with ordination service to be held the 5th Sunday in April. On the first Sunday in April, Eva Brown, Effie Parsons and Turner Huffman, were appointed as a committee to purchase furniture for the pulpit.

On the 5th Sunday in April 1961, the church held a special meeting for the ordination of Norris Huffman, T. T. Yates and Clate Staley, which were turned over to the Presbytery, Rev. W. H. Carroll, A. W. Eller and Glenn Huffman, and when the ordination was completed they were returned to the church as Deacons.

At July meeting 1961, the committee appointed, purchased the pulpit furniture from Regal Manufacturing Co., of Norristown, Tenn., at a price of \$180.

This church has had some good revivals from year to year. July 1948, 17 joined; July 1949, 12; July 1950, 10; April 1952, 5; August 1952, 6; August 1956, 6; 1957, 11; July 1958, 7; and April 1959, 12.

It has had pastors as follows: up to July 1951, Rev. A. W. Eller; 1951-1952; Rev. Gilbert Osborne, 1952-1955; Rev. A. W. Eller, and in 1955, Rev. Wiley Carroll, was elected and is still serving in that capacity. Turner Huffman was clerk in 1947, and is still serving.

The writer suggests that this church purchase a good minute book for the clerk to transcribe the minutes out of the eight little note books that he has, so that a permanent record can be made and the minutes preserved.

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home and Odum Home. One hundred and twenty-five children live in Christian foster homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well-trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 percent
Cooperative Program	32 percent
Once a Month Offerings.....	18 percent
Special Gifts and Endowment.....	17 percent

Members of the board of trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is \$400,000. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading *Charity and Children*. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before, well over 52,000. Every family in every church should receive this Christian newspaper. Single subscriptions are \$1.00 per year. Clubs of 10 or more sent to individual address are \$.75 per year. Clubs of 10 or more sent to same address, are \$.60 per year.

Brushy Mountain Baptist Churches gave the following amounts to the Children's Homes, October 1, 1960—July 31, 1961:

Monthly Offering	\$1,049.71
Thanksgiving Offering	2,218.52
Total	\$3,268.23

A total of 235 copies of *Charity and Children* are received by our churches. It is recommended that 1,932 copies are needed.

WOMAN'S MISSIONARY UNION REPORT

The basic principles for which Woman's Missionary Union stands have remained unchanged through the years. Its purpose of promoting Christian missions through a program of mission study, prayer, community missions, stewardship, and missionary education of youth still holds today. All of this is for the end result of proclaiming the gospel of Jesus Christ around the world, and of relating each member in a very personal way to this world objective.

Twenty-four churches report local WMU organizations. During the year two new societies were gained, but one was lost by vote of its members to become inactive. The new societies are Sharon Walker and 2nd Baptist, North Wilkesboro.

In an effort to achieve the purpose of Woman's Missionary Union a Year Book study, a Leadership Training Course, and a mission study were offered on an associational-wide level. Supplementing the regular Executive Board meetings the WMU has promoted and participated in a quarterly Associational Family Night. The purpose of this meeting is to inform, to inspire, and to foster a closer fellowship among the members of the mission organizations of the association.

Representatives from the association attended the Annual State Meeting, First Church, Winston-Salem, WMU Week at Ridgecrest, the Associational Leadership Work-Shop, Fruitland, and the Southern Baptist Convention. Members of several societies attended the Jubilee Leadership Training Conference, First Church, Elkin, N. C.

The Annual Associational Meeting was held at Mount Pleasant Baptist Church, April 28, 1961. Miss Margaret Marchman, missionary to Nigeria, Africa, and Miss Willa Dean Freeman, State G. A. Director, were guest speakers. A substantial increase in special offerings to all mission causes was reported.

Woman's Missionary Union appreciates the support of pastors and leaders of local churches. But with deep concern and a sense of urgency! it challenges a greater effort in the missionary education of our young people. to deprive them of the knowledge of and the joy of participation in the great missionary program of Southern Baptists not only denies them of their rightful heritage, but threatens the very future of this program. The hope of our disturbed and confused world lies in the saving grace of Jesus Christ. "I heard the voice of the Lord, saying, Whom shall I send, and who will go for us?"

Respectfully submitted,
Mrs. Robert L. Foster
President, Associational WMU

ASSOCIATIONAL MISSIONARY'S REPORT OF WORK OCTOBER 1, 1960 - SEPTEMBER 30, 1961

It has been a great privilege to serve as your Missionary for the past three and one-half years. Your provisions for our needs in the parsonage, in salary and expense allowances, your support of our work in attending the meetings, your willingness to serve in so many ways, your prayers and words of encouragement have been an inspiration to me.

I want to thank the officers and leaders of the Association for their many hours of service and their willingness to sacrifice at times to accomplish our goals. We have some of the best Associational workers in the State. Without these officers and leaders our work would be impossible.

Wilkes County is an area in which over one half of the people are not professing Christians. This is a burden on my heart, as I know it is on yours. Let us double our efforts to win these unsaved thousands to Christ. Pray and work for souls. Join in the Jubilee Revivals to reach those who need Christ.

Our State and Southern Baptist Convention causes also need our support as never before. The forces of Satan are working night and day to destroy our influence and witness, or to cause us to compromise our convictions. Let us give of our means through the Co-Operative Program, and Special Offerings. Let us give our tithes to the Church where we belong so our Churches can send a worthy contribution to World Missions as well as taking care of the local needs. Let us offer special daily prayer for our Baptist witness. Let us give ourselves in the task of witnessing with our lives.

It is a particular joy of my heart to know that more and more of our churches are considering full-time work. Twelve churches now have preach-

ing every Sunday. Eight of these have both morning and evening services. Let me encourage every church in our Association to think seriously, and pray about this matter of moving up in providing a more adequate program for your church. Every church can be blessed spiritually with Sunday School, Training Union, Woman's Missionary Union, Brotherhood, an adequate Music ministry, and a full-time preaching ministry with the pastor living on the field, with adequate provisions for him and his family. These organizations are not ends in themselves, but means to an end, the goal of reaching, teaching, winning and developing people in Christlikeness. Any church with twenty working members who will tithe their income can support a full-time program. Ten of the tithed salaries would provide a pastor's salary. The other ten tithed incomes would take care of the local needs and mission gifts of the church. Our pastors need to be free to give their time to preaching and to the ministry of the word. They should not have to work to supplement their income.

This brings up another subject which I feel needs discussing. Our pastors are overworked and underpaid. Many have to work at secular jobs to provide food and shelter for themselves and their families. This is not as God intended. A man called of God into the ministry is to be taken care of by the church or churches which he serves. This is their responsibility, and to neglect this is failing God. Re-examine your pastor's salary. If it is inadequate give him a substantial raise. Adequate provision should include food, clothing, shelter, travel, convention expense, retirement provisions for himself and his family. Pray that God will open your eyes, your hearts and your pocketbooks so that our pastors will be adequately compensated for their labors of love in the Lord's work.

Many other matters are on my heart which space does not permit discussing. Pray and work with me to win the lost and develop the saved.

REPORT OF THE SEMINARY EXTENSION CENTER

The Seminary Extension center in North Wilkesboro is one of the oldest and most successful in the entire Southern Baptist Convention. It has been of great use and service to the laymen and ministers of this area.

During the 1960-61 session two semesters were used. The first 9-week semester was used for the teaching of New Testament 132, A Study of the Epistles and Revelation, by Rev. Paul Shoupe. During the second semester of 9 weeks Brother Shoupe taught Church History 124, A study of the Church from its beginning to the Reformation.

The first Semester of our new year is scheduled to begin on Friday evening, October 6, 1961, at 7:00 p. m. at First Baptist Church, North Wilkesboro. During the first semester two courses will be taught simultaneously. The Rev. R. F. Smith will teach New Testament 232, an expository study of the Gospel of Matthew. Cost of this course will be \$11.50 including the textbook. Also The Rev. Paul Shoupe will teach Church History 134, a continuation of Church History 124 covering the period from the Reformation to the present. Cost of this course will be \$14.00 including the textbook. Those who have the book, A SUMMARY OF CHRISTIAN HISTORY, Baker, may deduct \$6.00 from the cost.

Both of these courses will be taught during the period from 7:00 to 9:00 p. m. each Friday evening for nine weeks.

The Advisory Committee for the Seminary Extension Center has been Rev. Clyde Church, Rev. James Revis, Rev. John Wright and Rev. Henry Morgan.

The Committee recommends that Rev. R. F. Smith, Jr., pastor of the First Baptist Church of North Wilkesboro, be elected as Seminary Extension Director.

Respectfully submitted,
Henry Morgan
Director, 1960-61.

Activities for the year include preaching; discussion of the Christian work as planned in the churches, association, and conventions; and special features.

Last year this conference planned and promoted a Deacons'-Laymen's Revival. This was held February 20 to 24, 1961. There were morning sessions for pastors, and evening sessions for laymen.

Brother Guy Cain, Director of Promotion for the Baptist State Convention of North Carolina; and Brother Tom Greene, Director of the work of ministerial support in the Division of Stewardship Promotion and Editorial

Services of the Baptist State Convention of North Carolina, led in this revival.

There were 20 churches of this association and one other church represented.

Seventeen ministers attended the morning meetings, which were held at Hinshaw Street Church at 10:00 a. m.

Evening meetings were held Monday through Friday at Edgewood, Mount Pleasant, Harmony, Pleasant Home, and New Hope respectively; beginning at 7:30. Average attendance was 42 for the evening meetings.

At several of the meetings Brother Jack Boston, Chaplain at Wilkes General Hospital, spoke concerning Pastoral Counseling.

All pastors are urged to attend the meetings of this conference.

REPORT ON CHRISTIAN EDUCATION

Christian Education in the broader sense, denotes every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth. But in this report we are more directly concerned with the role and ministry of our seven Baptist Colleges—Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

State colleges, by their very nature, work under certain restrictions which prevent them from performing the task of Christian colleges. Of all people, Baptists do not expect the state to teach religion in any form. This is the responsibility of the church. We must leave for the state colleges the so-called secular emphasis in life, having education for education's sake as their goal. Into this vast sea of education, Baptists (with all our institutions) must witness to our faith as it relates not only to the means but also to the ultimate ends of life. And witness we must, if we expect to have a significant role in shaping the kind of world we are to have. As go these Christian colleges, so will go our homes and our churches. We cannot have the latter without the former!

Last year there were 8,000 regular students enrolled in our colleges. Two-thirds of these were Baptists and the other third young people of other denominations. We are happy to minister to these because three-fourths of all Baptist youth in college are in other than Baptist colleges. This means that 3 out of 4 of our Baptist young people must look to some college other than our 7 Baptist colleges. One-out-of-eight students in these 7 colleges is preparing either for the ministry or some other church-related vocation. Here we find our Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future.

The annual operating cost of the 7 colleges was between 11-12 million dollars. Students paid over half this total, 5% came through the Cooperative Program, and other sources provide the other nearly one-half. In addition to these figures, several millions are being spent for expansion and equipment.

The special session of the State Convention last May 4 was to try

to help these colleges meet the growing needs of these young people. This convention approved a Program of Advance for the next three years, 1962-64 through the Cooperative Program. This plan is expected to provide \$8,000,000 for plant expansion and improvements and nearly \$1,000,000 for our Baptist Student Union.

What can each of us do to help meet these needs?

- (1) Be informed and concerned. Read about our colleges, visit them, get acquainted.
- (2) Encourage our best students to attend.
- (3) Pray for these schools.
- (4) Support the Cooperative Program, especially the Program of Advance.
- (5) Promote and support Christian Education Day in your church.

REPORT ON FRUITLAND BIBLE INSTITUTE

Fruitland Baptist Bible Institute is a theological school operated by our Baptist State Convention for the benefit of God called men who have answered the call late in life or who for various reasons could not enter college or seminary. It is a three-year school and offers courses in Bible, Theology, Homiletics, Church Administration, etc., that the pastor will find most helpful in his ministry. The school operates 6 months in the year and usually begins about the first of October each year. The support comes from our Cooperative Program, from revenues for room and board of students and from gifts from individuals, churches, and associations.

This year the enrolment is the highest in the 16 year history of the school. At present 162 have enrolled with others still to come. Only eternity will reveal the value of the work carried on at Fruitland as God called men seek to learn how to be good servants rightly dividing the Word of truth. Let us support this noble work with our prayers and our offering, for many from our association have been blessed by having the privilege of studying in this great school.

We, the Resolution Committee of the Brushy Mountain Association, at the ninetieth annual session resolve that we express our sincere appreciation to:

1. Boiling Springs and Little Rock Baptist Churches for their abundant hospitality in providing places of meeting for the 1961 session of the association and for those who prepared and served the delicious meals.

REPORT OF MISSIONS COMMITTEE

Because of Jesus' love for the church and the lost, we must follow His divine imperative and hasten to the task of winning the lost. To do this our churches must be strengthened and our entire association filled with an awareness of the desperate need of thousands in our communities.

Your Missions Committee met once each quarter last year, hoping to render service to God and the churches of the Brushy Mountain Baptist Association. We have attempted to assist our Missionary, the Rev. John R. Wright, in his work. This committee discussed the fact that our missionary needed to be away in meetings of an assorted nature outside the bounds of the association and suggested he attend as his schedule permitted.

Realizing the need to catch up on back salary for our missionary and pay some past due bills the committee requested the Executive Committee to consider borrowing \$550.00 This was done and the items pressing were cared for. A detailed account could be given of the activities and discussions of the Missions Committee. In the interest of space and time I will simply list some things in a sentence each.

1. Suggested including heads of departments of music and evangelism on the Missions Committee.
2. Suggested that churches give a love offering to the Wrights as a Christmas gift.
3. Approved request from the Moravian Falls Baptist Church to ask the State Convention for assistance on their lot, in building their new building, at the Germantown Mission.

4. Discussed the need for an associational library committee.
5. This group often discussed the need for a contagious mission spirit in the Association. This has also been a matter of prayer and deep concern with us. Even now there are perhaps at least two areas in need of a mission work. We encourage the existing churches and missions to diligently apply themselves in these matters of soul winning and Christian growth. The Baptist witness for Christ here and around our world can be strengthened as Christian individuals recognize their obligation to their churches and give their time, talents, and tithe to the support of God's work.

Churches must take their mission seriously and offer to the people a unique privilege of joining hand and heart in winning a lost world. For this reason Jesus came into the world and sends us into the world. To find one's life is to lose it in sacrificial dedication to the task, and privilege of Christian missions, here, and around God's world.

REPORT OF THE STEWARDSHIP AND COOPERATIVE PROGRAM COMMITTEE

The Committee on Stewardship and the Cooperative Program is a new committee, having been established at the 1960 annual session of the Association. The Chairman of the Committee would confess to a dereliction of duty in the matter of leading the Committee to fulfill its purpose as stated in the Constitution. This is true inasmuch as the committee has not worked directly to encourage each church to teach and practice Bible stewardship, to give to associational missions, and to support world mission causes through the Cooperative Program.

Having confessed to this failure fully to do the job assigned, the Committee would like to express itself to the messengers present and to the churches represented at this Associational meeting. It is the feeling of the committee that with the world situation as it is at this point in history, there has never been a time when the practice of Christian Stewardship of possessions and the program of world missions was more needed.

We would like, therefore, to recommend

1. That the churches of this Association be urged to consider the use of the Forward Program of Church Finance or some modification thereof, including the adoption of an adequate budget, the use of individual offering envelopes, and some form of every member canvass.
2. That the churches be commended for support of our Associational Missions program and asked if possible to increase this support during the coming year.
3. That the churches which have a budget include in that budget an amount or percentage for the Cooperative Program and that if at all possible, this amount be increased by 35% over last year's budget or giving record in line with the action of the Special Session of the Baptist State Convention in Greensboro last May; and that churches not having budgets set a definite time or times (prefer-

ably at least once a quarter) to take an offering for the Cooperative Program.

4. That in promoting the Cooperative Program and Christian Education Advance the churches be urged to maintain the present level of support for the Social Service institutions and other agencies of our Convention through special offerings and/or budgeted items.
5. That the Association go on record as adopting in principle and thereby urging the individual churches to adopt the 35% increase in Cooperative Program giving which was passed at the Greensboro Convention in May of this year.

MUSIC COMMITTEE REPORT

The Music Committee of the Brushy Mountain Baptist Association purposes to promote worshipful music in the churches of the Association, as it has opportunity. This committee was composed of: Music Director, J. C. McQueen, Jr.; Moderator, Clyde Church; Associational Missionary, John R. Wright; Pastor-Advisor, Harvey White; Director of Instrumental Activities, Mrs. Robert Transou; Director of Training, Mrs. Henry Morgan; Di-

rector of Congregational Activities, Warren E. Kerr; Director of Graded Choir Activities, Gene Ellis; Director of Publicity and Promotion, Gerald K. Riggs.

In efforts to promote this ministry of music the committee planned and promoted: Associational Carol Sing on December 20, 1960; Associational Music School, January 23-27, 1961; Associational Hymn Sing, April 9, 1961; Associational Hymn Sing, July 9, 1961. The Committee had four planning meetings.

The Carol Sing was held on a rainy, cold night. Forty people attended. Five churches were represented. Groups sang at the County Jail, Wilkes General Hospital, Richardson's Rest Home and Wingler Home.

The Music School was held at Wilkesboro Church. No classes were held on Thursday night because of snow and ice on the roads. Friday night was not well attended for the same reason. Mr. Roger Cole, Minister of Music at Green Street Baptist Church in High Point, taught the Adults and Young People. The text was "The Beginning Vocalist," by Warren M. Angell. Mrs. A. F. Kilby taught the Intermediates. The text was, "You Can Learn To Sing," by Warren M. Angell. Mr. Gene Ellis taught the Juniors. The text was "Makers of Music," by Novella D. Preston. There were 114 enrolled in the Music School. Seventeen churches were represented. Average attendance was 70. 12 awards were earned. The rough weather caused the number of awards to be low. Cost of the school was \$59.11.

One Hymn Sing was held at Moravian Falls Church on a rainy Sunday afternoon. Sixty-two people attended. Nine churches were represented. Another Hymn Sing was held at Wilkesboro Baptist Church. Forty-seven people attended. Five churches were represented.

We think that the Music Committee has had a good year, and that some progress has been made.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes—Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 20 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of \$275,000 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, there-

fore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 5% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the lovingkindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Louise King, Mrs. Lillie Giles, Miss Lucy Stout, Mrs. Mattie Owen, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

C. J. Pool, in cooperation with

BIBLICAL RECORDER REPORT

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow. In 1961, this principle still holds true as we think of all the fine Christian literature being written.

When North Carolina Baptists think of their own literature, they naturally think of their state Baptist paper since 1833—the **Biblical Recorder**. Down through the years, it has been the one connecting link among Baptists. Not satisfied to live in the past, though, the **Recorder** strives to convey its message in an attractive, appealing manner.

The **Recorder** is edited so it will be of interest to all North Carolina Baptists. Consider the many features each week—full page pictures on the cover, stimulating editorials, Life in the Churches, the Sunday School Lesson, the Family Page, changes in the churches, complete coverage of all Baptist news, numerous pictures, inspirational pieces, stories about your fellow Baptists, and many other articles too numerous to mention.

Circulation which is the highest in history continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed to reach this goal.

At a workshop of Southern Baptist editors at Syracuse University this summer, the **Recorder** received high recognition from the Syracuse professors who praised it for its pleasing appearance and good content. The professors especially liked the covers and the large number of good pictures used in every issue.

It is the **Recorder's** job to keep North Carolina Baptists informed—but please remember that this is a two-way street. Even though the **Recorder** may be judged the outstanding paper in the Southern Baptist Convention, if you are not receiving it, you have no way of knowing what you are missing.

The Every Family Plan is best and simplest. Nearly 500 churches testify to the value of sending the **Recorder** to every resident family at the cost of a four cent stamp each week—or \$2.00 a year. It doesn't cost, it pays. As a starter, your church may want to get four or more people to take the **Recorder**, thus qualifying for the Club Plan before going to the Every Family Plan.

The **Recorder** staff pledges itself to get out a paper that will justify the confidence your church places in it. Nowhere else will you be able to get so much for so little. Try the **Recorder** this coming year and see for yourself the blessing you will receive from it each week.

Respectfully submitted,
Warren E. Kerr

A BRIEF HISTORY OF LITTLE ROCK CHURCH

Whereas the history of this church was written by Dr. H. G. Duncan, in 1948, and is recorded in the minutes of this association on pages 17 to

24 of that year, further reference to that period will not be made here.

At June meeting 1948, a building committee was appointed as follows: L. L. Carlton, I. J. Broyhill, John Andrews, John Lackey and Ray Parsons, to erect an arch over the road turning off from the highway leading to the church. At March meeting 1950, the church purchased a bus and passed the following regulations: "that the bus be insured each year by church and that it would make trips for all church gatherings such as worship service, Training Union, revivals, Sunday School, singing, Vacation Bible Schools, and other such services needing the bus. All trips made by individual classes to be financed by the class." It continued using the bus until 1957, when it was sold.

At December meeting 1951, Lawrence Auton, J. W. Triplette, and Herman Lackey were elected as Deacons and at January meeting 1952, they were turned over to the Presbytery, Rev. A. W. Eller, M. D. Blackburn, Glenn Huffman and deacons John Andrews and Ray Parsons, to be ordained. After the ordination was completed they were returned to the church as ordained deacons. At June meeting 1952, the Deacons recommended that a garage for the church bus and a nursery be built. It was moved and seconded that the building be erected, which carried favorably. I. J. Broyhill, Herman Lackey, John Andrews and Clay Brookshire were elected by the church as the building committee. Analee Andrews, Ruby Smith, Virginia Triplette, Kate Parsons, Nora McGee and Nancy Barnes, were elected as a finance committee. At July meeting 1952, the Deacons offered a resolution to the church, that the garage and nursery be erected a two-story building and that the building be brick veneered, which recommendation carried favorably.

At August 1952 meeting, "It was moved and seconded that the building committee be empowered to borrow funds for the erecting of the nursery and garage and that the church stand good for said funds." At the November meeting 1952, there was a motion made to close the garage part of the nursery building and use it for class rooms, which motion carried favorably.

At October meeting 1954, the church gave permission to Thurston Barnes to be ordained as a minister. A Presbytery of Rev. A. W. Eller, W. O. Johnson, Ed O. Miller and J. Earl Pearson, deacons, N. C. Andrews, J. W. Triplette, T. H. Lackey and Ray Parsons, were selected and Brother Barnes turned over to them and after the ordination he was received into the fellowship of the church as an ordained minister. At November meeting 1955, a committee was appointed to raise funds for building the church road up to the church.

At January meeting 1955, Rev. A. W. Eller, resigned to take effect within 90 days. There was a pulpit committee appointed of the following: I. J. Broyhill, J. W. Triplette, Robert Transou, Mrs. Margaret Land and Ruby Livingston, to recommend a name to the church as soon as possible for pastor. On the 5th Sunday in April 1956, Rev. A. W. Eller, rounded out his 90 days as pastor, which was a very sad parting for all. At May meeting 1956, the church called Rev. Major Edwards, as pastor. He served from 1956-1957, when Rev. Gerald Riggs was elected and is still serving the church as pastor.

At May meeting 1956, the church discussed buying the property of

Twin Oaks. It was moved and seconded that Little Rock Baptist church buy the property known as Twin Oaks, which motion carried favorably. John Andrews, Herman Lackey, Robert Transou and Arvil Johnson, were elected as a committee to contact Mrs. Marley and purchase the property for the church, which was purchased at the price of \$5,000.00.

At July meeting 1956, the Board of Deacons recommended to the church that John Andrews, Bob Transou, I. J. Broyhill, Herman Lackey, Loyd Broyhill, be named as a building committee to get the parsonage and recreation building repaired. It was necessary to cut some timber around the church building to provide material for repair on the parsonage and recreation building. It was necessary to borrow \$1,800 with the \$1,350 already pledged to black top the road up to the church.

At November meeting 1956, the church voted to go full time in preaching service and has been operating ever since as a full time church. At March meeting 1958, the church appointed a recreation committee consisting of Mrs. Bob Transou, Arlee Andrews, Mrs. Herman Lackey, to convert the skating rink at the parsonage into a recreation center for the church. This church is to be highly recommended for purchasing Twin Oaks and the skating rink, and converting the property into a parsonage and recreation hall for the church. We need more moves made like that over the country. Charlie Ham, Plez Munday and Herman Lackey were appointed on a committee to work with the first committee that was appointed in working out by-laws as to the recreation center.

At September meeting 1958, Arvil Johnson, Charlie Ham and Loyd Broyhill, were ordained as deacons. At November meeting 1959, the church voted to borrow money to drill a new well and partition the education building into Sunday School class rooms. At November meeting 1960, the church voted to purchase a gas heater for the educational building and also purchase a heating plant for the parsonage.

A beautiful electronic organ was donated to the church in 1960, by the N. C. Andrews family.

This church has had some great revivals. In 1948, 8 joined, and in 1959, 7 joined, in 1950 there were 18 joined by baptism and letters, and in 1955, 9 joined and in April 1956, 9 joined.

This church has had all along an active Sunday School with 189 enrolled and participates in giving to all the Baptist organizations and has been operating for some time on the budget system.

REPORT OF THE CHRISTIAN ACTION LEAGUE

The world-renowned Dr. Albert Schweitzer has said, "Drink is commercially our greatest wastrel, socially our greatest criminal, and morally and religiously our greatest enemy." This is true today.

It is estimated that in the year 1960, there were 68,000,000 American adults who drank alcoholic beverages in some degree. Of these, 5,400,000 were alcoholics and another 4,100,000 were heavy drinkers or problem drinkers (pre-alcoholics). Take into account that for each one of these 9,500,000 there are five additional people whose lives are adversely affected by their

drinking. Alcohol is a potent factor in the destruction of many homes, and its victims fill our prisons. It is a major contributor to the crime rate in our land which is at an all-time high and is increasing annually.

But the story does not end here. Alcohol is writing a very shameful and bloody record on the highways of our land. In 1960 there were 37,600 people killed on the highways of the nation and there were 2,870,000 injured in non-fatal accidents. Some estimates go as high as 75% in the relation of alcohol to these accidents. The Highway Patrol says that alcohol was a factor in more than 50% of the fatal accidents on North Carolina highways last year.

No indictment against this No. 1 enemy can be made too strong.

The Christian Action League is an organization of the evangelical denominations of North Carolina for action in areas of common concern in the moral issues of the day. Many denominations are affiliated with the organization, and are functioning through a Board of Trustees. The functional committees are those on Education, on Good Government and on Publications. An Executive Director is employed for full-time service in promoting the work of the organization. The financial support of the League comes from donations by the affiliated denominations, from churches and from individuals who are concerned.

The League is not engaged in partisan politics, but does seek the support of all parties in promoting legislation for the common good and in opposing legislation detrimental to the moral welfare of the citizenship of the state.

In particular, the Christian Action League seeks (a) to unite all who believe in total abstinence from alcoholic beverages to a cooperative effort to agitate, legislate and educate against this social evil; (b) to awaken public interest in opposing gambling, narcotic addiction, salacious literature and acts of violence and vandalism; (c) to promote programs for the rehabilitation of the victims of alcoholic beverages and other narcotics.

The Executive Director of the League is Reverend D. P. McFarland, and the office is located at 424½ Fayetteville St., Raleigh, North Carolina.

C. J. Pool, in cooperation

ANNUITY BOARD REPORT

Name Change — The Relief and Annuity Board no longer exists — name-wise, that is. The official name is now Annuity Board of the Southern Baptist Convention. Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

New Members — Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columbia had the highest per centage, 94. Seven states were in the 60's, per centage-wise, and 11 showed a participation of between 50 and 60 per cent. The remaining three were above the 45 per cent mark. Average participation of all states was 63 per cent.

Benefits — Benefits amounting to \$2,745,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling \$34,425,100.55.

Field Work — Fifteen field representatives now serve 22 states in the Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina, has his offices at the state headquarters in Raleigh—mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or associational meetings and talk about the Annuity Board's ministry. Rev. Greene is available also for personal conferences with pastors or church leaders. Write him for arrangements. Three churches of our Association joined the plan this year: Harmony, Pilgrim, Hinshaw.

Officers of the Annuity Board — Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

AMERICAN BIBLE SOCIETY REPORT

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this book." Then listen to another who says: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those students express two basic principles of mission work which are true in all lands:

- (1) People must have the Bible because it presents Jesus Christ, the one hope of men and nations.
- (2) Each person must have the Bible in his own language, because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart. But, we must remember in most lands people cannot afford even the cost of printing the Scriptures.

The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern

Baptist and serves every form of Southern Baptist around the world.

During 1960 the American Bible Society distributed throughout the world a record total of over 23 million volumes of Scriptures. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15-million-volumes-per-year average for the past nine years. Over a million of these went to Armed Forces and Veterans Hospitals, a vital link between the home churches and the men in service. Free of cost.

I beg you as Southern Baptists to support this great work, because the Society serves mission work, and Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people.

In 1960 Southern Baptist churches gave \$151,626; Methodist Churches gave \$151,934. Gifts from all churches in the U. S. A., \$1,001,768.

The help of every Southern Baptist is needed. Has your church given this year? The Apostle Paul answered the Macedonian call to come over and help them. I ask you to answer the call today and help send the Bible into all the world in every language, to all the people. Let's get a Bible in at least every home.

Please send your gift regardless of how large or small to the Baptist State office marked for "The American Bible Society."

I would like to express my appreciation for the wonderful cooperation of the leaders and many individuals of the Brushy Mountain Baptist Association in making it possible for us to pay the outstanding bills which we had at this time last year and getting on a current status of payment of our bills. It is always an inspiration to see the results when a specific need is submitted to them.

IN MEMORIAM

This is Memory Time at The Brushy Mountain Association. It is altogether fitting that this Association should stop all business to pay loving tribute to those who have been called to join the assembly of the redeemed in the congregation above.

Since we last met in general session, several of our beloved friends have heard the summons, "Come up higher." We feel deeply the loss of these devoted, and faithful members.

God has placed in the hand of man the wonderful lamp, memory. We do therefore, humbly and reverently call to memory the comradeship, the devoted, sacrificial, unselfish and loyal service of these our beloved friends. This is not mere sentimentality. This does not come that we might try to recapture the past. This memory of these beloved friends inspires us to worthy, nobler accomplishments, and deeper dedication.

We can never forget that John, the beloved disciple, wrote, "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours: and their work do follow them." (Rev. 14:13).

We remember their works with grateful appreciation, hopeful that we may take the foundation that they have laid and build thereon greater and finer structures.

The Bible tells us that these our deceased loved ones are more alive than we are. They are better off than we are. They are happier than we are. They have laid down the limitations of human life to take unto themselves the richness and fullness of an Eternal reward.

It is therefore reassuring to us to hear our Master as He says, "I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. I am he that liveth, and was dead: and, behold, I am alive forevermore" (John 11:25-26, Rev. 1:18).

This is the faith of the Christian. We are hopeful, therefore, and confident that these beloved members of the Brushy Mountain Association have moved into that sacred Presence and abide under His loving care.

To the host of friends who mourn the going of our fellow Christians, may you find comfort in the blessed benediction, "And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus" (Phil. 4:7).

Respectfully Submitted,
Rev. Frank Walker

REPORT OF THE MISSIONS COMMITTEE

Your Missions Committee met four times last year, working closely with Mr. Wright, our Associational Missionary. The Missions Committee requested the help of the Churches in the illness and surgery of Mrs. Wright. The Committee feels deep appreciation for the fine way the Churches cooperated in this time of need. The Missions Committee had several recommendations which were brought before the Executive Committee of the Association and will no doubt be included in the report of that committee. The members of the Missions Committee wish to express sincere appreciation to the Pastors and Churches for their helpfulness and fine spirit of cooperation during this past year.

Respectfully submitted,
Warren E. Kerr, Chairman

EXECUTIVE COMMITTEE REPORT

The Executive Committee held four meetings during the past Associational year, at the Wilkesboro Baptist Church.

On January 5th, 1962, 12 churches were represented.

The Committee approved the suggestion made by Dr. W. R. Griggs, Secretary of Interracial Cooperation, to allow the Negro Baptist Churches in this area to participate in the School of Missions, October 27-November 1, 1963.

The Committee also approved the combining of the Associational Library and Associational W. M. U. Reading Room, at the Wilkesboro Baptist Church. The Moderator asked the Nominating Committee to secure an Associational Librarian.

The financial report indicated we were behind in payment of the Missionary's salary.

The Bus Committee was urged to sell the Associational Bus and the old barn standing on the parsonage lot.

Miss Lunda Hendren reported a Central Training Union Leadership School would be held March 12-15, at North Wilkesboro First Baptist

Church.

The dates, March 25th to April 8th, were announced for Simultaneous Revivals for the Association.

The second meeting was held April 1, 1962, with 11 churches represented.

The Rev. Henry Morgan, Moderator, called the meeting to order, and the Rev. Warren Kerr led in singing a hymn, and the Rev. Rowe W. Teague led the invocation.

The Treasurer reported the following income: From the State Convention, the Churches, and the past year's balance, total: \$5312.77, and disbursements: \$5129.79, leaving cash on hand: \$182.98, total current debts amount to \$267.97. The balance now due on the parsonage was \$3046.26.

The Moderator named the following Library Committee: Mrs. C. G. Glass, Jr., and the Rev. Earl Webb.

The question of a camp site on the Yadkin River Reservoir was discussed and the moderator named J. F. Jordan and R. C. Greene as a committee to investigate and report the matter at the next meeting.

The matter of selling the bus and old barn was again up for consideration, and on motion duly seconded, the committee voted to direct the Bus Committee to sell them at the best price.

The matter of printing the Associational Minutes was discussed, and the missionary gave figures showing cost of printing by other companies were considerably less than we are now paying. A motion was made and seconded, and passed, that the clerk and the missionary further study the matter, and if they find the minutes can be printed for less cost to make the arrangements.

The missionary reported that 23 churches are now holding Jubilee Revivals.

A Central Training School was reported by the missionary at First Baptist.

Brother Gerald Riggs, Associational Sunday School Superintendent, reported progress in the Sunday School work in the association.

Places for Vacation Bible Schools were announced, and the committee approved the Rev. C. E. Lawing as summer worker for VBS.

The July 6th Quarterly Meeting was held with 13 churches represented.

The Bus Committee reported the bus had been sold to the YMCA for \$100.00.

The barn has not been sold.

Brother Ray Blevins, Finance Chairman, reported payments on the parsonage had been brought up to date, but current expense funds had fallen behind.

Miss Lunda Hendren, Training Union Director, reported there were 406 present in six group meetings.

The committee appointed to study purchasing of a camp site on the Yadkin Reservoir was not ready to report.

The printing of the Minutes was again discussed. It was shown that Southern Baptist Press, Wolf City, Texas, offers the best price. The Committee directed that the Clerk and the Missionary negotiate the deal.

The Rev. John R. Wright, Missionary, and the Rev. Warren Kerr, reported on their trip to California to attend the Southern Baptist Conven-

tion. They traveled through many states and experienced a wonderful trip. In addition to attending the five day convention in San Francisco, they also visited the World's Fair, Seattle, Wash., and many other sights. The following people attended the convention from our association: Henry Morgan family, 5; J. C. McQueen family 5; Warren Kerr family, 4; John R. Wright family, 2; total 16.

The Missionary gave a statistical report of his work for the past three months, which represented a heavy schedule of work accomplished.

September 28, 1962, the committee met with nine churches represented, with 18 present.

The committee heard a report of the committee on buying a camp site on the Wilkesboro Reservoir. No action was taken, as property prices are too high.

Ray Blevins, Finance Chairman, reported payments were up to date on the parsonage, but current expenses are behind about \$350.00.

Chalmer Dyer, Treasurer, reported we owe \$1,997.95 on the parsonage, are behind about \$350.00 on current expenses.

The Missions Committee report was made by Miss Lunda Hendren. She stated the committee felt we should ask the State Mission Board once more for \$900.00 to help with Associational missions expenses. Her motion passed.

A request from the Asheville Citizens-Times asked us to support an ad in the Paper October 14th, for Mars Hill College. The Committee felt the request should come from the college, and voted not to participate.

Respectfully submitted,
T. E. Story, Chairman

EVANGELISM REPORT 1962

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is a total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our convention.

Important Meetings and Programs:

Our associational clinic on Evangelism was held at Millers Creek Baptist Church Oct. 8, 1962. All pastors and associational officers were urged to attend, along with the teachers and officers of all church organizations.

Twenty-three churches in our association participated in our Jubilee Revival. Three hundred sixty-nine precious souls were baptized into the fellowship of our churches this year.

February 11-13, 1963, our State-Wide Evangelistic Conference will be held in Greensboro, N. C. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend also.

February is transfer church membership month. The non-resident church membership problem should be given special attention.

July 2-4, 1963, a Convention-Wide Evangelistic Conference will meet in Dallas, Texas. Many people are praying and planning for this to be the greatest conference on Evangelism ever held among Southern Baptists.

All things point up the need for full committal to Christ in His redemptive purpose NOW . . . Nothing less than this will be enough. In fact, nothing less than this has ever been enough.

As chairman of evangelism, I recommend a small amount be put in our

associational budget for evangelism expenses.

Respectfully submitted,
Dean Dillard,
Chairman of Evangelism

REPORT OF SUNDAY SCHOOL WORK

"And daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ." Our Sunday School year (1961-62) ended in keeping with the theme "Outreach for the Unreached—Spearhead for Advance." The Sunday School work has made great strides in reaching out in every phase of our Sunday School work.

Six Executive Committee meetings and five Associational Sunday School Officers and Teachers meetings were held during the past year. We advanced in Sunday School enrollment, training, and space. Many of our churches have been building in order to reach more people for Christ. Space sets the pattern for a good functional Sunday School organization. Many of our Sunday Schools need to move up from a class Sunday School to departmental Sunday School work. Our Architect Department, in Nashville, is willing and ready to assist any church to get the building they need to do a better job for the Lord. Every church in this Association needs to use this formula which will guarantee any church a continuous increase in the number of people reached and served: 1. Locate the people; 2. Enlarge the organization; 3. Provide adequate space; 4. Enlist and train the workers; 5. Go after the prospects. If we will use this formula for 1962-63, we will do the greatest job ever in the Brushy Mountain Baptist Association. May God help us to launch out with a great faith to reach every last person that we possibly can for Christ.

Goals For 1962-63

Training Awards in Category 17 of the church study course—250.

Churches earning awards in category 17—20.

Enrollment increase—5%.

Churches to observe Preparation Week September 22-29, 1963—10.

VACATION BIBLE SCHOOL REPORT

There is no greater privilege in the world than to serve Christ by helping others. One area in which we help, is working with children. Through the V. B. S. we are able to touch the young lives and possibly help some on the road to maturity and service in God's Kingdom.

We are grateful to the many volunteer workers who must sacrifice much time and effort for this work. Without this group of workers the V. B. S.

program would be impossible. We should pay special tribute to the Rev. C. E. Lawing and the Rev. John R. Wright for the schools in which they were principals.

It is my hope that we will place more emphasis on training and preparation in the future. This will enable us to have a better grade and do more effective work.

It has been my happy privilege to serve as the Supt. of the V. B. S. for the past year. The Rev. C. E. Lawing will serve for the next year, and you will please remember him in your prayers.

Fred Morris

TRAINING UNION REPORT

We have had a full slate of faithful officers serving this year and all meetings were held as scheduled. Attendance in major meetings was as follows: M Night—487; March Mass Meeting—175; June Group Meetings—406; September Mass Meeting—235; and Youth Night—62.

Pleasant Home was awarded the Attendance Banners each time they were used during the year and the Efficiency Banner went twice to Purlear Adults and once each to Purlear Juniors and Millers Creek Intermediates.

The high spot in our activities for the year was our Central Training School, March 12-15, 1962, when we had enrolled 180; average attendance 139; churches participating 22; awards 88. A total of 100 awards in Category 18 was reported for year. Offerings received in meetings and special offering for Training School amounted to \$217.73, which was turned over to Associational Treasurer.

We now have Training Union organizations in 25 churches and hope to add 3 new ones during the year.

Lunda Hendren, Director.

ASSOCIATIONAL BROTHERHOOD REPORT

The Associational Brotherhood held three family night meetings with the W. M. U. organization during the year. Each meeting included a covered dish supper, business session and program.

The first meeting was held at the Wilkesboro Baptist Church with a program on Foreign Missions. Mrs. James T. McRae, retired Foreign Missionary, now residing in Elkin, North Carolina, was the speaker. The Liberty Grove Church was host to the second meeting. The program was on stewardship. An open forum was held with the associational budget and financing being the center of discussion. The last meeting was held at Fishing Creek Baptist Church. The program for this meeting was on State Missions. Mr. Frank Allen showed a film strip to the Brotherhood and W. M. U.

There were no new church Brotherhoods organized during the year.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union was born out of concern for the lost peoples of the earth and the desire to do something about it. The women who pio-

neered this organization faced severe criticism and great struggle, but they were motivated by a clear vision of their responsibility and with courage and quiet determination they risked the consequences. Today Woman's Missionary Union is one of the greatest mission forces in the world.

Growth in our association has been slow but gradual this year. Several societies have expanded into circles and are participating in two monthly meetings. New circles have been organized in several other societies already functioning on the circle plan. This growth is good and in the right direction. An increase in individual contributions to our special offerings indicate a growth in awareness of world needs.

We have continued to support a quarterly Family Night Mission program. These meetings are not as well attended as they should be, but we feel that the results have made them worthwhile.

During the Week of Prayer for Foreign Missions an emphasis on world awareness was stimulated by the presence and message of Mrs. James T. McRae, Missionary to the Near East, now living in Elkin, N. C. The Brotherhood also attended this meeting. Mrs. Thomas E. Lee of the Home Mission Board was our guest for the Week of Prayer for Home Missions. She visited daily in individual churches and spoke once to an associational-wide assembly.

Members have responded well to state promoted opportunities. We had representatives at the annual State Meeting, Asheville, Jubilee Prayer Retreat, Salisbury; and the Associational Leadership Conference, Fruitland. The Southern Baptist Convention, San Francisco, Calif., and W. M. U. Week at Ridgecrest were also attended.

Only 5 churches have fully graded Unions, but there has been an increase in youth organizations. Several queens have been crowned in Girls' Auxiliary this year. We commend these young girls and their leaders for this forward step.

Welcome Home Church was host to the Annual Associational Meeting, April 25, 1962. The program theme, "That His Way May Be Known," was emphasized by Mr. Hubert K. Middleton, Missionary speaker, and Miss Delois Hamrick, State Representative.

The Woman's Missionary Union of the Brushy Mountain Baptist Association has a great potential. Our churches are filled with capable Christian women. Only 23 of the churches have mission organizations. Many of these have no youth work. Think of this untapped source of power—power that needs to be—that must be channeled into mission activities.

This year is our 75th anniversary. It is to be a year of prayer and for study about World Missions. Our purpose and responsibility as Christian women is to work with God in carrying out his plan to save men everywhere. W. M. U. is organized for this purpose. We want to make this the greatest year in our history. We covet your prayers as we continue to be "Laborers together with God—that the world through him might be saved."

Mrs. Robert Foster, President.

REPORT ON THE SEMINARY EXTENSION CENTER

We wish it were possible to give a glowing report concerning the number of our people reached by the Seminary Extension Center; however, only

a very few people have availed themselves of the opportunity afforded them by the Seminary Extension Courses.

The Extension program sponsored two semester courses last year. The Reverend Paul Shoupe, pastor of Liberty Grove Baptist Church, graciously consented to teach both semesters. Church history Course No. 134 covering the period from the reformation to the present time was taught by Mr. Shoupe in the fall. In the spring a course in the Gospel of Matthew was taught by him.

The teaching has been excellent and the quality of work accomplished by students enrolled has been good. Yet, the Seminary Extension Committee is quite concerned over the lack of interest being shown in this great work. Very few of our pastors are availing themselves of the opportunity of continued formal education at this point. Only a few laymen are participating in the program. This causes us much concern.

This year the committee has decided to offer only one semester which will consist of two courses taught simultaneously. A course in Christian Ethics will be taught by Mr. Shoupe and I will teach a course for ministers on Preaching.

Both of these courses will be taught during the hours, 7:00 to 9:00 each Friday evening for nine weeks. Registration for the courses will be conducted October 5, First Baptist Church, North Wilkesboro.

The committee has made the following stipulation: There must be at least 12 people enrolled in each course before the course will be offered. This means that 24 people from our association and surrounding area must be registered.

The committee strongly urges that every person in the association make a special effort to promote Seminary Extension. The decision is up to you.

Respectfully Submitted,
R. F. Smith, Jr., Director.

REPORT OF THE MUSIC COMMITTEE

Since the Music Committee was not completely organized this past year the report is short. The Preacher's Quartet rendered special music in several Associational meetings and Revivals in some of the Churches. We hope the report next year will reveal a lot of work accomplished. All the places of responsibility on the Music Committee have been filled for the coming associational year. We anticipate a renewed interest in the area of Church Music through the efforts of this committee and the cooperation of the Churches.

HOSPITAL CHAPLAIN'S REPORT

The full time chaplain's program at Wilkes General Hospital has been a reality for 15 months. In this report I want to let you know the progress we have made the first year, July 1, 1961, to June 30, 1962. Shortly after the program began the commission on Chaplain's work of the hospital and the chaplain drew up a statement of policy to interpret the chaplain's work.

Some of the statements of policy will help you understand the progress we are making.

The chaplain shall be a department head of the hospital, responsible to the administrator. A commission of Wilkes General Hospital, shall serve as an advisory board. The commission shall be composed of three ministers from Wilkesboros' Ministers' Association, one member of the Medical Staff, one member of Hospital Auxiliary, to be selected by the Auxiliary, to serve for not more than three years, and shall rotate off for one year before being reappointed. The chaplain and hospital administrator shall be permanent members.

A well organized chaplain's program shall have the cooperation of many faiths, and shall seek to provide assistance in coordinating the ministry of all types of religious workers. While the chaplain seeks to provide the rights of every religious worker, he has the responsibility to protect the rights of the patients who do not want to be bothered by over zealous religious workers.

The chaplain shall give pastoral care only to patients who respond willingly to his ministry. He will aid every patient by getting in touch with the clergyman of his faith. He will work intensively with patients who are referred to him by the Medical Staff, Ministers, or other persons.

The chaplain's program shall cover the following areas of ministry: A. Ministry to patients; B. Ministry to patient's families; C. Ministry to hospital personnel; D. Ministry to students; E. Cooperation with physician and resident staff; F. Cooperation with local ministers; G. Assistance in public relations activities of the hospital.

During the first year there were 5,204 new admissions to Wilkes General Hospital. Contacts were made to 3,371, with 2,635 followup patient contacts. There were 6,006 patient contacts in the hospital, an average of 1.78 visits per patient. There were 1,405 families seen and 744 other contacts. This makes a total of 8,155 contacts the first year.

A most significant fact is that 129 patients were referred to the chaplain by doctors of the Medical Staff. This, I feel, points out the wonderful spirit of cooperation and feelings on the part of the doctors that we need to approach the patient as a healing team to treat him from all aspects as a total person, physically, spiritually, and emotionally. There were 49 patients referred by nurses, 45 referred by ministers.

There were 66 formal office counseling patients. These out-patients are primarily individuals who have had problems in spiritual or emotional realms they have been unable to cope with on their own. These individuals were seen on an average of 6.8 visits per person, or 444 hours of counseling. Ten of these were one hour only interviews. Doctors referred 40 of these, ministers referred 8, nurses referred 3, and 15 came on their own or were referred by family members. 10 were referred to psychiatry for intensive psychiatric care. Fifteen were referred to medical doctors, four were referred to their own ministers, 4 referred to legal counsel and 2 referred to the Welfare Agencies.

There were 26 religious commitments made by patients. These included, professions of faith, rededications of life.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries translate the Bible. The Bible is published without note or comment and distributed without profit. Scriptures in Braille and Talking Book records are provided for the blind.

During 1961 the Bible Society distributed over 24 million Scripture volumes in over 100 countries. Over 11 million volumes went overseas, and increase of 240% over last year. Continued enlargement of the Finger Fono, a special phonograph for Bible records has been experienced. The Finger-Fono is used in areas where people cannot read. Records are available in 40 languages. Chaplains were given 1,000,000 volumes for men in service. Distribution of Scriptures to persons of special needs increased. Cuban refugees, hurricane and flood victims, hospital patients, inmates in jails, reformatories and prisons, migrant farm workers, and many others were given Bibles.

In 1961 Southern Baptist churches gave \$164,324 to the American Bible Society. Total gifts from all churches were \$1,065,649. Every church can give at least these amounts each year: Smaller churches, \$10 to \$60; Larger churches, \$60 to \$300; City churches, \$300 up.

ANNUITY BOARD REPORT

The Annuity Board's Protection Plan is a retirement plan for ministers and denominational workers, not a savings plan. "The objectives of the Protection Plan are to provide benefits on retirement because of age or disability, and to provide annuities for widows of members."

Dues paid are credited 5 per cent to the pastor's account, 10% to church and state convention fund. When a minister retires, becomes disabled, or dies, the annuity to him or his widow is paid first from his accumulations. When the funds in his account are used up, usually in a couple of years, the remaining payments are made from the church-convention fund.

One area of concern is that last year there were 19 widows placed on annuitant rolls, while in 1962 there have been 39 widows added, an increase of more than 100%.

A waiver for penalties incurred for delayed participation will end January 1, 1963. It will be to the advantage of any pastor who is eligible but not protected to join before the waiver ends. The delayed participation affects payments for disability and widow protection.

The pastor's annuity from normal retirement at age 65 or after is paid for life based on average salary and length of participation. He will receive 1½% of salary paid dues on for each year of participation. Disability which is total and permanent prior to age 60 pays benefits the first five years of 30% of average salary, increasing 1% each year up to 40% maximum of average salary. Maximum benefits are \$900 per year. Widow benefits begin at 20% during the first year of participation up to 40% for the sixth year.

The Rev. Charlie Myers is receiving benefits from participation in the

retirement plans. Every pastor is encouraged to participate, and every church is encouraged to provide this protection by paying 10% of his salary to the Annuity Board for a retirement fund.

The following churches are listed on an IBM sheet, as having participated this year in the plans: Brushy Mountain Association, First Baptist Church, Beaver Creek, Cub Creek, Calvary, Edgewood, Fishing Creek, Goshen, Harmony, Hinshaw, Little Rock, Moravian Falls, Mt. Pleasant, Miller's Creek, Pilgrim, Purlear, Roaring River, Walnut Grove, Wilkesboro, and Welcome Home.

BAPTIST CHILDREN'S HOMES REPORT—1962

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed, for our work with children centers around those who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these, leaving 476 for whom no room was available. Provisions should be made immediately to expand greatly, our foster home program to meet the needs of these children. The best way to do this is to increase the Thanksgiving Offerings.

Increasingly, your Homes are being called upon to serve children who are emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and service. It is hoped that a step can be taken, within the year, to begin to provide on a small scale, such service at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program—33%; Once-a-Month Offering—16%

Thanksgiving Offering—30%; All Others—21%

For the first time, income to the Children's Homes thru the Co-Operative Program exceeds that of the Thanksgiving Offering. This source of income meets one-third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30% of income. We sorely need an increase of \$100,000.00 through Thanksgiving Offerings this year. This would enable us to provide a Christian home and care for an additional 125 children.

Charity and Children, our official publication, which this year celebrated its 75th anniversary, continues to grow in popularity and circulation. Each

THE NORTH CAROLINA BAPTIST FOUNDATION

The N. C. Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25, recommended to the State Convention in 1959, that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were \$245,131.32. The total assets as of June 30, 1962, were \$303,186.66. In these past 3 years our total assets have gained \$58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his gift at work.

(c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through LIFE INSURANCE. A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

BAPTIST HOSPITAL REPORT—1962

The Baptist Hospital and the Bowman Gray School of Medicine form the Medical Center for all North Carolina Baptists. The staff is the faculty of the School of Medicine and the Hospital is the teaching institution for the Medical School.

The Medical Center attracts doctors and scientists who are seeking the best opportunities for service and continued learning. Important research into cause and cure of illness and improved medical and hospital care are constantly sought.

In our home communities we have doctors, nurses, technicians, who received preparation for their careers in the schools of our Medical Center, and many of our pastors have developed special skills in ministering to the sick in the School of Pastoral Care.

By supporting the care of the needy sick at our Hospital, we share the advantages of the Medical Center with those who cannot pay for vital medical treatment and hospital care. Our Mother's Day Gifts are used entirely for them. Forty per cent of the work done is for persons who must have help, many can pay nothing at all.

Since the Hospital was established in 1923 it has operated for three purposes, to preach, to teach and to heal. Twenty-four hours a day, every day in the year, our Hospital works, preaching, teaching, and healing, and growing to meet increasing needs.

With a staff of 1,200 persons the Hospital serves for Christ. Through the Department of Pastoral Care the mission of preaching is carried throughout the state, the United States, and the world. Last year, 1961, 82,502 calls were made on patients and 5,286 counseling visits were recorded.

The ministry of teaching is carried on in accredited schools of Professional Nursing, Practical Nursing, Medical Record Library Science, Medical Technology, Cytotechnology, X-ray Technology, Anesthesia for Nurses, and Pastoral Care. The Bowman Gray School of Medicine conducts clinical studies and resident interne programs at the Hospital. Some 700 students are enrolled in the educational program.

The healing ministry of the Hospital is carried on with skill and understanding. Ninety per cent of the patients are referred by their personal physicians for medical treatment and hospital care which requires the facilities of a large medical center. The equipment includes heart-lung machines, cobalt machine for treatment of deep-seated cancer, artificial kidney, and a heart diagnostic laboratory.

Private patients who can pay full cost of medical treatment made 60,184 visits to the clinics in 1961. Service patients, who must have help with financing their care, came from 96 of North Carolina's 100 counties, making 83,296 visits.

The Hospital provided 131,144 days of care for 15,448 patients in 1961, and had served 234,198 bed patients since the first was admitted in 1923. In 1961 services were as follows: births, 1931; diagnostic X-ray films, 123,266; X-ray examinations, 41,449; X-ray therapy treatments, 6,056; Operations, 7,172; Emergency room visits, 13,709; Meals served, 957,208; Special diets, daily average, 230; Baby formulas, 13,145; Daily food service

cost, \$1,200; Prescriptions prepared, average 330; Laundry, average 8,000 pounds.

In 1961, as in former years, Baptist Hospital moved ahead, expanding facilities, strengthening its professional resources, and enriching its entire program so patients might continue to be assured of medical treatment and hospital care in keeping with the rapid and continuous advance of medical science.

BIBLICAL RECORDER REPORT

The **Biblical Recorder** is deeply indebted to North Carolina Baptists for the way in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years, yet it had little effect on the circulation of the **Recorder**.

Even though the **Recorder** will be 130 years old next year, it continues to be as fresh and up to date as the morning headlines. It is solid and dependable yet keeps an open mind to progress that will help Baptists do a better job.

Our churches need an accurate channel of information. The **Recorder** is that channel, keeping the churches in touch each week with all that Baptists are doing around the world.

The **Recorder** is also an open forum for discussion of issues of interest to all Baptists.

More than 1700 churches now have **Recorder Clubs**, but this number should be at least 2,000. The Every Family Plan costs only 4c a week per family, and more than 500 churches use this plan. The cost to provide the entire membership, with the **Recorder** is \$2.00 per family, the cost of the Club plan is \$2.50 per family.

Several churches in the association have club and family plans, but more churches need to be receiving the **Recorder**.

CHRISTIAN EDUCATION REPORT

Our seven colleges are grateful to God and the Baptists of North Carolina for divine providence and Christian concern in their behalf. All seven opened in 1961 with their largest enrollments: Campbell, 1,429; Chowan, 752; Gardner-Webb, 611; Mars Hill, 1,099; Meredith, 779; Wingate, 912; Wake Forest, 2,866; Total 8,447. Of this total, 2-3 were Baptists. About 1-8 were preparing for the ministry or some church related vocation.

During the year many physical improvements were made to the campuses: Campbell: Completed the **James A. Campbell Memorial Administration Building, Bryan Dormitory for Girls, and a Science Building.**

Chowan College: began capital fund drive for \$900,000 for library and classroom-administration building.

Gardner-Webb has completed a new science building.

Mars Hill dedicated its new auditorium and fine arts building.

Meredith has added a new **dormitory and infirmary.**

Wake Forest has moved into its new **life science building and dormitory for girls. A Humanities Classroom Building** is under construction.

Wingate has completed the **Budd E. Smith Science Building, boys dormitory** and is completing the **business administration building.**

Total plant assets exceed \$45,000,000. Total operating budget of the colleges was about \$12,000,000, of which the Cooperative Program paid 5 per cent, and students paid about 50 per cent. About \$500,000 per year has been provided by North Carolina Baptists.

Faculty salaries have been increased to attract the finest and best qualified teachers, and to meet needs of growing student bodies.

Campbell College is adding the senior year this fall, and Mars Hill the junior year. By 1964 both will be full four-year senior colleges. Wake Forest is offering graduate degrees in some fields of study.

This has been the first year of Christian Education Advance, a program under which each church is asked to increase gifts through CP by 35 per cent in 1962, '63, and '64.

About 500 churches have increased CP gifts by 35 per cent, and gifts are higher than last year. In order to meet our goals, more churches will need to increase their CP giving by 35 per cent.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of Christian faith. In addition to Christ-centered teaching, opportunities are provided daily for worship. On each campus a director of religious activities counsels with students and faculty, correlates and promotes religious activities.

The future of Christian education in America is at stake today. With increased state and federal interest in aid to higher education, more and more students are attending state institutions. Our taxes will grow correspondingly higher. These state colleges cannot perform the task of Christian education. The church must provide this. Baptists must choose to give witness to our faith, not by opposing other forces in the field of education, but by undergirding and strengthening our own institutions.

Please support your colleges by:

1. Acquainting yourself with your colleges. Visit them, read about them, invite students and faculty to your church to conduct services.

2. Encourage your finest students to attend.

3. Pray for the schools, presidents, administration, faculty, trustees, and students.

4. Increase Cooperative Program Gifts by 35% over this year.

5. Observe Christian Education Day, Father's Day in June.

FRUITLAND REPORT

Fruitland began as a high school about 1898, and was operated by the Home Mission Board and Carolina Baptists Association. The school closed about 1936 and for ten years was unused. In 1945 the Baptist State Convention bought the property. In 1946 Dr. J. C. Canipe, then pastor at Boone, was invited to begin a school for preachers who had answered the call late in life and who did not have theological training.

A three-year course of study was set up, faculty of four men secured, and classes begun October, 1946, with 46 students. In 1961-62 there were 172 men enrolled.

Courses are offered in Old Testament, New Testament, Homiletics, Biblical Interpretation, Remedial English, Church Administration, Evangelism, English, Christian Education, Missions, Rural Sociology, Theology, and Church History.

There are eight men on the faculty, some of whom are retired pastors, and others who are pastors whose churches allow them to serve a part of each week during the school term.

To date 420 men have graduated and are serving churches in North Carolina and other states. Many are serving in places of denominational leadership in the state.

In 1960, Dr. Canipe retired and the Rev. Fritz Hemphill, pastor of West Hickory Baptist Church, was elected as Director.

Fruitland needs more financial support. At this time less than \$125 per student per year comes from the Convention. Fruitland needs the prayers of all who are concerned for a trained ministry to lead our churches. Fruitland needs Friends who will rally to support the expansion of the School. The Canipe Memorial Building Fund has been established to receive contributions for the expansion of the school.

HOMES FOR AGING REPORT

Last year our Homes for the Aging opened our fourth Home, Hamilton Home, located in eastern North Carolina. This home can minister to 30 more people.

Over the past 11 years we have increased 8 times our ability to minister to aging people. In the beginning there were 20 residents, now there are 160 to whom we are giving "tender loving care." Our four Homes are: Resthaven, and Hayes Homes in Winston-Salem; Albemarle Home in Albemarle, and Hamilton Home at Hamilton.

The need for more space is urgent. There are 138 applicants on the waiting list. More funds are needed to meet this need.

The Special Day Offerings from our churches are at an all-time high. We want to thank all who have had a part in these offerings. Ninety per cent of the residents who live in our Homes are financially needy people who are sustained by the special offerings.

The plea of the elderly person, "Cast me not off in the time of old age," is one of continual challenge to every North Carolina Baptist. We must continue to meet this challenge as we move forward in this great ministry which God has committed to us.

P O A U REPORT

Precious things are never secure.

Religious liberty is among our choicest possessions and therefore shares

the insecurity of the precious.

Our forefathers fled Europe to escape the tax for religion. Now the same things threatens us, their children. The more it changes the more it is the same. The names have been changed to fool the innocent, but the principles are still the same. There is this talk of "parents' rights," of "distributive justice" of equal opportunity in education, etc. But the issue is still the tax for a religion in which we cannot believe.

It is our strong conviction that no church related institution should be underwritten all or in part by public funds. Our county was founded on the belief that all citizens could best be served by separation of church and state. That's the one thing we have left that the government influence isn't felt.

The first amendment to our constitution which guarantees our personal freedom states, "congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or the press, or the right of the people peaceable to assemble, and to petition the government for a redress of grievances."

For the last century and a half we have been lucky. Surcease in the struggle was won for us by others. Now we must face the challenge to freedom on our own. Precious things are never secure.

REPORT OF THE STEWARDSHIP AND CO-OPERATIVE PROGRAM COMMITTEE

A good friend and former professor used to say, "It does a Christian good to give money to the church if the church did nothing more than take the money out in the backyard and bury it. Because Christian growth demands giving."

We might also add that it does a church good to give beyond its own borders if nothing more were done with the money than to bury it. However, our money is not buried. It is invested in God's Kingdom around the world. Our gifts are invested in people.

Hundreds of churches across North Carolina have increased their Co-operative Program giving by 35% over what they gave last year through the Co-operative Program. On July 24, Co-operative Program giving was 11.24% ahead of the same week in 1961. This is one of the largest increases in Co-operative World Mission Program giving in the history of the convention. God is blessing our efforts a great deal in this campaign.

Only a casual glance at the associational report last year of our churches indicates that the area of Co-operative Program giving is one of the greatest areas for growth in our association. In co-operation with the leaders of our convention, we are asking that the following four things be done this coming year: (1) Will you let the people of your church vote on increasing your Co-operative Program giving by 35% over what you are giving this year? (2) Will you pray daily that God will call forth laborers unto his harvest? (3) Will you pray daily that God will lay upon the hearts of the people of your church to give more through the Co-operative Program so that more may be won to Christ and trained? (4) Will you pray

daily that the other churches of our association will increase their Co-operative Program giving?

The challenge to serious and honest stewardship of possessions is before us. As we determine what we will give to our local churches on a personal basis, let us use the same soul searching procedures on determining what our churches should give to the Co-operative Program. May we never forget that "you can give without loving but you can't love without giving."

A BRIEF HISTORY OF HINSHAW STREET BAPTIST CHURCH

A Presbytery composed of the Rev. J. C. Pruitt, Deacons C. H. Dancy, I. S. Baity, and J. W. Porter, met in the home of C. H. Dancy, March 19, 1927, and organized Hinshaw Street Missionary Baptist Church. Charter members were: Rev. J. C. Pruitt, Mrs. J. C. Pruitt, Clarence Pruitt, Ruth Pruitt, C. H. Dancy, Mrs. C. H. Dancy, Minnie Elledge, Butrice Hawkins, Ila Fairchilds, I. S. Baity, George Moore, Mrs. George Moore, W. H. Moore, Mrs. W. H. Moore, Hessie Moore, A. E. Chambers, Mrs. A. E. Chambers, Clyde Chambers, Arvil Chambers, Addie Reeves, Lee Shepherd, Howard Johnson, Mrs. Howard Johnson, H. J. Byrd, W. L. Byrd, Mrs. W. L. Byrd, J. W. Porter, Mrs. J. W. Porter, and Enoch Griffin.

This church covenant was adopted: "Having been brought by divine grace to embrace the Lord Jesus Christ, and to give ourselves holy to Him, we do now solemnly and joyfully covenant with each other to walk together in Him with brotherly love to his Glory as our common Lord. We do therefore in Him strengthen and engage that we will exercise a christian care and watchfulness over each other and faithfully warn, exhort, and admonish each other as occasions may require.

We will not forsake the assembling of ourselves together, but will uphold the public worship of God and the ordinance of His house, that we will not omit closet and family religion at home nor neglect the great duty of religiously training our children and those under our care for the services of church and the enjoyment of heaven. As we are the light of the world and salt of the earth, we will seek divine grace to enable us to deny ungodliness and every worldly lust and to walk circumspectly in the world. That we may win the souls of men, that we will cheerfully contribute of our property accordingly as God has prospered us in the maintenance of a faithful and evangelical ministry among us for the support of the poor. And to spread the gospel over the earth that we will in all conditions even till death strive to live to the glory of Him who has called us out of darkness into His marvelous light.

And may the God of Peace, who brought again from the dead our Lord Jesus Christ that great Shepherd of the sheep through the blood of the everlasting covenant make us perfect in every good work to do His will. Working in us that which is well pleasing in His sight through Jesus Christ to whom be glory forever and ever."

The following was adopted as the articles of faith: "We believe in one

true and living God, Father, Son and Holy Ghost and these 3 in 1. We believe that the scriptures of the new and old testament are the word of God and the only rule of faith and practice. We believe in the doctrine of election by grace. We believe in the doctrine of original sin and in man's impotency to recover himself from the fallen state he is in by nature by his own free will and ability. We believe that sinners are convicted, converted and regenerated by the Holy Spirit. We believe that sinners are justified in the sight of God only to the imputed righteousness of Jesus Christ. We believe that baptism and the Lord's Supper are ordinances of Jesus Christ and that true believers are only subjects of these ordinances. We believe the only mode of baptism is by immersion. We believe in the resurrection of the dead and general judgment and the joy of the righteous and the punishment of the wicked will be eternal. We believe that no minister has a right to administer the ordinances of the church except those that are regularly called by the Spirit of God and by the laying on of the hands of the Presbytery and after assembling together in earnest prayer."

After the adoption of the Covenant, articles of faith and resolutions the church appointed the following as a building committee: I. S. Baity, John Wilson, C. H. Dancy, and A. E. Chambers. After appointing the building committee, I. S. Baity and wife donated a lot on which the present building stands. The church proceeded immediately to erect a building thirty by fifty feet. This building consisted of four rooms and a sanctuary. On June 12, 1927, the church held its first service in the building.

In November, 1947, they borrowed \$10,000, added eight rooms and rest rooms to the old building and had it brick veneered, which makes a total of twelve rooms in the building. At the June meeting, 1959, the board of trustees was given permission to purchase the community store house and lot at the price of \$9,500.00 which was renovated immediately and added 14 rooms and two assembly halls for Sunday School. At the September meeting, 1959, the church voted to purchase a heating plant of the B. & R. Sheet Metal Company at the price of \$860.00, which heats all the annex.

At the November meeting, 1959, the church voted to purchase the Joe Canter property located at 224 'C' street for \$8,500.00 for a pastorium. A carport and utility room, built by some of the men of the church were added to the pastorium.

At the December 6, 1960, meeting, a planning committee was appointed to secure plans and estimates of cost for an addition to the building. The church purchased the lot on the west side of the present property.

April 25, 1962, a motion was made and carried favorably to have the planning committee secure plans for a three story educational building to be erected on the lot purchased on the west side of the church. These plans were adopted September 23, 1962.

In the late fall of 1961, the church by common consent set the date of March 1, 1962, as pay-off day on the Annex property. This goal was attained and the church became debt free on March 12, 1962.

The following have served as pastor: the Rev. J. C. Pruitt, Rev. L. B. Murray, Rev. J. E. Hayes, Rev. D. C. Clanton, Rev. W. N. Hayes, Rev. Hubert Bullis, Rev. Richard Day, Rev. W. S. Luck, Rev. Clete W. Simmons, and the Rev. Warren E. Kerr.

The following have served as church clerk: A. E. Chambers, Sherman

Shumate, J. C. Pruitt, Frank Walker, Claude Miller, A. M. Handy, C. H. Lenderman, Paul Holbrook, Gwyn Jones, Minter Cleary, Jack Pruitt, and J. D. Frazier.

Sunday School was organized immediately after the first service was held in the new building.

The following have served as Sunday School Superintendent: I. S. Baity, C. H. Dancy, Lester Gambill, Everette Elledge, Julius Brock, Harold Pardue, Gwyn W. Jones, Virgil Moore, and Talmadge Gambill.

It has made progress in the Sunday School work during the thirty-five years it has existed and has been organized into departments as follows: Nursery, Beginners, Primary, Junior, Intermediate, Young People and Adult departments and has increased from fifty to three hundred and eighteen, now enrolled in Sunday School work.

At the December meeting, 1959, the church accepted the resignation of all the deacons, and upon recommendation of the deacons, the rotating system was begun.

A BRIEF HISTORY OF MILLERS CREEK BAPTIST CHURCH

The Millers Creek Baptist Church was conceived in the hearts of the pastor, the Rev. Clate Brown, and the people of the Pleasant Home Baptist Church. A Vacation Bible School was held in the Fireman's Hall at Millers Creek, June 28 to July 4, 1958, with Mrs. Lillian K. Walker serving as principal. Workers in the school included Mrs. Clate Bumgarner, Jean Foster, Barbara Love, Rev. Clate Brown, and Martha Snyder. There were 35 enrolled and an offering of \$10.00 was given to the Cooperative Program.

On September 21, 1958, a census was directed by the Rev. John R. Wright, Associational Missionary, and the Rev. Clate Brown, with seven others helping, and 169 prospects were discovered.

The Pleasant Home Baptist Church voted to sponsor the mission at Millers Creek.

The Fireman's Hall was rented for \$5.00 per week, Mr. Wrenn Minton was elected Sunday School Superintendent, and on October 5, 1958, the first Sunday School was held with 21 present. Free Sunday School literature for the first quarter and 25 Baptist Hymnals were given by the Baptist Sunday School Board, for the new mission, one of 30,000.

The first worship service was conducted February 8, 1959, with the Rev. John R. Wright, Associational Missionary, preaching on the subject, "Christ is the Answer." Following this, the Rev. Clate Brown preached every other Sunday morning at the mission. There were 37 professions of faith during the year.

Brother Brown held two revivals in 1959, one in May and the other in November. During the second meeting the mission presented a letter to the sponsoring church requesting it be organized as a Missionary Baptist Church. The Pleasant Home Church voted to proceed with the service of constitution.

A Service of Constitution was held December 6, 1959, in the Fireman's Hall. A Presbytery composed of the Revs. Clate Brown, A. W. Eller, Clyde Church, Hunter Church, J. C. McQueen, Jr., J. Glenn Huffman, Buddy Mathis, Howard Laney, Harvey White, John R. Wright, Deacons Arthur Bumgarner and Charles Bishop. Brother Wright was elected moderator, Grace Nichols served as clerk, and the mission was constituted into the Millers Creek Baptist Church. Charter membership was to remain open until March 6, 1960.

The following joined as charter members: Deacon and Mrs. Clate Bumgarner, Mr. and Mrs. Clay Church, Miss Martha Snyder, Mr. and Mrs. Quincy Reavis, Miss Brenda Reavis, Mrs. Mable Cockerham, Mrs. Lois Staley from Pleasant Home; Mr. Bryant Church, Mr. Hadley Church, Miss Vetra Church, and Mrs. Stella Miller from Lewis Fork; Mr. and Mrs. Guy Sheets from Union; Mrs. Esther N. Elledge from Purllear; Deacon and Mrs. James Spicer, and Miss Sarah Spicer from North Wilkesboro 1st; Mr. Grady Miller from Stony Fork. In January, Deacon and Mrs. Virgil M. Church joined from Lewis Fork; Miss Betty Mikeal from Yellow Hill; Miss Belva Bumgarner from Mt. Pleasant; and Miss Mary Bumgarner from Moravian Falls. Total Charter Membership number, 26.

The Rev. Clate Brown was elected interim pastor; Mr. James Spicer, Sunday School Superintendent; Mr. Hadley Church, Church Clerk.

The church ordained Guy Sheets and Hadley Church as Deacons in March 1960, and adopted a rotating system with five deacons. Mr. Clate Bumgarner was elected chairman of deacons, and Mr. V. M. Church and Mr. James Spicer were elected to serve.

The following articles of faith were adopted: "We believe in one, only true and living God, and there are three persons in the God Head, the Father, Son and Holy Ghost, these three are one. We believe the Old and New Testaments are the Word of God, and the only rule of faith and practice. We believe in the impotency of man to deliver himself from his present fallen state. We believe that salvation is by grace through faith in our Lord Jesus Christ. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus Christ and should be practiced by all

true believers. We believe Baptism is the immersion of a believer in water by a qualified administrator. We believe in the final perseverance of the saints in grace and glory. We believe that happiness of the righteous and the judgment of the wicked will both be eternal. We believe in the resurrection of the dead and a general judgment."

The church voted March 19, 1960, to purchase a 200 by 300 ft lot on Highway 16 adjoining Millers Creek Fireman's Hall, from C. C. Faw for \$8,000. Mr. Faw donated \$1,000 on the lot. The Baptist State Convention contributed \$3,000 toward the purchase.

The Rev. Dean Dillard was called as the first full time pastor, June 26, 1960, to begin serving September 1, and he is still serving as pastor.

In September, 1960, a building committee was appointed: Clate Bumgarner, Chairman; Virgil M. Church, Guy Sheets, James Spicer, Jene Bumgarner, Mrs. Lucille Church, Miss Betty Mikeal and Quincy Reavis.

In February, 1961, upon recommendation from the building committee, plans drawn by the Church Architecture Department, Nashville, were accepted.

In April, 1961, T. H. Settle Construction Company was awarded a contract for the building at a cost of \$37,000. The Trustees, Clate Bumgarner, Clay Church and Jim Miller were authorized to borrow \$30,000 from the Bank of North Wilkesboro.

Ground breaking ceremonies were held May 7, 1961, with church leaders, the moderator and missionary taking part.

Construction was started June 1, 1961, and the building was finished February 1, 1962, at a total cost of \$54,184.16, including some furnishings.

The Sunday School has grown from 21 to 158 under the leadership of Jim Spicer, who has been Superintendent since the church was constituted.

The Training Union was begun April 3, 1960, with free literature for the first Quarter from the Baptist Sunday School Board. Mrs. Clate Bumgarner was elected as Director and served until September 1962 when Clate Bumgarner was elected to serve. There are 80 enrolled.

Vacation Bible Schools have been held every year. In 1962 there were 117 enrolled in a Standard School.

The Church has had a Sunbeam Band, and Girl's Auxiliary since it began. Woman's Missionary Society was organized in September, 1960 with Mrs. Rena Spicer as president. Mrs. Barbara Day was elected president in 1961, and Mrs. Clate Bumgarner in 1962.

In September 1961, a new piano was purchased for \$400. Music is provided in the auditorium on organ and piano.

First services were held in the new building January 31, 1962, with Prayer Meeting, and February 4, Sunday School with 153 present, and Training Union with 71 present. First Baptismal service in the new baptistery was held March 11 with 11 baptized.

Your missionary is grateful for the support of the program by our pastors and church leaders. Without the cooperation of you wonderful people there would be little to report.

My wife and I want to thank you most sincerely for the wonderful way in which you came to our aid in prayer, sympathy and financial support, when she was hospitalized for surgery. Your spirit of Christian concern, of genuine interest and sacrifice was marvelous. Thank you all for all you have

done for us. Our Christmas was made more blessed because of your love.

Again I want to thank our associational officers for their work. Many have gone the second mile in effort and expense to fulfil their tasks.

We are grateful for the increasing interest of our churches for full time work. We now have 11 churches with full time preaching, and five others have preaching every Sunday morning. We want to encourage more of our churches to take this forward step, with full time preaching, pastor living on the field, receiving an adequate salary.

Respectfully submitted,

John R. Wright

The above report is made in some detail in order to present the scope and extent of the work of your missionary. It is my desire to serve the churches of the Association to the best of my ability. Will you pray with

me that God's Will may be done in my life, and in the work that we are doing together.

It has been a rewarding experience to labor in a work of love in the churches, to see progress being made in much of the work, and to know that there is a growing concern and compassion for the lost and unchurched. We now have eight missions. There are now 14 churches with preaching every Sunday morning and night, and three others have preaching every Sunday morning.

Your Missionary has worked closely with the pastors, Associational Officers, Church Officers, and Committees in promoting, planning, and conducting the regular and special meetings of the Association. Some of these events were the Annual Associational Meeting, Associational Church Officers and Committees Clinic; Wilkesboros Ministers Family Life Conference; M Night; Central Training School; Weeks of Prayer for Foreign, Home, State and Associational Missions; Special Offerings for Children's Homes, Homes for Aging, Hospital, Christian Education; Action Night; Family Nights; Evangelism Clinic; Stewardship Clinic; Schools of Missions; Youth Week and Youth Night; Long Range Program of Spiritual Advance; Vacation Bible Schools; Church Building Plans; Pastor's Prayer Meetings; Summer Assemblies; Conventions; Seminary Extension; Church Development; Fruitland; Colleges; Seminaries; Camp CaRAway and the regular organizational meetings of the associational organizations.

I believe in our denominational program. I feel that many of our churches are missing great spiritual blessings and benefits because they have not adopted more of the program of our denomination. I do not mean that every church could, or should try to do everything that is promoted every year. Each church, after much prayer, must decide what is best and most useful for that church under the leadership of God's Holy Spirit. I do mean, and I believe that more of our churches should begin witnessing to their church members through the Training Union, Brotherhood, Woman's Missionary Union, Royal Ambassador's, Sunbeam Bands, Girl's Auxiliaries, Young Woman's Auxiliaries, and Church Music Ministries. I believe we can do better work in our Sunday Schools if more churches will begin departmentalizing the Sunday School organizations, using the six point record system, and taking part in Associational, State and Southside training opportunities.

As we look forward to the new year, let us enter into this work with determination to follow God's leadership, to pray for one another, to support the work of our association in our churches with attendance, talents and gifts. Let me encourage each church to vote to enter into the great Jubilee year with a Church Community Survey, Simultaneous Revivals, Sunday School Pastor Led Enlargement Campaign, and to support our Associational, State, Home and Foreign Missions Programs.

It is wonderful to be living in a debt-free home! Your missionary and his family are grateful for your openheartedness and willingness to give that the debt might be paid this year. Our note burning is a testimony to your love and devotion to God and our Association! Let me commend you for a job well done, and thank you for your cooperative efforts which have made it possible.

Let us begin immediately to plan for a much needed office for the as-

sociation. I will work with, or without an office, to the best of my ability. However, I believe my services would be more valuable to you if an office were available.

It is my desire to serve you in fulfilling my responsibilities to God, and to the Association. God has called me into this work. My services are offered to any individual or church. When no request has been made for a particular day I have been visiting in the churches, seeking to divide my time among the churches. If you have a need, or desire my service in any way, please call upon me, or come by the parsonage to see me.

Your friend in Christ,

John R. Wright.

LONG RANGE PROGRAM OF SPIRITUAL ADVANCE

Churches need a sense of mission and a co-ordinated program of growth and development. They are faced with problems of repetition and frustration which can be solved only by focusing every phase of the church program on the basic objectives of reaching the lost and assisting individuals toward Spiritual maturity as Christians.

Being aware of some of the problems of pastors and congregations in their efforts to achieve co-ordination and direction, the Baptist State Convention staff has developed a Long Range Program of Spiritual Advance designed to assist church leaders and strengthen local churches by making available to them all programs and personnel of the Convention in a planned, co-ordinated sequence of activities pointed toward definite spiritual goals. To derive maximum benefit from this program it is necessary for as many churches as possible to participate in the cooperative effort.

The plan provides a schedule by which every program offered by the denomination to the churches may be available to each church over a period of four years. This will assure every association and church equal opportunity to secure the services of all divisions of the Convention. It offers a well-balanced program of spiritual advance to every church in North Carolina.

It will help to establish new churches and missions, to strengthen the churches and enlist and train members for service, and to win more lost men to Christ.

It will strengthen ties of co-operation and fellowship within our great Christian denomination.

The Brushy Mountain Association has approved participation in the Long Range Program. Each church is urged to participate in the efforts which will be offered during the four years beginning in 1964.

Dates which have already been scheduled and approved are:

February 21-28, 1964, Church Community Survey.

March 29-April 12, 1964, Baptist Jubilee Revivals.

September 21-25, 1964, Pastor Led Sunday School Enlargement Campaign.

February, 1965, Associational Sunday School Witnessing Campaign.

October 17-22, 1965, Training Union Enlargement Campaign.

Respectfully submitted,

Ernest C. Upchurch.

ASSOCIATIONAL EVANGELISM REPORT, 1963

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

By baptisms, 267; by letter, 198; total, 465.

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

CHRISTIAN EDUCATION REPORT THE DEPARTMENT OF STUDENT WORK

I. Objective

The objective of this ministry is to assist each person in becoming a mature Christian who is committed to God in faith, who nurtures his faith in the Church, and who manifests the Christian life in all his attitudes and actions. Involvement in a local church, and growth into a faithful, qualified member of the Christian community is the aim.

II. Program

The ministry for Baptist students includes programs of worship, study, service, and fellowship. These are planned and employed in a way which will promote growth as a Christian. Some examples of how students have grown in this ministry follow.

A group of students who were discussing topics under the heading "Crucial Concerns," became intensely aware of un-Christian attitudes in the area of race and evolved toward better Christian attitudes and practices regarding all human beings.

In the program with student nurses, a student said that after hearing a missionary nurse speak and show slides of the work she became really interested in missions for the first time. Another student nurse says she is going to the Seminary next year and will consider seriously the call to medical missions. She has been active in the Baptist student program at a Baptist college and during Nurse's Training.

Other students have indicated they are committed to living the Christian faith and witness in their professions and on their jobs.

The other side of the story is evident also. There are students who have not become active in the Baptist Student Union and others who seem to take a four-year vacation from all church activities. The Department of Student Work is very concerned about these also. Appropriate ways and programs are always being sought in an effort to reach and to witness to all students. This is a challenging task and in some ways a difficult task. All of the Student Department personnel are well aware of this and ask for the prayerful concern of all.

III. Activities

In addition to the program on the campuses, there are activities at the state level. The Baptist Student Union Convention will meet in Greensboro,

November 1-3, 1963, with the theme "Freedom Through Bondage." The International Student Conference in Williamsburg, Virginia, at Thanksgiving gives another opportunity to witness to students from other countries. Student Night at Christmas provides an opportunity for students to relate what it means to be a college student today and to relate what religious activities are provided by the denomination. The Spring Leadership Training Conference provides inspiration, information, and techniques on how to perform in the student program as an officer with a special task on campus. The student mission program (LISTEN) seeks to stretch the mind and imagination in active concern for the people of the world, ministering both to the physical and spiritual needs of people. This summer two students have gone to South America to work in Baptist church activities. Another has gone to Mexico and two went to Africa to participate in construction work on projects needed in communities there. Eight young people, under the direction of the Department of Student Work, comprise two Youth Evangelism Teams which are working with young people in the churches of North Carolina this year.

Conclusion

The complete story cannot be told in the facts and figures of programs and activities. The real story is evident in the lives of students who have grown and continue to grow as maturing Christians. Personnel in the ministry to Baptist students continue to meet the opportunities for service and attempt to face the responsibilities in the name of Christ. We attempt to provide adequate response through programs and what buildings we have so that we can meet the call to discipleship when the students say, "Help us to grow in the knowledge of God's redemption and in the call to Christian response in our daily lives on campus." We ask that you pray that God may guide all of us—church member, pastor, associational worker, student worker—to do a better work with our 26,000 Baptist students in Christ's name in North Carolina.

Respectfully submitted,
Rev. Paul Shoupe.

REPORT OF SEMINARY EXTENSION CENTER

Only a casual glance at the record for Seminary Extension last year indicates that we do not have anything to brag about! Last year we offered two courses, "Christian Ethics" and "Preaching", but found that enrollment justified only one course—"Christian Ethics."

Rev. Paul Shoupe taught the course in Christian Ethics. We began with fourteen enrolled but finished with only eight students.

While our committee is somewhat disappointed with last year's report, we are nonetheless optimistic about the coming year. We are making every effort to support our Center through the pastors of our churches.

In order to show our faith in the people of our Association, we are offering three courses this year.

1. Old Testament Survey which will be taught by the Rev. John Wright.
2. New Testament Survey which will be taught by the Rev. Clarence Eden.

3. Ephesians which will be taught by the Rev. Paul Shoupe.

We are enthusiastic about this year's work. Pre-enrollment blanks are being sent to each church with the hope and prayer that they will be well received and responded to affirmatively.

We believe that this type of study is needed and wanted in our Association. Therefore, we are asking every person in our Association to make a special effort to enroll in these courses.

All three courses will be offered simultaneously. They will be conducted at First Baptist Church on Tuesday evenings beginning November 5 from 7:30 to 9:00.

We urge all persons interested in learning God's Word to enroll in these courses. Pastors are especially urged to enroll in Ephesians since our January Bible Study will be based on Ephesians.

My minister-grandfather gave me his personal Bible which he had studied for many years. He wrote a long letter of presentation and in that letter he said, "I never knew a useful Christian that was not a student of the Bible!"

I lay this matter of Bible Study in our Seminary Extension Center on your hearts and remind you that its future is in your hands.

Respectfully submitted,
R. F. Smith, Jr., Director.

BRUSHY MOUNTAIN BAPTIST PASTOR'S CONFERENCE

The Pastor's Conference membership is "Composed of pastors of churches in the Brushy Mountain Association and other licensed and ordained Baptist ministers, resident in the area of the Brushy Mountain Association."

The purpose of this Conference is to improve moral and spiritual life in the area served by the Brushy Mountain Association; to promote good fellowship and cooperation among the pastors and churches; and to promote in general the objects and interests of the Association, Baptist State Convention, and the Southern Baptist Convention.

Regular meetings are held the first Monday of each month at 10:30 a. m., at the Wilkesboro Baptist Church.

Activities for the year include discussion of the Christian work as planned in the churches, association, and convention, and various other special features. All pastors are urged to attend this conference.

Respectfully submitted,
Wade Miller, President.
Earl Webb, Secretary-Treasurer.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

An Associational Sunday School Executive Committee Meeting for training and to plan for the Central Training School was held in October. The big event of the year in Sunday School work for the Association was the Central Training School, held at the Wilkesboro Baptist Church. There were 206 enrolled from 22 churches, average attendance was 162, and 111 earned awards. There were eight Sunday School Superintendents enrolled

and 11 pastors enrolled. Seventeen classes were offered. Dr. Herman H. Ihley, State Sunday School Secretary, was in charge, assisted by the Associational Superintendent, the Rev. Gerald K. Riggs. Others on the faculty were the Rev. Richard Smith, Associate in the State Sunday School; Mrs. Myra Motley, Associate in the State Sunday School; Mrs. E. L. Spivey, Approved Primary Worker; Mrs. O. J. Hagler, Approved Beginner Worker; Mrs. E. W. Holmes, Approved Junior Worker; Mrs. B. J. McIver, Approved Nursery Worker; Mrs. Herman H. Ihley, Approved Cradle Roll Worker; Mrs. C. R. Hinton, Approved Extension Worker; Jimmie Mize, North Wilkesboro Music Minister; Mrs. Mildred Morgan, Wilkesboro; Mrs. Mildred Church, Fishing Creek; Mrs. Ann Boston, North Wilkesboro; the Rev. Earl Webb, Wilkesboro, assistant pastor; Hadley Church, Millers Creek; Miss Opal Miller, Fishing Creek; Miss Dorothy Blackburn, Wilkesboro; Miss Lennie Smithey, Wilkesboro; and Mrs. Doris Riggs, Little Rock.

Action Night was held at the Liberty Grove Baptist Church, with the theme "Outreach for the Unreached—Spearhead for Evangelism." Mrs. Ralph Taylor played the piano, with Jimmie Mize leading the singing. He also sang a solo. The Rev. Paul Shoupe, host pastor, led in the devotion. The Rev. John R. Wright, Missionary, presented the goals, events for the new year, introduced officers, who were elected, and led in a prayer of dedication for the officers. The Rev. Earl Webb showed a filmstrip. Speaker for the event was the Rev. Clifton Tuttle, pastor of Little Rock Baptist Church, who spoke on the theme. There were 126 present from 18 churches, and the attendance banner was won by Liberty Grove with the highest percentage of enrolment present.

During the year the association lost a very capable and sincere Superintendent when the Rev. Gerald Riggs was called to pastor a church in Dunn, North Carolina. In his successor, the Rev. Fred S. Miller, we have a dedicated and consecrated leader to carry on the work.

The major events for the year in Sunday School work include a Vacation Bible School Clinic, April 27-28; Action Night, September 7; Sunday School Enlargement Campaign, September 21-25, 1964. You are encouraged to participate in the regular meetings of the Associational Sunday School organization.

Goals for the year include a goal of 39 churches in the Pastor-Led Enlargement Campaign, 250 at Action Night, 10% enrolment increase, 15 new departments, 50 new classes, 400 training awards in category 17, 39 churches earning awards, 25 churches observing Bible Study Week, 39 churches in VBS, 7 mission VBS, new Sunday Schools, 4; Extension Bible Classes added 10; Churches observing Harvest Day 39.

Respectfully submitted,
Rev. John R. Wright.
Rev. Fred S. Miller.

VACATION BIBLE SCHOOL REPORT

It has been a great joy to serve as Vacation Bible School Superintendent during this year. There is no more rewarding experience than to work with children. Their smiles of appreciation and approval can fill your heart to overflowing.

I give special thanks and express my appreciation to all the volunteer workers and teachers who gave so much time and effort to assure the success of many Vacation Bible Schools.

If you have never worked in Vacation Bible School let me urge you, plan now to begin in 1964. When you have taught some child about Jesus, and he walks down the aisle and gives his life to Him, you will know that every effort was worth while.

Please remember to pray more and work harder in '64, that more children might learn about Jesus and give their lives to Him.

Respectfully submitted,

Eugene Lawing.

TRAINING UNION REPORT

In terms of numbers we may not have gained much ground in Training Union Work in our association, but we know that a lot of good training union work has been done and many people are better servants of Christ because of Training Unions in our churches during the past year.

One new Training Union was started at Goshen church, but some others have discontinued their meetings, we trust temporarily, so to the best of our knowledge at the present time we have Training Unions in 23 of our churches with the total enrolment about the same as last year. This would be approximately 1500.

Except for August Officers and Leaders meeting, all meetings were held as scheduled. We feel the Executive Committee meetings were more meaningful this year, as the Training Union Directors were invited and many of them attended. This was helpful, not only in making plans, but in getting the plans back to the churches. This plan will be continued for next year.

Largest attendance of the year was at M night in December with 556 present. Another of our best meetings was Youth Night led by John David McGee and Larry Elliott of Mars Hill College. Attendance was 112 from 9 churches.

We had 2 participants in Associational Adult Bible Reading Tournament, and one in Regional. In Junior Memory Work Tournament we had 6 winners in Association and Region and the 5 who went to State Tournament were winners there.

Banners for largest attendance went to Pleasant Home three times and to Purlear once. The largest percentage banner went to Moravian Falls twice, Pleasant Home twice and Purlear once. Millers Creek Young People kept efficiency banner all the year.

Respectfully submitted,

Lunda Hendren, Director.

ASSOCIATIONAL BROTHERHOOD REPORT

There were two Family Night programs, sponsored jointly by the Associational WMU and Brotherhood during the year. The Wilkesboro Baptist Church was host to a covered dish supper at which Dr. Lin Fincannon, State Brotherhood World Missions Leader, from Elkin, spoke in a devo-

tional message, and then spoke to the men of the Brotherhood. The North Wilkesboro First Baptist Church was host to the other meeting at which about 225 people were present. The Liberty Grove Baptist Church men prepared barbecued chicken donated by Mr. Tam Hutchinson, the First Baptist men prepared a fish fry, and the women of the WMU brought the other items on the menu. Dr. Robert Culler, State Stewardship Leader, from High Point, delivered the message to the men. Sixteen men from the Association attended the Region 7 Brotherhood Convention at College Avenue Baptist Church, Lenoir.

There is a challenge to the men of our churches in Brotherhood work. There are only six active Brotherhoods in 39 churches. We encourage more churches to study the excellent materials provided by the Brotherhood Commission and vote to begin a Church Brotherhood.

Respectfully submitted,
John R. Wright
for Donald Berrong.

ASSOCIATIONAL MUSIC MINISTRY REPORT

No one will deny the importance that music plays in every service of worship. It is a vital phase of the services that must not be relegated to second place. It is most important that the singing both of choirs and congregation be of the calibre that would enhance the meaning of the service and draw each individual closer to God. Because many have been drawn closer to God and because many have been brought to salvation through the influence of music, we should exhaust every effort to educate our people in the ministry of music. Music is used in all organizational life of our church. It is a dynamic force in the Christian faith. As such it has become a true ministry. The primary object of the Associational Music Ministry is to help churches to better train their leadership and to inspire congregations to greater singing.

During the past year your music committee has tried to offer a program that would help each church grow. Your committee has met regularly during the year to try to have well planned programs beneficial to those who have attended. Four quarterly meetings have been held with an average attendance of over 100 at the last three. An officers clinic, Carol sing, Hymn service, and combined program with the Training Union Department were held. In May a Choir Clinic was held. Attendance averaged about 30 with several earning awards in the Church Training Course.

I wish to express sincere appreciation to those officers who have worked so diligently during the past year. We hope that more churches will take advantage of the opportunities which will be given to you during the coming year to strengthen the Music Ministry in each of our local churches.

Respectfully submitted,
Jimmie Mize, Music Director.

REPORT OF WOMAN'S MISSIONARY UNION 1962 - 1963

Woman's Missionary Union has just celebrated its 75th anniversary. WMU was born out of sympathetic hearts who yearned to help women in

heathen and pagan lands. WMU was born "in conscious weakness . . . and in utter ignorance of its wondrous possibilities for the future."

We cherish our great and sacred heritage and pledge, by God's grace, to bequeath it to succeeding generations through the women and young people in our organizations.

Many special events were planned to celebrate this 75th anniversary. Our Associational WMU Executive Board had a Prayer Retreat, praying that our lives might be more dedicated, and praying for our Associational WMU, State and World Missions program.

On Sunday afternoon, November 18, 1962, the Associational WMU Executive Board presented a program based upon the 75th anniversary goals. The women on the program dressed in costumes of 1888.

On January 21-22, a WMU Training Course was held, with good attendance. Accreditation awards were received as follows: General WMU Course, 85; G. A.'s, 27; YWA's, 5; Sunbeam, 7.

Associational Family Night was held May 27 at Wilkesboro Baptist Church. Individual conferences were conducted for youth organizations and committees. Another Family Night was held, August 26, at First Baptist Church, North Wilkesboro, with 225 present. Mrs. Charles James, Director of Friendship House, Winston-Salem, spoke.

Almost all Societies contributed to the various offerings, Lottie Moon Christmas Offering for Foreign Missions, Annie Armstrong Offering for Home Missions, and State Mission Offering. These offerings should be "over and above" our tithes to our Church.

Millers Creek Baptist Church was host to our Annual Associational WMU Meeting, April 8th. Our theme was "We've a Story to Tell." Guest speaker was the Rev. Bob Gray, Southern Baptist Missionary to Eku, Nigeria.

Our Associational WMU had representatives at the Annual State Meeting, Charlotte; GA 50th Anniversary Convention, Memphis, Tenn.; World Missions Week, Southport; G. A. Camps, Fruitland; WMU Conference, Ridgecrest; State Workshop for Associational WMU Officers and leaders, Fruitland.

Although we did not have a WMU to achieve Honor rating this year, we did have two Honor GA's, Millers Creek and North Wilkesboro First Baptist. We are grateful for these girls and their leaders. Much work was done in order to achieve this goal.

Youth Organizations have increased in the churches having WMU organizations. One new WMU Society was started. We are grateful for this increase, but there are many, many women and young people who have not been reached to serve Christ in this great mission task which is every Christian's job. Let us approach 1964 ready to demonstrate to the world what a dedicated group of women can do to make the Great Commission real in the lives of people everywhere.

We, the Associational Officers, of the Woman's Missionary Union, conscious of the challenge that is ours, would like to offer our services to you in any way that would further the cause of Christian Missions.

Respectfully submitted,
Mrs. Clint Foster,
for Mrs. John R. Wright.

STEWARDSHIP AND COOPERATIVE PROGRAM COMMITTEE REPORT

The Cooperative Program is the love of God in action thru a missions, educational and social service ministry. It is the hands of Christ, thru you, at work healing the sick, feeding, clothing, and providing shelter for a homeless child or an older person.

Thru the Cooperative Program you, for Christ's sake, provide Christian education in your schools for young people, pay salaries of missionaries at home and abroad. You are witnessing to a lost world, baptizing those won to Christ and teaching them to do all things Christ commanded thru new churches and missions around the world.

How do you do this work? You carry out this work as you place God's tithe and your offerings in the treasury of your church. Your church decided how many cents of each collection plate dollar goes thru the Cooperative Program.

The treasurer of your church sends your contribution to the Baptist State Convention, P. O. Box 9523, Raleigh, N. C., and there it is divided between State and Southern Convention causes according to your vote in session of the Baptist State Convention of North Carolina.

Gifts for state causes are distributed on basis of the budget adopted by you and others voting in the State Convention each year.

Gifts for Southern Baptist causes are sent to the Executive Committee in Nashville, Tenn., and distributed to the various causes on the basis of the budget adopted by you and others voting in the annual meeting of the Southern Baptist Convention each year.

So you, and every other member of your church have a part in every mission, educational, and social ministry of our denomination when your church gives thru the Co-operative Program.

How much should you give? You worship with tithes and offerings each Lord's day as led by an enlightened conscience and the Spirit of God.

Your church is urged to adopt a budget each year, and to share thru the Co-operative Program on the basis of a definite percentage, or definite number of cents out of each dollar the church receives.

In planning new budgets each year, each church is encouraged to increase the percentage of total budget allocated for world missions thru the Cooperative Program by at least two percentage points until as much is given for world missions as for local ministries.

Stewardship of life is evidenced when we give of our time, talents and money in supporting our church and denomination. We need to dedicate our lives to the service of our Lord Jesus Christ, and to work diligently to fulfill the commandments of our Lord, as revealed in the Scriptures.

Respectfully submitted,

John R. Wright.

COMMITTEE ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

In order to carry out more effectively the purposes of the Social Service and Civic Righteousness as established in the Constitution and By-Laws of the Brushy Mountain Baptist Association, we the committee make the fol-

lowing recommendations:

1. We recommend that the individual churches appoint or elect a Committee of Social Service and Civic Righteousness to serve within the local church community as outlined in the tract, "CHRISTIAN LIFE COMMISSION."
2. We recommend that any matter occurring within the local church community requiring further attention be referred to the Assoc. Committee for study and action if necessary.
3. We recommend that the local churches make available through purchasing and distribution of tracts from the Christian Life Commission to their church families to keep them informed.
4. We recommend to the churches that the church committee of SSCR study and recommend action regarding marriage and the family, crime and juvenile delinquency, industrial relations, race relations, Christian citizenship and such other moral issues as should be met by the Christian conscience.
5. We recommend that the SSCR committees of all churches meet with the Associational SSCR Committee semi-annually.

Respectfully submitted,
Mrs. Hal Hawkins, Chm.
Mrs. G. Warner Miller.
Mr. Hadley Church.

LIBRARY REPORT

The minutes of the executive committee, September 29, 1961, record the fact that Mr. J. E. Spainhour has from time to time donated books to the Brushy Mountain Baptist Association, and that there are about 100 books in the associational library at the parsonage.

At the January 5th meeting in 1962 it was decided that a committee be appointed to be in charge of the library, and that it proceed to find a librarian.

April 1st, 1962, the Rev. Earl Webb was named as Librarian Committee Chairman. It was considered that the library would be moved to the Wilkesboro Baptist Church.

Mrs. C. G. Glass, Jr., is Council Librarian of the Association.

Respectfully submitted,
Rev. Earl Webb.

BIBLICAL RECORDER REPORT

The Biblical Recorder has been serving the Baptist people of North Carolina since 1833. When the North Carolina Baptist State Convention was organized in 1830, its main purpose, according to the Constitution, was "the promotion of missions, education, social service, and the distribution of sound religious literature." Shortly afterward, in 1833, the Biblical Recorder was founded, and has been going into the homes of North Carolina Baptists for more than a century. It has a noble heritage to preserve, and a high mission to fulfill.

The Lord has blessed Baptist work in North Carolina in marvelous

ways. The total purpose, and scope of work is inspiring and offers great opportunities. How can Baptists hope to keep informed and inspired to do their best in this panorama of Christian activity all over the State unless they take and read their State Baptist paper?

Baptist democracy has long depended on informed, enlightened people for progress. Informed people must read. They must know what fellow-Baptists are doing, in missions, evangelism, education, Bible teaching, Christian training and benevolence. The **Biblical Recorder** can supply a source of information for all Baptists in the State.

Your church is urged to subscribe for the **Biblical Recorder** for every member, or family. The Every-Family Plan puts the Recorder into the home of every family every week for only \$2.00 per family per year.

The Club Plan, in which four members from the same church agree to subscribe only costs \$2.50 per subscription per year.

Individual subscriptions may be secured for \$3.00 per year.

Take and read your State Baptist Paper the **Biblical Recorder**.

Respectfully submitted,
Richard Byrd.

BAPTIST CHILDREN'S HOMES REPORT

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanks-giving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in co-operation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.

2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparations possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of Charity and Children can be enjoyed each week during the year for only sixty cents. See that your Church receives it.

Respectfully submitted,
J. G. Cardwell.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes—the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home, at Albemarle, and the Hamilton Home at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents and the halls have been ringing with laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great state, and it is a heartbreaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contribu-

tions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or \$7.92 out of each \$1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,
W. H. Caldwell

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The \$176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the

Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
Vaughn Brown

HOSPITAL CHAPLAIN'S REPORT

The past year for Wilkes General Hospital and the Chaplain's Program of the hospital has been a very good year.

A new member on the Chaplain's staff began work during the past year. Mrs. Betty Greene has been employed as an Administrative Assistant to Chaplain Boston. Mrs. Greene has been an asset to the Chaplain and his work and also an asset to the Pastors of Wilkes County. She is securing the information on the church affiliation of each patient admitted to Wilkes General Hospital and has been notifying each pastor of this admission as soon as possible.

The ministry to hospital patients has grown over the past year. The Chaplain is trying to see each patient at least once during their stay in the hospital. However, this is not always possible, since there are many patients who personally desire his ministry or who have been referred to the Chaplain by the doctor. The ministry to these individuals is very time consuming and is really considered the intensive ministry of the Chaplain to patients.

The out-patient counseling ministry has also increased. Since January 1, 1963, there have been 82 new patients seen by the Chaplain and a total of 1,000 hours of counseling since the first of the year.

Religious services are held each Sunday morning for patients, their families, and the personnel of the hospital. These services have had an average attendance of fifteen patients per Sunday.

Respectfully submitted,
G. Jack Boston, Chaplain
Wilkes General Hospital

REPORT OF THE NORTH CAROLINA BAPTIST FOUNDATION

The Baptist Foundation of North Carolina serves individual in will preparation, in estate planning, and in executing trusts. The Foundation assists people like you in contributing endowment and capital funds to every Baptist cause. Such funds are invested and the income paid regularly to any agency or institution of the State Convention or Southern Baptist Convention in keeping with the desire of the donor.

The Foundation serves your church by furnishing speakers. Staff members from the Foundation are available for pulpit supply, and to speak on other occasions. Assistance is also offered to churches to help in investing funds, safeguarding funds and managing trust funds.

The Foundation serves the denomination by supporting its agencies

and institutions. It exists not for itself, but solely, unselfishly, and impartially for the support of all Baptist causes.

The purpose of the Foundation is to encourage and assist persons desiring to make a bequest or a gift of any kind to a Baptist agency or institution. It serves these agencies and institutions by accepting gifts, trusts and properties, in trust for their benefit and is pledged to invest, administer and protect all gifts in accordance with the desires of the donors. The Foundation offers opportunity for persons to give real estate, bonds, stocks, insurance policies, memorial funds, cash, or bequests through wills for the benefit of every phase of Baptist work.

Mr. C. Gordon Maddrey is the Executive Secretary of the Baptist Foundation of North Carolina.

ANNUITY BOARD REPORT

We feel a deep need for an added emphasis on the work of the Annuity Board, and it is our hope that the following information may inspire more church officials whose pastor is not in the Protection Plan to do some serious thinking about seeing to it that he gets in.

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death.

If the member dies a natural death before age 40, the benefit provides a cash settlement to the member's widow or estate equal to the average salary on which dues were paid. If he dies because of an accident, the cash settlement will be double the average salary.

There is no added cost for this special death benefit, which is in addition to the regular retirement, widow and disability benefits of the Protection Plan.

The benefit is easy to figure. Suppose a member dies at age 32 of natural causes, and the average salary on which he had paid dues in the Protection Plan was \$3,550. His widow or estate would get a cash settlement of \$3,550, plus the regular widow benefits. If he is killed accidentally, his widow or estate would receive twice this amount, \$7,100, plus regular widow benefits.

More than \$41 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits totaled more than \$3 million, and were paid to more than 4,500 ministers and denominational workers or their families, who were members of a retirement plan, and to approximately 750 on the relief rolls.

As of April 1, 1963, there were 15,964, or 49% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program for their pastors. Out of a total of 212 educational institutions, hospitals, children's homes and homes for the aged, 121 are enrolled in an Annuity Board retirement plan with their employees. Total membership in all the Board's retirement plans is approximately 25,000.

The record shows the following churches in our Association enrolled in the retirement program as of June 1, 1963:

North Wilkesboro First, Beaver Creek, Cub Creek, Calvary, Edgewood, Fishing Creek, New Hope, Roaring River, Wilkesboro, Goshen, Harmony, Hinshaw Street, Moravian Falls, Mt. Pleasant, Millers Creek, Pilgrim and Walnut Grove.

PROTESTANTS AND OTHER AMERICANS UNITED FOR SEPARATION OF CHURCHES AND STATE (POAU)

The Supreme Court in a recent decision erected a solid wall in defense of the First Amendment by maintaining that public agencies should not take the lead in religious programs, but churches and homes should.

It points this issue squarely to the church and the home and nowhere else as being responsible for the religious training of their children.

Mr. Justice Clark for an 8 to 1 majority, said in part, "It certainly may be said that the Bible is worthy of study for its literary and historic qualities. Nothing we have said here indicates that such study of the Bible or of religion, when presented objectively as part of a secular program of education, may not be effected consistent with the First Amendment. But the exercises here do not fall into those categories. They are religious exercises, required by the States.

"The place of religion in our society is an exalted one achieved through a long tradition of reliance on the home, the church and the invisible citadel of the individual heart and mind. We have come to recognize through bitter experience that it is not within the power of government to invade that citadel, whether its purpose or effect be to aid or oppose, to advance or retard."

POAU is constantly on guard to protect freedom—loving people from their schools being used as sectarian training courses.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world—a task which calls for the widest possible distribution of the Scriptures.

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

In most countries, people **cannot afford even the cost of printing the Scriptures.**

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually

below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1962 the American Bible Society—

- rejoiced that some part of the Bible has been published in 1202 languages; the full Bible in 228, a Testament in 285 more, a Gospel or other complete book in 689 more—but still faced the task of translating the Scriptures into another 1,000 or more languages.
- extended its work to 40 additional countries and provided almost two-thirds of the year's total of nearly 50 million Scripture volumes distributed by all the Bible Societies of the world. Especially encouraging was its overseas distribution of almost 17 million volumes, which was a remarkable increase of 49 per cent over the year before.
- gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.
- sought new ways of reaching people who have little or no acquaintance with the Bible. Among these new approaches is a program throughout Latin America, in which Christian laymen are recruited and trained, in evening courses, in the evangelistic distribution of the Scriptures in their own communities, under the direction of their own churches.
- continued to expand its distribution of Scriptures to persons of special needs in our own land: people with different language backgrounds; victims of disasters; people in crowded problem-filled "inner-city" areas; patients in hospitals and nursing homes; persons in jails, reformatories and prisons; migrant farm workers—and many others.

Southern Baptists Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

Two years, 1958 and 1961, Southern Baptists led all denominations in gifts to the American Bible Society. But in 1962 Southern Baptist gifts of \$158,206 stood second, exceeded by Methodist gifts of \$206,580. Gifts from all churches in the U.S.A. totaled \$1,191,233.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions based on what many churches are now giving:

Every church can give at least these amounts each year:

Smaller churches	\$10 to \$ 60
Larger churches	\$60 to \$300
Great city churches	\$300 to \$600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

REPORT ON FRUITLAND BAPTIST BIBLE INSTITUTE 1963

Fruitland Baptist Bible Institute is a mission venture of North Carolina Baptists that has already proven many times the wisdom of the founding fathers. Some 1,000 pastors and preachers from North Carolina and neighboring states have attended this school in its 17 year history. Graduates of Fruitland are serving the churches and denomination and various associations in many capacities. Many are pastors, some are associational missionaries, members of the General Board, missionaries in Ohio, New Mexico and various other states, and all are zealous in the name of the Lord Jesus.

The Baptist State Convention can well be proud of the work that is being done at Fruitland. Over and over it has been said by many people who are in position to know that nowhere in any state are Baptists getting as great a return for the amount of money invested as we are receiving at Fruitland. Generally about \$20,000 per year of Cooperative and State Mission offerings are allocated to carry on the work at Fruitland. During the 1962-63 school year 177 men enrolled in the school. This year over 150 have already enrolled and before the year ends we expect to surpass last year's record enrolment. A fine faculty of nine men are teaching at Fruitland and a high spiritual atmosphere prevails on the campus. As finances permit new improvements are being added. This year a duplex apartment was erected and put into use. Another one is under construction. These will be rented to married students during the school year and will be available for families to rent during the summer for vacations or to attend the summer conferences. Pray for your school and your fine men attending there.

BRIEF HISTORY OF THE PILGRIM BAPTIST CHURCH

At the call of a number of the brethren, we, the undersigned Presbytery, having been given up from the New Hope Baptist Church, did meet at the Free Will Meeting House in Wilkes County, N. C., on the 7th day of March 1859, there finding them orthodox in the following principals: "We believe in only one true and living God, the Father, Son, and Holy Ghost, and these three are one. We believe that the Old and New Testaments are the Word of God and the only rule of faith and practice. We believe in the impotency of man to recover himself from the fallen state which he is in by his own ability. We believe that salvation is only by grace through our Lord Jesus Christ. We believe that Baptism and the Lord's Supper are Ordinances instituted by our Lord Jesus Christ, and should be practiced by all true believers. We believe that the true mode of Baptism is by immersion and believers are the only subjects. We believe in the final perseverance of the saints in grace to glory. We believe in the resurrection of the dead and a general judgment. We believe that the happiness of the righteous and the punishment of the wicked will both be eternal."

We the undersigned Presbytery have set them apart as a church of Jesus Christ with the following principles, and none of the benevolent institutions of the day shall be a bare or test in fellowship with us. "It

shall be the duty of each of the members of the church to contribute for the expense of the church as God has prospered them. The church shall not prohibit any regular minister of the Gospel from preaching in her pulpit. This church declares herself a missionary temperance body article. It shall be the duty of the church to use her influence for the spread of the Gospel throughout all the earth and to set them apart with all the privilege of the Gospel."

CHURCH COVENANT

"Having been led as we believe by the spirit of God, to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been Baptized in the name of the Father and of the Son and the Holy Ghost, we do now in the presence of God, angels, and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love and to strive for the advancement of this church in knowledge, holiness and comfort. We will strive to promote its prosperity and spirituality, to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church, the relief of the poor, and the spread of the Gospel through all nations. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances, to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment. We will strive to avoid all tattling, backbiting and excessive anger. Also, to abstain from the sale and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love and to remember each other in prayer. We will strive to aid each other in sickness and distress, to cultivate Christian sympathy in feeling, and courtesy in speech, to be slow to take offence, but always ready for reconciliation, and mindful of the rules of our Saviour, to work to secure it without delay. We moreover engage that when we move from this place, we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word."

The following are the names of the charter members of the church: Thomas H. Foster, Martha J. Foster, Adam Milam, Matilda Milam, Alfred Davis, James H. Foster, America Church, Mira Bullis, Elizabeth Bishop, Nancy Bishop, Mary Church and W. T. Foster.

At the February meeting, 1860, Brother Ephram Davis laid an allegation against Thomas H. Foster, that he was fraudulently holding and in possession of his land and declared that "He can prove the fact." At April meeting the moderator called on the messengers who had been sent to the New Hope Church, to report if Rev. Vannoy would attend this church to take part with three of our members in settling the difficulties existing between Ephram Davis and Thomas Foster. At the June meeting the case between Brothers Davis and Foster was taken up and in the opinion, Brother Davis was asked to withdraw his allegations until the matter in

question was fully decided by the proper tribunal, and for both to retain their seats in the church.

At September meeting, 1860, Sisters Martha Roberts and Elizabeth Church, who had joined another church, were excluded from fellowship and union of the church. At the same time Brother Davis and wife made application for letters from the church which were granted. At March meeting, 1861, the church received a Presbytery from sister churches, New Hope, A. M. Vannoy, Mt. Zion, H. McNeill, and L. Land to ordain Brothers Jeff C. Summerlin and O. F. Cardwell as deacons. At the June meeting, 1861, the church met and after prayer the church was seated in fellowship. On motion the church elected Thomas H. Foster as church clerk. It called on Brother A. Milam for not sitting with the church, and on motion excluded him from the fellowship of this church, for joining another church not of the same order. At July meeting, 1862, the church sent messengers to all sister churches to invite them to take part in the foot washing at the August meeting.

At May meeting 1863, after the church was seated in conference, Sister Martha Hamby laid in a complaint against Sister Mary Summerlin, for talking about her and other misconduct. On motion, it was laid over till next meeting and a committee of three was appointed to go see them and reason their differences out. At the June meeting the committee reported that they could not get them to reason things out and they were both excluded from the church. At the October meeting Matilda Fox was excluded for denying her religion and attending another church.

At June meeting, 1865, one sister was charged with using profane language and slandering the church. The case was laid over till the next meeting and a committee was appointed to see America Cox to determine if she was guilty, and to ask her to report to the next meeting. At July meeting, 1865, America Cox was excluded. At August meeting Brother James H. Foster was excluded for being in a robbing crowd. At May meeting, 1867, the church voted to ordain Brother B. Hamby at the next meeting. At September meeting, 1868, one female member made the statement about another member, that she was pregnant. When she was cited into the church about it she denied it and then was excluded.

At January meeting, 1870, Polly Milam was excluded for being shut up in a house with a married man. At June meeting, 1870, Jake Summerlin was excluded for having a bastard child laid to him by a young girl, and at the same meeting Myra Shew was excluded from the fellowship of the church for having a base born child.

At June meeting, 1870, the case of A. Church was taken up and he was excluded from the fellowship of the church for getting drunk and attending a dance. At September meeting the case of Brother D. Cardwell was taken up for drinking too much spirits of liquor, and he was excluded. At December meeting, Brother Franklin Eller and wife were given letters of dismission from this church for going to other churches not of our faith. At January meeting, 1871, the case of D. F. Cardwell was taken up for drinking too much spirits and he was excluded. At May meeting, the case of Brother D. F. Cardwell was taken up, and by acknowledging his wrong committed, that he was over-persuaded by friends, and if the church would forgive him he would not do it any more, he was restored to his seat in

the church. At June meeting, the church door was opened for the reception of members, and Franklin Eller and his wife came in, acknowledged their wrong that they had committed, and were restored to their seats in the church.

At July meeting, 1872, there was a motion made, seconded and carried, to give Brother Peter Nichols leave to exercise his gifts according to his feeling. At the same meeting Brother Ben Gorman was ordained to the office of deacon, and J. F. Eller was ordained to preach. At April meeting, 1873, the church took up the case against Brother Joel Davis for drinking too much spirits of liquor, and excluded him. At the same meeting a motion was made by Thomas Welch, that three messengers from New Hope church come to the next meeting to help settle a difficulty in the church which was given up. At October meetings 1873, Brother J. E. Eller was ordained as a deacon.

At June meeting in 1875, the church elected Brothers L. Pungarner and Peter Nichols as deacons and their ordination was deferred until a later date. At the February meeting, 1876, Malisa Church was excluded for joining another church not of the same faith. At the October meeting, 1882, J. F. Davis and M. S. Church, were elected as deacons. At August meeting in 1884, a Presbytery, composed of Elders Daniel Welborn and J. W. Church, ordained J. F. Davis. At the March meeting in 1886, the church took the office of deacon out of the hands of Joel Minton and left him as a lay member. At April meeting in 1888, an allegation was laid against Leander Parsons for operating a blockade distillery and he was excluded.

The church met again on Monday and agreed to do some work on the church house, gumsealing and flooring it, with the work to be done by the members. On a motion which passed, the male members agreed to pay twenty-five cents, and the female members to pay ten cents, for the lumber to floor and gumseal the church and make four seats against the next meeting. On motion the committee postponed the work until the next meeting, on finding that the lumber was not dry.

At April meeting, 1889, the church elected A. L. Foster as a deacon and he was ordained at the next meeting. At November meeting, 1889, the church deferred the case of building until the next meeting. When it was taken up at the next meeting, for all who had not paid, the church ordered that it be put on the minutes as a debt against them. At January meeting in 1890, a committee was appointed to see a number of the members who had grievances against one another. After seeing the members, the committee reported that they could not settle the grievances. At the same meeting a motion was made that the church elect Z. V. Church for Superintendent of the Sunday School. This is the first time Sunday School has been mentioned. The church took up a collection for Home Missions at the February meeting, 1890, which amounted to seventy cents.

The third Sunday in April, 1898, after preaching service, the church met in fellowship. After foot-washing, the church published open doors for reception of members. After the fourth Sunday in March, 1899, the church met and organized a Sabbath School. At the September meeting in 1904, the church voted to pay the Pastor one dollar per day for each day he worked that he should be paid each day, and if the money was not in

the treasury, the treasurer should let the church know it. Saturday before the third Sunday in August 1905, the church met in worship service, and several members were excluded for not obeying the orders of the church. It also passed a resolution that no husband or wife should join the church who was not living with the other mate, and that no one could join if he or she did not have a Bible in the home. At September meeting in 1906, the church letter to the association showed statistics as follows: Pastor's salary \$44.27; State Missions, \$1.00; Orphanage, 70 cents; for the poor, \$2.75; minute funds \$1.00; and church property valued at \$1,000.00. The clerk called the roll of the members each Saturday that a church conference was held and took up a collection to pay the pastor the one dollar per day for his time, with the remainder of the money going for church repairs.

On Saturday before the third Sunday in May 1906, the clerk called the roll of the church and collected \$2.63; paid the pastor one dollar, which left in the treasury \$1.63. At August meeting, 1907, G. P. Foster, B. L. Minton and H. I. Shoemaker, were elected as trustees to look for a site for building a church house, and to build the same with the assistance of the church and the community. A. L. Foster, H. I. Shoemaker, U. R. Nichols and G. V. Church, were appointed as a building committee. At the September meeting, 1907, the church granted Sherman Davis license to preach anywhere he saw fit to go and preach. At January meeting, 1908, T. V. Nichols was appointed Sunday School Superintendent and a presbytery was called and ordained Finley Eller and Z. V. Church as deacons. At January meeting, 1908, T. V. Church was granted license to preach.

At December meeting 1909, the church agreed to have the lumber, nails and all of the subscriptions in by January 15, 1910, if not providentially hindered. It gave the order to R. A. Spainhour to make the windows and frames. The church decided to do the work on the house May 11, 1910. After considering bids to May 1st, T. J. Broyhill's was considered the lowest bid, and the contract was given him to build for \$95.00. Each member was to pay according to his ability and upon failing to pay would be dealt with and excluded. At September meeting the roll was called and collected \$50.00. By October 10, 1910, the job was completed and Broyhill was paid in full.

At December meeting, 1911, two brethren had a fight over a line and they asked the church to forgive them. The church ordered a committee to take the papers and set up a line between them. The committee did as ordered and the brethren are in peace so far as the church knows.

At February meeting, 1919, the church met, and after some discussion, decided it best to complete the house where it stands. The committee appointed A. L. Foster to have the framing sawed and the committee was to pay for it. The Wilkesboro Manufacturing Company dressed the lumber to finish the building. There are several minutes missing along here and the information is incomplete. At May meeting, 1919, the church turned over Brother B. L. Minton to the Presbytery, composed of W. F. Carlton and Melvin Michael, for ordination. After the ordination he was turned over to the church as an ordained minister to preach the gospel. At August meeting, 1919, the contract was made with R. P. Nichols, to complete the building at a price of \$165.00. At the September meeting

Brother J. A. Parsons was ordained as a deacon.

At July meeting, 1932, Laf Deal was ordained as a deacon. At the February meeting, 1933, the church adopted the following rules: "That the church do not receive members that have two living husbands or two living wives. The church do not receive members that are separated from husband and wife, unless they make all efforts possible to live with each other and then make satisfaction with the church. We do not allow any one to spit on the church floor." A financial report was given on the repairing of the church and \$108.37 was spent for a new roof, painting, and other repairs. At December meeting, 1937, the church turned over in the hands of the Presbytery Fred Shoemaker and Charlie Shoemaker and after they were examined and ordained they were turned over to the church as ordained deacons. At the April meeting, 1946, there was a committee appointed to see about building some Sunday School rooms and painting the church. Mrs. John Nichols, Marcile Deal, Vernia Foster, Mrs. Gladys Shoemaker and Della Sue Eller were appointed on the committee. There was also a committee appointed to see that some repair work was done on the building. At November meeting, 1949, there was a discussion about the Sunday School rooms, but nothing further was said about them.

At February meeting, 1950, the church voted to give the Sunday School secretary the right to pay the bills for the cutting of the church timber, which amounted to \$180.00. At April meeting the Sunday School rooms were discussed as to the problem of financing them, and it was deferred to a later date. At the September meeting Earl Adams and Sloan Deal, were elected deacons, and at the same time the church voted to elect a deacon for the duration of his life. There was appointed a committee to investigate what a folding door would cost and the committee reported that it would cost \$1000.00 and they decided not to purchase it.

At November meeting, 1957, a heating system was discussed. The members were asked to pledge the following Sunday what they would give. At the February meeting, 1958, there was a motion made and passed that if the pastor had a regular job the salary would be \$50.00 and if he was unemployed the salary would be \$75.00. At the September meeting the budget system was voted on and adopted.

The building committee at the October meeting, 1960, presented plans for the new building. Harold Foster presented and explained the plan for the basement. Charlie Shoemaker presented and explained the plans for the first floor, the Sunday School rooms, and the sanctuary. Carson Nichols gave the estimate of the building cost as twenty-five or thirty thousand dollars. The building committee was given permission to check on some land as a possible site for the new building. Charlie Shoemaker moved that the members of the church be asked to sign a note to finance the building of the church. The motion was carried. Harold Foster made a motion that work start on the new building after the 3rd Sunday in March, if everything was ready, which carried favorably. Rowe Teague moved that the church purchase one acre of land across the road from the old church, which carried. The building committee presented new plans at the October meeting, 1961, which were approved for the committee to work on. The grading for the building was started November 10, 1961. At the December meeting the well had been finished. The first Baptismal ser-

vice in the new church was held on June 3, 1962, and the following candidates were baptized: Mrs. Norman Call and Beulah Lewis Wyatt.

The trustees of the church were authorized to borrow from the Northwestern Bank \$20,000.00, on the most favorable terms that could be worked out. There was a motion made and carried that the old church building be turned over to the Home Demonstration Club for \$400.00. The first service held in the new building was on July 15, 1962. The attendance was 114, and the offering \$171.73.

The total cost of the building was \$31,653.65. The church borrowed \$17,200.00, and the amount owed is \$12,800.00.

This church has had pastors as follows: A. W. Vannoy, 1859-1863; D. W. Welborn, 1863-1868; Ed Kerley, 1868-1870; Jay Welborn, 1870-1871; D. Welborn, 1871-1874; John Adams, 1874-1877; D. W. HISTORY OF LIBERTY GROVE BAPTIST CHURCH

On the third Saturday in December, 1886, a Presbytery consisting of Elder T. W. Paris, I. N. Haynes and J. W. Burchette, met in the school house in District No. 36, Wilkes County, North Carolina for the purpose of organizing a Missionary Baptist Church.

Elder T. W. Parish was elected Moderator and I. N. Haynes Clerk. After a devotional exercise was conducted by the moderator, the Presbytery proceeded to complete the organization of the church.

The following brethren and sisters presented letters to become members: A. M. Church, Susan Church, E. S. Church and M. O. Church from the Wilkesboro Church. Hiram Wiles, Sarah Ann Wiles, G. M. Woodruff, who were recommended and received as deacons; S. C. Woodruff, K. J. Woodruff, and W. D. Woodruff, from Rock Creek Church. T. W. Parish, J. W. Burchette, Suzanna C. Stafford, C. S. Stafford, I. J. Haynes, M. O.

Church and R. L. Church. The letters were read by the clerk and received by the Presbytery.

The right hand of fellowship was given by the Presbytery and Elder J. W. Burchette led in prayer. Then the Presbytery recognized them as charter members of the Liberty Grove Missionary Baptist Church. A. M. Church was elected as the first clerk. The church then presented to the Presbytery Hiram Wiles, to be ordained as a deacon. Prayer was led by Elder J. W. Burchette, and the laying on of hands by the presbytery. A charge was given by Elder T. W. Parish, with the presentation of a Bible. The church then adopted the following as a covenant:

"Having been as we trust brought by divine grace to embrace the Lord Jesus Christ and to give ourselves holy to Him, we also now solemnly and joyfully covenant with each other to walk together with Him in brotherly love to His glory as our common Lord. We do therefore in his strength engage that we will exercise a Christian care and watchfulness over each other and faithfully warn and exhort and admonish each other as occasions may require.

That we will not forsake the assembling of ourselves together, but will uphold the public worship of God and the ordinances of His house. That we will not omit closet and family prayer and religion at home, nor neglect the great duty of religiously training our children and those under our care, for the service of Christ and the enjoyment of heaven. That as we are the light of the world and the salt of the earth, we will seek Divine aid to enable us to deny ungodliness and every worldly lust and to walk circumspectfully in the world that we may win the souls of men. That we will cheerfully contribute of our property according as God has prospered us and for the maintenance of a faithful and evangelical ministry among us, for the support of the poor and to spread the gospel over the earth.

That we will in all conditions even till death strive to live to the glory of Him who hath called us out of darkness into His marvelous light. And may the God of peace who brought again from the dead our Lord Jesus Christ, that great shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do his will, working that which is well pleasing in his sight, through Jesus Christ, to whom be glory for ever and ever. Amen."

The minutes of this church from 1887 to 1952 do not give anything except members who joined from year to year. They do not give any of the transactions of business or proceedings of any kind.

On one page of the minutes is a statement as follows: "received letter of dismission from Elkin Association in 1917," and on another page of the minutes "first letter to Stone Mountain Association" and then on another page "letter of dismission from Stone Mountain Association" and then on another page "letter of dismission from Stone Mountain Association in 1930," and a letter to the Brushy Mountain Association in 1931.

And on another page in the minutes is the statement "destroyed by fire when book No. 4 was burned," and no date given as to when that was. It seems from that statement that some time or other a part, if not all, of the records of this church have been destroyed by fire.

At November meeting, 1953, "the moderator stated that on Friday night, November 13, 1953, the Roaring River Baptist Church had voted to

enter into a field with Liberty Grove Baptist Church." Brother Tam Hutchinson made the motion that a pastor be called for the field and that the field would exist as long as both churches work in agreement. Then Brother George Smith presented a budget plan to the church for the coming year. In this plan Liberty Grove Baptist Church would pay \$1,200.00 a year, the same as the Roaring River church was paying. The churches would have a cooperative budget plan so long as they worked together, which motion carried. There is nothing stated in the minutes as to how long this field existed.

At July meeting, 1954, the treasurer, Mrs. Emma Taylor, reported \$2,534.12 in the building fund and a motion was made by Deacon Smith, and seconded, that five men be selected to serve on a building committee to consider plans for a new church building. A unanimous vote was given for the following five to be appointed: Mrs. Tam Hutchinson, F. G. Johnson, Mrs. Claude Caudill, Paul Church and Guy Hutchinson.

At September meeting, 1954, the church appointed a board of trustees, consisting of Kermit Absher, Elbert Johnson, Jim Henderson, for the purpose of securing additional land for the church. At the October meeting, 1954, the trustees purchased additional land from the Anderson heirs to enlarge the church ground. A committee, composed of Tam Hutchinson, George Smith, and Kermit Absher, was appointed to trade the old church bus for a good school bus.

At November meeting, 1954, the pastor presented a building plan recommended by the building committee for a new sanctuary, that bids be secured from contractors, that a well be drilled, and the educational building be started with cement blocks on the inside and brick on the outside, which was adopted by the church. At November meeting, 1955, a motion was made by Tam Hutchinson, and carried, that the trustees borrow \$10,000.00 from the Bank of North Wilkesboro to finish the educational building and equipment. On January 5, 1956, the new building was entered and church service was held in it for the first time. The deacons presented plans to sell the old building and the funds be applied on the new building. At September meeting, 1956, a parsonage committee was appointed as follows: Paige Hutchinson, F. C. Johnson, Mrs. Tam Hutchinson, Kermit Absher and Mrs. Ralph Taylor. At the same meeting a motion was made and carried that a parsonage be built by gifts and donations and a motion was made and carried that the present parsonage committee serve until the parsonage was completed.

The church has had pastors as follows: Elder W. W. White, 1887-1888; C. S. Fields, 1888-1892; I. Prevette, 1892-1893; A. T. Pardue, 1893-1896; J. W. Burchette, 1897-1900; W. W. Myers, 1900-1903; W. T. Comer, 1903-1905; T. E. Redmon, 1905-1907; W. T. Comer, 1907-1909; G. M. Burcham, 1909-1910; A. B. Hayes, 1910-1914; A. T. Pardue, 1914-1915; J. S. Elliott, 1915-1920; A. B. Hayes, 1920-1923; J. S. Elliott, 1923-1927; A. B. Hayes, 1927-1928; J. A. Elliott, 1928-1933; H. A. Bullis, 1933-1935; Loyd Pardue, 1940-1941; A. B. Hayes, 1941-1945; B. L. Temple, 1945-1946; Roy Franklin, 1946-1947; C. S. Welborn, 1948-1949; Loyd Pardue, 1949-1953; LeRoy Thomas, 1953-1956; Howard Laney, 1956-1959, and in 1960, Paul Shoupe, was elected and is still serving the church in that capacity.

It has had clerk's as follows: A .M. Church, W. N. Alexander, Abner

Caudill, R. S. Wiles, J. S. Forester, W. A. Wiles, Charlie Burchette, Charlie Church, R. L. Church, C. F. Johnson, McCager Brown, Paul E. Church, C. E. Burchette, Roscoe Pardue, Tam Hutchinson, D. W. Smith, Ben Johnson, and Johnny Emerson, was the last one elected and is still serving in that capacity.

At the September meeting in 1952, is the first time that the minutes states anything about Sunday School being carried on in this church. The minutes states that Tam Hutchinson was elected Superintendent and Wilbur Wingle, assistant superintendent and gives the officers and teachers for the various departments.

The writer knows of his own knowledge that for the past twenty-five years Sunday School work has been carried on actively in this church. One adult member stated that she knew that Sunday School work had been carried on all of her life, but did not state how many years that was.

At March meeting 1954, a Training Union was organized with a membership of thirty-four. It has increased now to 83 enrolled. Mrs. Paul Bryant reported a W. M. U. with a membership of twenty-six in number.

The church has borrowed in all \$52,220.00 to construct this beautiful sanctuary and has spent \$3,920.00 in improving the educational building. The church owes \$36,139.00. This improvement is a great asset to any community and shows that the community is growing spiritually as well as temporaly.

RESOLUTIONS COMMITTEE REPORT

We the Committee on Resolutions for the Brushy Mountain Baptist Association, meeting in its ninety-second Annual Session, wish to express our deep appreciation to Liberty Grove and Pilgrim Churches for their generous hospitality made evident through the bountiful meals and the lovely flowers for both sessions.

We are grateful to the Program Committee for a splendid and inspiring as well as informing program. Also we are appreciative for the visiting brethren who brought us greetings and messages from our Colleges and other organizations.

To our Associational Missionary, the Rev. John R. Wright, we extend thanks for the fine work he has done. Likewise we are grateful for the painstaking work of our Clerk, Mr. T. E. Story, for the untiring service of our historian, Mr. J. F. Jarden, and the splendid leadership of our Moderator, the Rev. Henry Morgan. For the many services too numerous to mention rendered by the other officers and department heads of our Association.

We resolve to send greetings, best wishes, and our prayers to the Rev. A. W. Eller, and the Rev. James Williams.

Following discussion held in a recent meeting of the Baptist Pastor's Conference relative to the type of pictures that are now being shown on

nearly all television stations and the action of that group being strongly registered against such procedure, we in accord with that desire, resolve to go on record disfavoring T.V. programs with scenes of open drinking of alcoholic beverages. We further, as much as is possible, desire to go on record, to refrain from buying products that sponsor such programs and will encourage our people to do likewise, if this type of program continues.

Respectfully submitted,

DEDICATION OF THE 1964 BRUSHY MOUNTAIN BAPTIST ASSOCIATION MINUTES TO

LAWYER JAMES FLOYD JORDAN

The 1964 Minutes of the Brushy Mountain Baptist Association are dedicated to Mr. James Floyd Jordan, veteran lawyer, civic leader, and church worker.

Mr. Jordan was born in Wilkes County, May 24, 1891, the son of Mr. Charlie Thomas and Malinda Jane Burcham Jordan. He attended public school in Wilkes County, graduated from Yanney Collegiate Institute, Burnsville and received his LLB Degree from Wake Forest College in 1922. He passed the State Bar Exam in 1922.

Lawyer Jordan opened his law office in Wilkes County, adjacent to the Wilkes County Court House where he has practiced law since 1922.

ASSOCIATIONAL SUNDAY SCHOOL REPORT, 1964

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to **"Go and teach** all nations, **baptizing** them in the name of the Father, and of the Son, and of the Holy Ghost; **teaching** them to observe all things . . ."

The Sunday Schools of our Churches have been assigned the task of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, Secretary of Sunday School Department, Baptist Sunday School Board, says, "Our churches . . . must reach the people, win the lost, develop the saved."

Southern Baptists are seeking to enroll ten million in our Sunday Schools by 1970. This means a gain of 30% in six years. In North Carolina we are challenged to reach one million enrolled by 1970, or a gain of 29%. This tremendous task must have priority.

We are asking each Sunday School in our association to accept an enrolment increase of 2 per cent for 1965, 3 per cent for 1966, 4 per cent for 1967, 5 per cent for 1968, 6 per cent for 1969, and 7 per cent for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. **Evangelism, Stewardship, Missions, Discipleship** — all of these wait upon outreach. **People** must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools. (A new Sunday School will gain 30) by creating Extension Bible Classes; (Each will gain 10); by the starting of new adult classes; (Each will gain 6); by the activating of Extension, Cradle Roll, and Young People Away Departments; (Each will gain 6); and by enrolling Vacation Bible School pupils who are not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago—locate the prospects, enlarge the organization, provide the needed space, enlist and train the workers, and visit the people—we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Bible Study, to plan a Church and Mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adults who are church members but not enrolled in Sunday School, to participate in the Associational Sunday School projects, the Sunday School Witnessing Campaign in February, Officers and Teachers Meetings, Clinics, and other meetings such as Action Night, and to encourage your church workers to attend Sunday School emphasis at the North Carolina Baptist Assembly, Fruitland and Ridgecrest. As our Sunday Schools go, so will our Church go.

During the past year the Associational Sunday School Executive Committee met November 18, January 20, April 19, and July 27 at the Wilkesboro Baptist Church. Plans were made for the Sunday School meetings and training was given the officers.

Officers and Teacher Meetings were held February 17 at North Wilkesboro First, with 45 present from 13 churches, Mt. Pleasant winning the banner; May 4 at Harmony, with 88 present from 10 churches, Harmony winning the banner; August 17 at Fishing Creek, with 62 present from 15 churches, Fishing Creek winning the banner.

Action Night was held September 7 at Hinshaw Street Baptist Church. There were 163 present from 15 churches. Hinshaw Street won the banner with 66 present. The Rev. Paul Kesterson, State Sunday School Associate, spoke.

The Pastor-Led Sunday School Enlargement Campaign was held September 21-25, with the pastors meeting at the First Baptist Church at 10.00 a. m. The Rev. Paul Kesterson served as the director and teacher. Beaver Creek, Hinshaw Street, Liberty Grove, Millers Creek, Moravian Falls, North Wilkesboro First, Pleasant Home, Walnut Grove, Welcome Home and Wilkesboro Baptist Churches participated. Classes were held each night in the churches with the pastors leading the discussion.

Plans for the new year include a Sunday School Witnessing Campaign in February.

Fred S. Miller

VACATION BIBLE SCHOOL REPORT, 1964

This has been a rewarding year for our Vacation Bible School work. Five staff workers and the Associational Missionary attended the State Clinic at Wingate College last January. These were:

Nursery, Mrs. Phillip Day; Beginner, Mrs. C. E. Lawing; Primary, Mrs. James Frazier; Junior, Rev. Earl Webb; Intermediate, Rev. Rowe W. Teague; General, Rev. John R. Wright. The workers set a goal of 39 church schools, 6 mission schools, 4 negro schools and 3 Standard schools for this year.

We have reports from the 39 churches listing a total enrolment of 2,698 children and 576 faculty members. Also from these 39 church schools were 92 professions of faith and 86 dedications.

Four mission schools reported a total enrolment of 165 and 36 faculty members.

Two Negro school reports were received, and help was extended to two others.

There were three Standard Schools: Hinshaw Street, Mount Pleasant, and Roaring River. We want to thank these churches for the example they have set for others to follow.

The Moravian Falls Baptist Church was host for the Association Vacation Bible School Clinic April 26, 27, 28 when five sessions were held.

I wish to thank all who helped in Vacation Bible School, for their time, effort and prayers.

Respectfully submitted,
C. Eugene Lawing

TRAINING UNION REPORT, 1964

These are exciting days for the ministry of Training Union. Many new ideas, new material, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

With the background of a good year's work and a full slate of Associational officers we hope to be ready for these new things this year.

All our meetings last year were held as scheduled, with good attendance and interest in each. We had two churches represented in Adult Scripture Reading Tournament and two in Junior Memory Work.

Our Association was represented in the regional tournaments by Mr. Jim Hall for Adult Scripture Reading and Misses Shirley McNeil and Linda Cockerham for Junior Memory Work.

We had several people from the Association attending T. U. Assemblies at Southport and Ridgecrest and the State Youth Convention.

Our M Night attendance was 358 and Youth Night attendance 122.

For the various meetings of the association attendance banners were awarded five times to Pleasant Home and one time to Purlear, and efficiency banners to New Hope Young People one time and Millers Creek Young People two times.

Two fully graded Training Unions were organized during the year, Gordon and Oak Grove, bringing our total of churches with Training Unions to 25. Our goal for next year is two additional Training Unions, giving us at least 27 by the next Association meeting.

May I urge each of you to study and stay up to date with current Training Union materials, especially the **Training Union Magazine**. This is essential in order to know what is going on in Training Union work. Also, may I thank each of you for your prayers, assistance and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Miss Lunda Hendren, Director

MUSIC MINISTRY REPORT, 1964

The primary objective of the Associational Music Ministry during the past year has been to reach as many churches as possible through a series of Hymn singings, presenting the gospel through hymns and striving to give meaning to hymn singing. We have had Quarterly meetings of the Executive Committee in order to plan these services. Three Hymn Services were held during the year. We met at Little Rock Baptist Church, Hinshaw Street Baptist Church and Fishing Creek Baptist Church. Attendance ranged from 80 to 100 at these meetings.

I wish to express sincere appreciation to the officers who have worked so diligently during the past year.

I would also call upon the churches of the Association to support the future endeavors of the Music Ministry. Only through a co-operative effort of ALL the churches can we hope to improve the Music Ministry in the local congregation. This is a great need in every church.

Respectfully submitted,

F. Jimmie Mize, Music Director

REPORT OF SEMINARY EXTENSION CENTER, 1964

"The best laid schemes of mice and men often go astray," and those of us of the Seminary Extension Committee could utter a dejected "amen" to the poet's deep insight into the nature of things.

Last year we made a special effort to enlarge our Seminary Extension Program. The final result, while reaching more people than the previous year, was nevertheless a keen disappointment to many of us.

Last year we offered the Old Testament Survey which was to be taught by The Reverend John Wright, the New Testament Survey which

was to be taught by The Reverend Clarence Eden, Jr., and Ephesians which was taught by the Reverend Paul Shoupe.

Our faculty members made their preparation and were present with loaded brief cases for the opening session. However, we did not feel the registration was heavy enough to warrant more than one class.

After thorough consideration, the committee decided to offer Ephesians which was taught by The Reverend Paul Shoupe.

We express appreciation to Brother Shoupe and members of our Association who kept faith in the Seminary Extension Center by enrolling in the classes.

There were 24 enrolled in the class at the beginning of the semester and seventeen (17) received credit for the course offered.

While we are disappointed by the small enrollment and interest shown in the Seminary Extension Center; nevertheless, we are not discouraged. We are offering this year the following program:

1. Old Testament Survey taught by The Rev. Paul Shoupe.
2. New Testament Survey taught by The Rev. Clarence Eden, Jr.
These sessions will be held 7:00 p. m.—9:00 p. m. each Tuesday at First Baptist Church beginning October 20.
3. History of Christian Thought conducted by The Rev. Henry Morgan.
This is a seminar designed especially for pastors and will be conducted from 10:00 a. m.—12:00 noon at First Baptist Church beginning October 20.

All sessions will continue through December 15.

I have asked to be relieved as Director of Seminary Extension for several reasons. The committee has asked Mr. F. Jimmie Mize, Minister of Music and Education at First Baptist Church, to assume the role of director.

I would like to express appreciation to those who have encouraged and supported the Seminary Extension Center during the past three years while I have tried to serve as director. I believe in the Seminary Extension Center and I believe that we should save it in our Association.

God grant that all of us "study to show ourselves approved unto God—workmen that need not be ashamed." What we do in Seminary Extension during the coming year will mold the future of this work in our Association.

Respectfully submitted,

R. F. Smith, Jr., Director

LIBRARY REPORT, 1964

As churches we should have a concern for the selection of reading materials for our children. Each library that is established works to meet the needs of the members. No one should feel that there is competition but that one library supplements the other. Therefore, the church library can be a materials storehouse of reading materials to supplement the Sunday School, Training Union and other organizations within the church. Not only should there be books, but also audio-visual materials in the church library.

The problem of organization should not be the greatest concern, but most emphasis should be that of making church related materials and recreational reading materials available.

Each April, National Library Week is celebrated and our Southern Baptist Convention uses the month as an opportunity to encourage the opening of new church libraries and the enlarging of ones already established by giving free materials and materials at special prices.

If your church is considering the beginning of a new library and you feel you need help in organizing, selecting books, and services, please ask your church to order the **Church Library Magazine**, suggested reading plans, and other library related materials from the Baptist Sunday School Board, 127 Ninth Avenue, North, Nashville 3, Tennessee. Many free helps are available. For those who need help on selections, don't forget the Broadman Reader's Plan.

We would like to congratulate Boiling Springs and Harmony as they have recently established libraries in their churches.

For the growth of libraries already established note the statistical report.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT, 1964

Fruitland Baptist Bible Institute began her 19th year of operation on September 28th of this year with a healthy increase in enrollment and bright promises of continued growth and development. Last spring the school graduated the largest class of preachers ever to be sent out by any Southern Baptist Bible Institute in our history. A total of 61 men received their diplomas and went out to serve churches in many areas of this and surrounding states.

Fruitland offers a three year course of study designed to give the student a good foundation in the fundamentals of Bible, Theology, Evangelism, Missions and Administration that he will need to pastor churches. While the school is primarily for those who for various reasons cannot attend college and seminary, others find at Fruitland the answer to their needs and profit by attending one or more years and then continuing their education at a college or seminary.

Only eternity will reveal the value of Fruitland to the Baptist denomination in this and adjoining states. Fruitland men are making a record that speaks for itself. They are leading their churches to be cooperative, missionary and evangelistic. The graduates of the school are taking their places of leadership in local, associational and conventional life.

Fruitland needs increased financial support, new buildings, equipment and faculty in order to meet the needs of our day and expand the courses of study. Above all Fruitland needs the prayers of our people as she seeks to minister to almost one-half of the pastors in our state.

REPORT ON CHRISTIAN EDUCATION, 1964

Organized Christianity has as its task to carry the Gospel of Christ to the ends of the world. Baptists join in the endeavor of missions around the world. If the task given us is to be accomplished, there must be well

trained workers in every phase of our denominational life. Therefore, Baptist provide a program of training through the church, colleges, and seminaries.

In North Carolina the seven Baptist Colleges—Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate—provide youth with Christian Higher Education opportunities. These colleges have been blessed by God through the history of North Carolina. North Carolina Baptist Colleges have contributed Christian leaders in North Carolina and throughout the whole world. Our colleges are grateful that God has blessed them through the Baptists of North Carolina. However, the challenge of modern society demands continued and renewed interest and support. Campbell, Gardner-Webb, Mars Hill, Meredith, and Wake Forest and four-year schools and Chowan and Wingate are two-year schools.

We believe there are young people from almost every one of the churches of our Association in one of our Baptist Colleges. The enrollment in our schools is increasing each year and the operating costs is on a sharp incline. Therefore, it behooves us to:

1. Pray for each person related to these schools.
2. Learn the nature and work of our schools.
3. Encourage our young people to attend.
4. Give liberally to the Cooperative Program.
5. Observe Christian Education Day.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC., 1964

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind."

The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures in Heaven," on Christian will making, which are available to any organization upon request.

REPORT OF TRUSTEES TO THE ASSOCIATION, 1964

The Trustees beg leave to make the following report on the Missionary Parsonage and the land purchased in October 1955, as follows:

Paid to Vannoy & Lankford, services on parsonage \$7.38. Paid Electric Service Company for pump to well, \$46.00. Paid B. and R. Sheet Metal Company, \$8.00 for services rendered. Paid Vannoy & Lankford for new pump to well, \$58.50. Paid to Vannoy & Lankford for service call \$3.00.

October 2, 1964, the trustees made an inspection of the parsonage and found that there are three leaks in the roof and seven small holes in it and recommend a new roof for the parsonage. The present roof is about thirty years old and there must be a new roof put on the parsonage as soon as money is available.

The gutter on the East and West side of the building needs replacing with new gutter. They also recommend that the woodwork on the outside of the doors and windows need repainting very badly. Also the woodwork on the porch upstairs needs to be replaced with new woodwork. Also insulate the overhead ceiling and checking on the septic tank.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT, 1964

The Cooperative Program helps us meet a total world mission task. Through this means our churches are able to present a united front and to develop a unified approach.

Since 1925 the C P has been the channel thru which North Carolina Baptists support the world ministry committed to them by Christ in the Great Commission.

Your church has a part in the support of over 5,000 missionaries who baptized over 58,000 people last year if you give thru the Cooperative Program.

In addition to these missionaries we help 63 Baptist Hospitals, 45 Orphanages, 14 Homes for Aging, and 1,132 Schools around the world, as we give thru the C. P.

The Cooperative Program is the love of God in action, the hands of Christ at work.

The individual Christian worships with tithes and offerings in the local church. The church plans a budget and decides what proportion shall be given to denominational causes.

Contributions from the churches are sent to the Convention office in Raleigh. The C. P. gifts are then divided between all mission causes, Christian Education, Social Services, and other Work of Southern Baptists. Each Baptist Hospital, Children's Home, School, Home for Aging, and General Missions is helped. The sun never sets on the work of the C. P.

By decision of the Special Convention in Greensboro our churches are urged to give thru the C. P., increasing their gifts each year by 35%. Receipts beyond the basic budget go to an advance section for Higher Educa-

tion. Our seven Baptist Colleges receive 85% and the Student Centers 15%.

Our people are giving only one-third of the tithe. The churches average just 8c of each dollar thru the C. P.

Four programs of Stewardship Education are available to our churches.

The Forward Program of Church Finance, Growth in Christian Stewardship, for churches with up to 300 members; Stewardship Development for Associations and Year Round Stewardship Development.

Each church can decide for itself which plan to use.

We would like to recommend:

1. That each church focus attention on world missions by using the four Wednesdays in October as **Cooperative Program Month**. Southside publications are providing materials for use in this emphasis.

2. That each church give prayerful consideration to increase percentage of giving to the Cooperative Program.

3. That each Church develop and use a Church Budget.

4. That each Church use the Forward Program, or one of the other plans for Stewardship Development.

Respectfully submitted,

Don Abernathy

ANNUITY BOARD REPORT, 1964

The Annuity Board of the Baptist State Convention and of the Southern Baptist Convention seeks to enlist pastors and church employees to participate in retirement plans, widow protection, disability protection, and to provide counsel regarding the plans. In the Brushy Mountain Baptist Association there are 23 churches and the Association participating, leaving 16 churches not in the plans.

The Protection Plan is the basic plan, with the church paying 10% of the salary basis on the pastor's annuity, up to a basis of \$4,000, and the Baptist State Convention paying 5%. Thus, fifteen percent of salary basis is being provided for retirement, and or, death benefits. The churches now in the plans are: Beaver Creek, Cub Creek, Calvary, Edgewood, Fishing Creek, Goshen, Harmony, Hinshaw Street, Lewis Fork, Little Rock, Moravian Falls, Millers Creek, Mt. Pleasant, New Hope, North Wilkesboro First, Oakwoods, Pilgrim, Pleasant Home, Purlear, Roaring River, Walnut Grove, Welcome Home, Wilkesboro, and the Association.

There are 25 individuals receiving protection for themselves and their families from the churches listed.

A new plan, called "Life Benefit Plan" is being offered to church and denominational employees. Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan, regardless of whether they are a member of one of the Board's retirement plans. The Board needed 3,000 members to put the plan into effect. More than 4,000 have made application for membership, and the plan went into effect October 1, 1964.

The cost is low, providing low cost life protection to members while in active service, during disability or in actual age retirement. The cost is 1% of annual salary basis, with minimum basis \$4,000, and maximum \$12,000. Minimum payments are \$3.34 per month and maximum payments \$10.00 per month. Car expense, housing and utility allowances, etc., may be added to

the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and cost remains the same every year unless salary increases, in which case the member may wish to increase payments.

The benefits are large. The widow or beneficiary of a member 45 or under will receive 2½ times the salary basis in the event of death. The widow of a 44 year old man paying on a \$12,000 salary would receive \$30,000. If death was accidental her benefit would be twice this, or \$60,000. After the member passes 45, benefits are scaled down 1/10 of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement, will have a paid-up benefit of \$1,000, or an amount equal to total contributions if less than \$1,000. In case of total and presumably permanent disability, the member's payments are waived, but his coverage continues.

Applications and information may be obtained from the Rev. Guy S. Cain, 301 Hillsboro Street, Raleigh, N. C.

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 educational institutions, hospitals, children's homes, homes for aging, and other southside agencies, 118 are enrolled in an Annuity Board plan. Total membership in the Board's retirement plans is approximately 25,000.

More than \$43½ million have been paid in relief and annuity benefits since the beginning of the Annuity Board in 1918. Last year \$3¼ million was paid to ministers, denominational workers or their families of those in retirement or on relief.

The Annuity Secretary for North Carolina is the Rev. Guy S. Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection work. He seeks first to enlist pastors and others who are not enrolled and lead them to participate. Secondly, he helps those already enrolled in understanding the provisions and benefits of the plans.

BRUSHY MOUNTAIN PASTOR'S CONFERENCE REPORT, 1964

The Pastor's Conference, which is made up of pastors of The Brushy Mountain Association and other Baptist ministers in our community, held its regular monthly meetings throughout the year.

The Conference affords the Baptist ministers of our community an opportunity for fellowship and spiritual growth. Throughout the year the various programs sought to keep the membership abreast with local, state and world-wide issues affecting the Christian witness.

From time to time, various national issues were thoroughly discussed by the membership. During these sessions the ministers are given the opportunity to share with each other concerning their particular ministry.

Activities for the past year included a discussion and implementation of varied activities sponsored by our Association.

All pastors are strongly urged to attend the Conference regularly.

Respectfully submitted,

R. F. Smith, Jr., President

Earl Webb, Secretary-Treasurer

REPORT OF THE CONSTITUTIONAL COMMITTEE, 1964

It has been brought to the attention of the Constitutional Committee that the State Mission Program, the Home Mission Program and the Foreign Mission Program do not have representatives per se in our Association. Other associations have found it very beneficial in having a representative of these various programs to give annual reports to the Association and to promote the work of that particular agency in the Association throughout the year.

Therefore, we recommend that Article 4, **Officers and Their Duties**, Section 1 be amended to read as follows: "The officers of the association shall consist of a moderator, vice-moderator, clerk, treasurer, historian, Sunday School Superintendent, Training Union Director, Brotherhood President, Woman's Missionary Union President, Director of Music Ministry, Directory of Seminary Extension, Superintendent of Evangelism, Librarian, and Representatives for the following: **Biblical Recorder**, Baptist Hospital, Children's Home, Homes for Aging, Christian Education, POAU, Annuity Board, Pastoral Care, American Bible Society, Fruitland, **State Missions**, **Home Missions and Foreign Missions**."

(Only the last line which is bold type constitutes the change.)

We further recommend that all other sections of the constitution wherein representatives of various agencies appear, be properly amended to include State, Home and Foreign Mission representatives.

Respectfully submitted,

R. F. Smith, Jr., Chairman

HISTORY OF NEW HOPE BAPTIST CHURCH, 1964

At the call of a number of brethren we, the undersigned Presbytery, having been duly given up from Reddies River and Cranberry churches, did meet at New Hope Church, Lewis Fork, Wilkes County, N. C., 26th day of June, 1830. There finding Nathan Vannoy, Leonard Lenderman, and William Church with twenty others, and finding them orthodox in the faith of the Gospel, believing in a special calling; Salvation by imputed righteousness of Christ, baptism by immersion, perseverance of all saints in Grace to Glory; we, the undersigned Presbytery, have set them apart as a church of Jesus Christ with all privileges of the Gospel; Thomas Stamper, and James Vannoy, Presbytery.

After the organization of the church the following were received as charter members; Nathaniel Vannoy, Samuel Vannoy, Payton Phillips, Leonard Lenderman, Jordan Ashley, William Church, Absolem Eller, Annie Lenderman, Polly Vannoy, Elizabeth Vannoy, Rebecca Phillips, Fanny Eller, Jamima Phillips, Fanny Phillips, Elizabeth Eller, Sarah Vannoy, Katherine Vannoy, Polly Bumgarner, Nancy Lenderman, Malinda Lenderman, Leonard Bumgarner, Sarah Eller and Polly Phillips. After receiving the charter members the following covenant was presented and adopted. It reads as follows:

COVENANT

This church shall consist of such persons as have been regularly baptized, upon profession of their faith in Jesus Christ. The condition and

continuation of membership in this church shall be that of strict obedience to all the precepts of the Gospel and the example of Jesus Christ. The officers of this church shall consist of a Moderator, Clerk and Treasurer. The Moderator shall preside at each conference and shall keep good order during the same. The Clerk shall keep faithful record of all the business transactions of the church. The Treasurer shall receive all moneys and pay it out at the order of the church. The church may withdraw fellowship from any member who shall violate any of the articles of this covenant. This church may meet in church conference once in every month or sooner if she thinks proper. This church may connect herself with any association whose constitution is in accordance with her own. This covenant may be altered or amended at any regular meeting by two-thirds of members present and consenting.

We believe in one only true and living God and there are three persons in the Godhead, the Father, the Son and the Holy Ghost. These three are one. We believe in the impotency of man to deliver himself from his present fallen state. We believe that salvation is by grace through faith in our Lord Jesus Christ. We believe that Baptism and the Lord's Supper are ordinances instituted by Jesus Christ and shall be practiced by all true believers. We believe that Baptism is the immersion of a believer in water by a qualified administrator and that only persons thus baptized shall take the Lord's Supper. We believe in the resurrection of the dead and the general judgment. We believe that the happiness of the righteousness and the punishment of the wicked will both be eternal.

RULES OF DECORUM

The church meeting shall be opened by prayer and closed by prayer or singing. The pastor of the church shall be elected annually by a majority of the members present. The pastor shall be moderator for the time being. If the pastor is not present or the church has no pastor then the moderator shall be chosen by a majority vote of the members present. All motions shall be made standing. Any member wishing to speak shall rise to his feet and address the moderator and shall strictly adhere to the subject under discussion and shall not be interrupted while speaking. No member shall absent himself or herself from the church while in session without leave of the moderator. No member shall have the liberty of laughing or whispering in time of any member speaking. The members shall address each other as brother or sister. The moderator shall not vote unless the church be equally divided. No subject shall come before the church unless Gospelly prepared. Each member shall vote for or against any matter of dealing coming before the church Gospelly prepared unless released by the church. No member shall speak on any one subject more than twice without being called on by the church. The moderator shall keep good order while in session. Any member of the church who shall wilfully break any of the above rules of decorum shall be reprimanded as the church sees proper. The above rules shall be read when called for by the church.

It seems from the reading of the minutes that this church did not elect any pastor until 1839. It used the system of sending messengers to Cranberry, Reddies River and Zion Hill Churches, and asking the sister churches to lend their ministers to New Hope for the ensuing year to preach to them. This method was practiced for the first nine years.

At the November meeting, 1834, the church voted to ordain William Church and Jordan Ashley, and to send messengers to Cranberry, Reddies River and Zion Hill Churches for their ministers to aid in the ordination. At the March meeting, 1835, it took up the November meeting and after examination of the brethren William Church and Jordan Ashley, they were turned over to the Presbytery: Elder Daniel Houck, Solomon Stamper, Smith Ferguson, and James Vannoy. After examination the brethren were found orthodox in the faith and the Presbytery laid hands on them and set them apart to the ministry. They were turned over to the church as ordained ministers.

At the April meeting, 1835, the church held communion and foot washing. All sister churches were invited to attend. At the same meeting the church agreed to join in the forming of a new association. They sent messengers to sit in the convention which met the first Saturday in May at the Lewis Fork Baptist Church. At the June meeting, 1835, it elected messengers to the association and also agreed to petition the association for a letter of dismission.

At the September meeting, 1835, the church agreed to send messengers to meet with our beloved brethren at Lewis Fork before the second Saturday but not to enter into the forming of an association. But at the October meeting, 1835, the church voted to join the new association.

At the June meeting, 1836, it elected messengers to the association and also agreed to petition the association again for a letter of dismission. At the September meeting, 1836, the messengers reported they had been granted a letter of dismission. Then it proceeded to elect messengers for the purpose of forming a new Lewis Fork Association. The messengers reported but the minutes do not state what the report was.

At the May meeting, 1837, a female member brought allegation against a male member stating that he had made scandalous reports against her. A committee of nine members, three each from Reddies River, Cranberry and New Hope, met to hear the evidence. The committee reported to the church and both members were excommunicated. Again in May meeting, 1839, two members were excluded for not attending church after being notified.

At the October meeting, 1839, the church observed the Lord's Supper and held a foot washing at the night service. The May meeting, 1866, is the last time the minutes mention foot washing. I have been told by one or two of the older members of this church community that they could remember when the church had foot washing. At the April meeting, 1859, there was a charge preferred against a male member of Lewis Fork Church and a female member of New Hope. The two churches asked Beaver Creek, Mount Zion Churches to send three members from each church to meet with a committee of two members from New Hope and with the Rev. Thomas Land serving as chairman. The committee was to have power to settle the difficulties, and was to meet at the home of Franklin McGee on Friday before the fourth Saturday in April, 1859. The committee met, investigated the matter, hearing all testimony of all parties, found a strict contradiction existing between them. The committee reported to the two churches that in their opinion the male member of Lewis Fork and the female member of

New Hope should be excluded from the fellowship of the churches for the act of adultery.

At the January meeting, 1885, a sharp controversy arose between two members over taking two loads of corn to a neighbor's mill. One member said part of one load was misplaced, and that it lay between the other members and the miller. A committee of members from Mount Pleasant and New Hope churches met at New Hope and after prayer, organized to settle the dispute. The court did not find any evidence against the miller, but found evidence against the one that preferred the charge and advised the church to withdraw fellowship from him.

It seems that this church has been very strict in observing its covenant, rules of decorum and the teaching of the Scriptures. If a member was found guilty of drinking, dealing in intoxicating drinks, gossiping about another member, telling false-hoods, going to dances, playing cards, gambling, heresy, or husband and wife separating, they were notified to appear in church and to give evidence. If found guilty in any of the charges preferred against them they were turned out of the church. The church voted unanimously in the October, 1876, meeting that it was wrong to drink or deal in spirituous liquors or in any way at all to have anything to do with strong drink.

At the November meeting, 1849, one colored man by the name of Jesse Ratliff, was received into the membership by experience. At the May meeting, 1851, a colored girl by the name of Elizabeth Ratliff, was excluded for unlawful pregnancy. At the same meeting a sister was excluded for taking four yards of domestic cloth from a male member, and a male member was excluded for drinking too much.

At the February meeting, 1852, the church took under consideration a resolution to go into a new association. At the March meeting the church agreed to join the association, but the name is not given.

At the April meeting, 1858, the church considered repairs to the church house, but the matter was referred to the next meeting. At the May meeting, a committee was appointed to look after it. At the November meeting, 1877, a committee was appointed to superintend repair work. At the next April meeting the committee was requested to begin the work by September. At the May meeting, 1896, all the members were called upon to pay their subscriptions on the church building. By the April meeting, 1897, all collections were paid in and the committee was discharged. It seems that there is no further mention in the minutes about building until July 1937, which states that the first service was held in a new church.

At the July meeting, 1937, the church authorized the trustees and deacons to borrow \$300 from J. H. Davis and \$300 from Wesley Church to pay the indebtedness on the church. Notes were to be paid one year from the date. They were given authority to take out insurance on the building.

At the January meeting, 1948, a committee was appointed to decide a most suitable place to build Sunday School rooms, either in the basement or upstairs. At the June meeting a committee was appointed to build Sunday School rooms. At the November meeting, 1955, a committee was appointed to check on the cost of building Sunday School rooms. The committee met, drafted plans and suggested that members give more to the building fund.

By the April meeting, 1956, the church was covered. At September meeting, 1961, a report on building plans was made by Clinton Eller, with price submitted at \$50,000. A meeting was called and the committee asked to reconsider new and cheaper plans.

At the October, 1962, meeting, plans for a new building of rooms were presented by Wayne Vannoy. They suggested a building 50 by 38, two story, block and brick construction. The first story would be partitioned and painted, and the second story framed with sheet rock and ceiling, with wood floors and three rest rooms. There would be eleven class rooms. The cost was estimated at \$21,000. The church adopted the plans and appointed a building committee of Clifton Eller, Wayne Vannoy, and Hubert Canter.

At the March meeting, 1963, the building committee reported plans were being drawn by Foster-Sturdivant, that \$8,000 was in the building fund. A well was drilled in 1962 and hooked up with plumbing so water was available in all parts of the building.

The church has had pastors as follows: Jordan Ashley, 1839 to 1842; James Vannoy, 1842 to 1848; William Church, 1848 to 1849; W. M. Church, 1849 to 1851; James Vannoy, 1851 to 1853; James McNeill, 1853 to 1878; George Green, 1878 to 1883; I. T. Prevette, 1883 to 1884; Milton McNeill, 1884 to 1893; when he was re-elected he agreed to serve on condition a new church was built. This was agreed to and he served until 1897; S. T. Carroll, 1897 to 1898; Milton McNeill, 1898 to 1900; Finley Watts, 1900 to 1901; W. C. Carlton, 1901 to 1903; G. H. Hamby, 1903 to 1904; W. F. Carlton, 1904 to 1905; Milton McNeill, 1905 to 1914; L. B. Murray, 1914 to 1919; George Sebastian, 1919 to 1922; I. C. Woodruff, 1922 to 1924; Fred Poplin, 1924 to 1925; Milton McNeill, 1925 to 1926; F. C. Watts, 1926 to 1931; Avery M. Church, 1931 to 1935; A. W. Eller, 1935 to 1942; Isaac Watts, 1942 to 1950; Victor Watts, 1950 to 1951; when the Rev. J. Glenn Huffman was elected and is still serving as pastor.

It has had clerks as follows: Leonard Lenderman, 1830 to 1833; Jesse Vannoy, 1833 to 1847; Peter Eller, 1847 to 1873; L. M. McGlammery, 1873 to 1901; Rufus C. Eller, 1901 to 1903; F. C. Yates, 1903 to 1907; E. Eller, 1907 to 1925; J. H. Davis, 1925 to 1935; R. J. Eller, 1935 to 1943; R. C. Goodwin, part of 1944; R. A. Eller, 1944 to 1946; Richard Vannoy, 1946 to 1948; R. C. Goodwin, 1948 to 1952; Hadley Canter, 1952 to 1955; James Lovette, 1955 to 1959; Tommy Vannoy, 1959 to 1962; James Lovette, 1962 to 1963; and Burl Lankford, 1964, and still serving.

The church has ordained ministers as follows: W. M. Church, and Jordan Ashley, 1834; James McNeill, 1850; Linville Land, 1857; A. W. Vannoy, 1857; F. A. Belcher, 1861; James T. Nichols, 1902; F. C. Watts, 1917; James M. Hayes, 1922; Avery M. Church, 1927; Victor Watts, 1949; Clyde Church, 1953; and Hunter Church, 1955.

The church has had some wonderful revivals and many conversions and additions from time to time. One of the greatest revivals began the fifth Sunday night in July, 1921, and continued thru August 9, 1921. The Rev. Finley Watts preached and 59 conversions were reported. The church began with 23 charter members and has grown to 243 members.

The church pastors were paid by donations and gifts until the Rev.

Avery M. Church was called. While he was serving as pastor the church adopted the budget system and has operated on it ever since.

The church has had Sunday School work for many years and at present 235 members are enrolled. Mr. James Lovette is Superintendent.

The Woman's Missionary Society has ten members with Mrs. E. E. Hayes serving as president.

A Training Union was organized several years ago and has been active in training young people and assisting in the church work. Mrs. Wayne Vannoy is serving as Director.

Respectfully submitted,
Mr. J. Floyd Jordan

The Committee, composed of the Rev. Warren Kerr, Chairman, the Rev. J. C. Shaw, Jr., and Mr. O. M. Proffit, met several times during the year to discuss possible plans with the Missionary, and to make recommendations to the Association. The Committee submitted the following motion which was adopted by the Association:

"I move that the Association proceed immediately to make the sorely needed repairs on the Missionary's Home by instructing the Trustees to borrow the money for said repairs; and that the Trustees seek temporary office space to rent until such time when an office building can be erected on the present property."

Amendment I, by the Rev. Hunter Church: "I move that the frame buildings on the Parsonage property be torn down and removed."

Amendment II, by the Rev. R. Clinton Bailey: "I move that the Trustees bring a recommendation to the Association in the October, 1965 Annual Meeting, regarding the construction of a permanent office building on the present property. The recommendation would include floor plans, estimate of costs, etc."

Respectfully submitted,

WOMAN'S MISSIONARY UNION REPORT, 1964

As the mighty Gulf Stream holds its own in the vast waters of the Atlantic Ocean, so the W. M. U. of the Brushy Mountain Baptist Association continues onward in the vast expanse of a lost world. Faithful members have held the organization together in loyalty to their local W. M. S., and support of the Associational program.

This year we were privileged to have a number of outstanding Baptist leaders to help us in our work. Mrs. Winfrey Luffman, former Elkin Associational Missionary, taught our Leadership Training Course; Mrs. J. T. McRae, of Elkin and former Foreign Missionary, spoke at our Foreign Mission Study; Dr. Coleman Clark, veteran Missionary of Japan and leader of the New Life Movement there in 1962, was the speaker at our Annual Meeting in April; Mrs. Belva Gregory, beloved leader in the Stone Mountain Baptist Association, gave the address at our Officers' Prayer Retreat; and to lead the study in the Officers' Workshop for the new year, we had Miss

Katherine Bullard, State W. M. S. Director, and Mrs. Frank Gilreath, Jr., State Community Missions Chairman. To hear these who live and work so close to their God has deepened our spiritual insight and has caused us to renew our efforts to "give of the best to our Master." At several of our meetings we had especially prepared music which added beauty and inspiration.

The W. M. U. had representatives at the Southern Baptist Convention Annual Meeting, the Annual SBC Annual Meeting, and the Baptist Jubilee Celebration, Atlantic City, N. J.

The W. M. U. Executive Committee has met every quarter and held one called meeting. We instituted the office of Music Chairman and we also extended the Leadership Conference Program to include a Division for Secretaries. In the coming year we hope to have a closer relationship to each local W. M. S. and to get reports from every organization. Accurate records cannot be made as seven of the twenty-two societies are not presently reporting. In the reports sent in it is noted that the Observation of Weeks of Prayer and Offerings for Home and Foreign Missions has been close to one hundred percent.

Our greatest need now is for leaders, especially for the youth organizations of the W. M. U. There are many women who can do this if they will come out from "among the stuff" of indifference and lack of faith. With God's help, they could "hold high the torch" and help guide many people into the mighty stream of Christianity. May we pray that God will raise up these leaders in our Association.

Respectfully submitted,
Mrs. C. M. Proffit

BROTHERHOOD REPORT, 1964

Brotherhood's New Dimension

A NEW CONCEPT—Out of much research and prayerful study has come a wider and more adequate concept of the nature and work of Brotherhood. This new concept may be stated as follows: "A Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and the promotion of missionary activities, designed to inform, motivate and involve men in the mission task of their church."

BROTHERHOOD AND MISSIONS—A study of the developing programs of the other church organizations reveals that the only organization in the church with a program of missionary education and missions promotion involving men (and boys) is the Brotherhood. This means, of course, that if a church is to accept the recommendations of our denominational leaders to provide men and boys with missionary education opportunities and missionary service opportunities, such opportunities will be offered through the Brotherhood.

BROTHERHOOD'S NEW OBJECTIVES—The new concept of Brotherhood points to the following great objectives for Brotherhood: To lead men to—

1. A deeper commitment to missions
2. A more meaningful prayer life for missions

3. A larger stewardship on behalf of missions
4. A personal involvement in missions

ADAPTATION OF STRUCTURE—No change in the present Brotherhood organizational structure will be necessary. However, there will be a development and a new alignment of the four major Brotherhood emphasis, and the setting of each on a solid missionary base. World Missions, for instance, will emphasize missionary education and commitment to missions. Developed in the area of Personal Stewardship will be an added emphasis on the support of Missions. The area of Christian Witnessing will be tied on directly to Christian service through missionary activities and involvement; and work in Royal Ambassadors will be pointed towards missions advance.

HELPS ARE AVAILABLE—Every Brotherhood president should secure from the Baptist Book Store a copy of the **CHURCH PROGRAM GUIDEBOOK** and study it thoroughly. In connection with this should be studied a very helpful booklet entitled "The Role of Baptist Men and Boys in Missionary Education and Missions Promotion," which booklet will be furnished free upon request to your Brotherhood Department. Still another help is the October-November-December issue of the "Brotherhood Journal", the quarterly publication of the Brotherhood Commission, and 1964-65 **BROTHERHOOD HANDBOOK**, the annual publication of the Brotherhood Commission. This particular issue sets out guidelines for Brotherhood men, to assist them adequately to comprehend the new program and to get it underway in their church. The Journal and the Handbook are available from the Brotherhood Commission, 1548 Poplar Avenue, Memphis, Tennessee.

Camp CaRAway

Camp CaRAway, the state Royal Ambassador camp, completed its first full season with 998 boys plus staff registered for one of the ten weeks. Adequate facilities are available for sleeping and feeding 100 campers plus staff each week.

The final payment on the 1,050 acre campsite will be made in January, 1965. Plans are underway for additional facilities to be available for the 1965 season.

Respectfully submitted,
John R. Wright

The Carolina Rest Home Mission sponsored by Wilkesboro Baptist Church;

The Richardson Rest Home Mission and the Mt. Pleasant Rest Home Mission sponsored by the Mt. Pleasant Baptist Church; and

The Mission at the Wilkes County Jail, sponsored by the First Baptist Church, North Wilkesboro.

The Missions Committee would like to urge each Church to assess the possible needs for a mission in its own area and take whatever steps are necessary to reach the people.

Respectfully submitted,
Henry Morgan, Chairman

REPORT OF THE NEW CHURCH COMMITTEE, 1964

The Hillside Baptist Church, in the Cricket Community of Wilkes County, submitted an Application Form for Membership in the Brushy Mountain Baptist Association, properly filled out, listing September 20, 1964, as the date the church voted to make formal application for membership. The form was signed by Mr. John Miller, Pastor; Mrs. Ray Porter, Clerk; Mr. Philo Miller, Mr. A. Grady Osborne, and Mr. Ray Porter, Deacons.

A Church Letter to the Association was also completed and sent with the Application, along with a check for \$10.00 for ten copies of the Minutes.

The Committee recommends that the Hillside Baptist Church be received as an Associate Member of the Brushy Mountain Baptist Association for one year, after which time the Church may be received into full membership with all rights and privileges, in the October, 1965, Annual Meeting.

AMERICAN BIBLE SOCIETY REPORT, 1964

“ . . . and how shall they believe in him
of whom they have not heard?”

The American Bible Society is convinced that the Bible is the Book for our time and all time. Its message is relevant now and in the unfolding space age. The Society has consistently carried on a dynamic program of translation, production, distribution and encouragement of the use of the Bible since the Society's appearance on the American scene in 1816.

1. Translation. Continuous counsel, supervision and financial assistance for translators in translating and revising the Bible into many of the world's languages and dialects.

2. Publication. Manufacture, in the USA and Overseas, of Volumes in many styles and sizes for varied needs and uses.

3. Distribution. By sale and by donation (with particular consideration for the blind and those in need of a special ministry), through the So-

ciety's agencies and distributors, churches, Christian workers, missionaries, pastors, evangelists, and other volunteer helpers.

4. Encouragement of Reading and Use. Sponsorship of many programs in depth, such as: the Study of the Place and Use of the Bible in the churches; Worldwide Bible Reading; Universal Bible Sunday; Reading of the Easter and Christmas Stories; Bible Book Clubs; and others; Through the Press, Radio, Television and Printed Literature.

The Society's work is made possible solely by voluntary gifts from churches and individuals. The single purpose of the American Bible Society is to help in the sowing and sharing of God's Word throughout the world.

EVANGELISM REPORT, 1964

The special five-year effort (Baptist Jubilee Advance) in evangelism and missions ended at the Jubilee Celebration at Atlantic City, May, 1964. What was done is history, and we cannot go back to improve the record.

Last year in our Association our churches reported 337 additions by Baptism, 291 by letter, for a total of 628. The inevitable question arises, where do we go from here? What shall we do in 1965? We can search our hearts before God to find His will and experience His empowering as we endeavor to be obedient to His commands. This we need as individuals, churches and as a denomination. We must discover and follow the Will of God.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local churches. The New Testament defines evangelism as "the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach," in **Southern Baptist Handbook on Evangelism**.

This wonderful experience of Christ confronting the lost thru His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules of conduct. There must be the experience of being In Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

For practical help in moving toward these objectives consult the **Evangelism Plan Book for 1965** which the Division of Evangelism of the Baptist State Convention will mail to all pastors this fall and the Associational Evangelism Workbook which will be available in October, 1964.

As you remember, we adopted a plan last year of "Each One Win One in 1964". This year we have seen an increase of 70 in Baptisms, and of 93 additions by letter, for a total increase of 163. Let us keep this plan working.

I have lately been inspired by the Sunday School Enlargement Campaign, and believe it is "The best means of Evangelism I have yet seen. If properly carried out, this method will locate, contact, enlist, and evangelize every prospect in a given church community. It would not be impossible to contact every unsaved and unenlisted prospect by this method within a 24 hour period and invite them to Sunday School and preaching, and to confront them with the claims of Christ."

Hunter Church

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL, 1964

Our churches have given \$2,522.45 to the Baptist Hospital in Mother's Day offering since January 1st, 1964. In order to stimulate interest in the churches, to provide information to the churches, and to encourage increased giving to the Hospital Mother's Day funds, six group captains were enlisted. The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express thanks for our Mother's Day gifts which make this service possible. We thank all of you who have helped.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before. Also, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the services needed. In our state are many older people living on meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long serious illness, and great numbers who cannot rise above poverty conditions. All who come must pay for medical care in so far as they can, but there are many who cannot pay the full cost. Our hospital tries to get all the help it can for them from welfare and health agencies, but these agencies do not pay the total cost, and many people are not eligible for such assistance.

The hospital receives a share of Cooperative Program money, which helps support the Department of Pastoral Care, provides equipment and facilities required in the work of the hospital. The Mother's Day Fund provided by the churches is the only means the hospital has of bridging a wide gap between the funds available and cost of caring for the needy.

Our hospital and medical school are beginning a large development program to increase the capacity of our Medical Center to care for the sick, to train additional doctors, nurses, and other personnel, who will serve our communities, mission fields, and places where they are needed. The people of Winston-Salem have expressed confidence in our Medical Center by pledging more than \$7,000,000 to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide money to take care of those who need the services but cannot pay for them.

This is a heavy burden on those who are responsible for operating our hospital. We are confident our people will provide the means if they are informed of the need. We call on our pastors and other church leaders to lay this upon the hearts of the church members. It is a wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom He would minister through us.

Rev. Earl Adams

CHAPLAIN'S REPORT, 1964

I would like to take this opportunity to express to each church in the Brushy Mountain Association my sincere thanks and appreciation for your

understanding, concern, prayers, and support during the last three and one-half years that I have been Chaplain at Wilkes General Hospital.

Our hospital year begins on January 1, and therefore, this report is for the last nine-nine month period, which began on January 1, 1964, and ends with September 30, 1964. During this period of time, we have had 4,533 patients admitted to Wilkes General Hospital. Out of this number, 2,187 were contacted by the Chaplains as newly admitted patients. An additional 1,350 follow-up on patient contacts were made for a total of 3,537 patient contacts during the nine-month period of time.

Through the Chaplain's Office, some 4,000 pastors and churches were contacted, either by phone call or card concerning members of their churches who were admitted to the hospital as patients. Six hundred three families of patients were seen and talked to by the Chaplain during this nine-month period.

The intensive ministry of the Chaplain covered 125 hospitalized patients who were referred to him by doctors for intensive pastoral care. Sixty outpatients were referred by doctors, nurses, ministers, and in a few cases, the individuals referring themselves for outpatient counseling. We have had a total of 375 hours of outpatient counseling since January 1, 1964.

Respectfully submitted,

G. Jack Boston, Chaplain

This has been a very successful year in Associational work. I am grateful for all of the officers and leaders who have helped to make this report possible. We have many things to be thankful for. We are especially grateful that the churches have contributed to the work of the Association so that we can report all bills paid.

We are also grateful for the interest shown in our churches for a growing and developing work. We had a successful Schools of Missions, Church Community Survey and Pastor-Led Sunday School Enlargement Campaign.

We look forward in the coming year to the Sunday School Witnessing Campaign and the Pastor-Led Training Union Enlargement Campaign. We hope you will take advantage of these opportunities for developing your

church program.

Please call upon me if I can be of service to you.

Respectfully submitted,
John R. Wright,
Missionary.

COMMITTEE ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS REPORT, 1964

The Christian Life Commission of the Southern Baptist Convention publishes many tracts and offers help to churches, associations and individuals in the areas of Christian Family Life, Christian Citizenship, Christian Ministries or Vocations and Christian Morality. The Committee in the Association seeks to discover ways in which Christian principle may be applied in each of these areas.

Throughout the Bible there is a continuing concern expressed for man's right relationship to God and to his fellow man. We must accept the challenge God's Word presents and do all that we can to be more Christlike in every area of life.

Each church is encouraged to begin a committee to study the needs in the church community, to recommend action concerning marriage, family life, crime, juvenile delinquency, industrial relations, race relations, Christian citizenship, Christian vocation, child care, vocational choices, and such other issues which confront the Christian in today's world.

Respectfully submitted,
John R. Wright, for the
Committee

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT, 1964

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick or invalids at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home to be located at Yanceyville, N. C. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Brad-

sher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of \$90.00 a month on the cost of care of 90% of the residents who live in our four Baptist homes at Resthaven and the Hayes Home in Winston-Salem, at the Albe-marle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the 3rd Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called "Baptists" and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

In our own Association we have had some who have enjoyed staying in our Baptist Homes. Although we do not have anyone just now, we are grateful that our folks are still interested in this work. This year our Churches contributed a total \$1,096.16 in addition to that which was given through the Cooperative Program; we hope that our interest may continue by our prayers and gifts in the years ahead.

Respectfully submitted,
C. J. Pool

REPORT OF THE BIBLICAL RECORDER, 1964

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The BIBLICAL RECORDER, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with world problems. The Church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when

properly informed. To help Baptists fill these needs, the RECORDER seeks to do the following:

1. **INFORM.** Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the RECORDER staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. **INTERPRET.** Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them apart in proper context and understand them. With the resources of full information, close contact with the denominational leaders, pastors and others, plus many years of experience, the RECORDER seeks to say something about the meaning of events as well as reporting them.

3. **INFLUENCE.** Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the RECORDER.

Out of the 39 churches in the association 16 have RECORDER Clubs, with four or more subscriptions; two have the Every Family Plan, with the RECORDER included in the budget, and being sent to every family in the church. Millers Creek and Wilkesboro Baptist Church have the Every Family Plan. But 21 churches do not have the RECORDER coming into the homes of church members thru either plan. The RECORDER is sent to every pastor and Sunday School Superintendent by the Baptist State Convention.

Our Baptist State Paper, the BIBLICAL RECORDER, is one of the best in the Southern Baptist Convention. The RECORDER may be purchased as follows: Individual subscriptions, \$3.00; Clubs, 4 or more subscriptions, \$2.50; Every-Family Plan, \$2.00.

REPORT ON BAPTIST CHILDREN'S HOMES, INC.

Dr. W. R. Wagoner, General Superintendent of Baptist Children's Homes of North Carolina, sends the following report:

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36 Per Cent
Once-a-Month Offerings	15 Per Cent
All Other	19 Per Cent
Thanksgiving Offerings	30 Per Cent

Most North Carolina Baptists are well acquainted with **Charity and Children**, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist Churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives **Charity and Children** so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

Respectfully submitted,
R. F. Smith, Jr.

REPORT OF THE GENERAL BOARD, 1964

The membership of the General Board of the Baptist State Convention of North Carolina is made up of persons elected from the associations in the state. One member is elected from each association and one additional member from those associations having a membership of 20,000 to 40,000. P. O. A. U. REPORT

Thomas Jefferson and others of our Colonial forefathers who saw the danger to religious liberty which is inherent in any form of church-state

union, did cause to be presented and approved, the First Amendment to the Constitution of the United States, which declares, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof."

The United States Supreme Court in the "Everson Case" has declared, "The establishment of religion' clause of the First Amendment means at least this: Neither a state nor the Federal Government can set up a church. Neither can pass laws which aid one religion, aid all religions, or prefer one religion over another. Neither can force nor influence a person to go to or to remain away from church against his will or force him to profess a belief or disbelief in any religion. . . . No tax in any amount, large or small, can be levied to support any religious activity or institution, whatever they may be called, or whatever form they may adopt to teach or practice religion. Neither a state nor the Federal Government can, openly or secretly, participate in the affairs of any religious organization or groups and vice versa. In the words of Jefferson, the clause against establishment of religion by law was intended to erect 'a wall of separation between church and state'."

It is obvious that when taxes are given to sectarian schools, the citizens who pay those taxes are being compelled to contribute to a sectarian endeavor, and are thereby, in a real sense, deprived of their religious liberty.

We see in the growing demand for aid to parochial schools a dangerous drift toward a state favored and state supported church which would break down the wall of separation between church and state, and lead to the loss of religious liberty.

John V. Idol

REPORT OF THE RESOLUTIONS COMMITTEE

We, the Resolutions Committee, on behalf of the Brushy Mountain Association, wish to express our gratitude to the Pastor and members of the host churches, New Hope, Wilkesboro and Fishing Creek for their abundant hospitality shown during the ninety-third annual associational meeting. Especially do we appreciate those who prepared and served the delicious meals.

We deeply appreciate the prayers, time spent, and work done by the different committees in helping to make this associational meeting both interesting and informative. To our associational officers do we especially commend for their fine work and untiring efforts, and wish for our new officers God's guidance in the work ahead.

We express our appreciation and thanks to our associational Mission-

ary, Rev. John R. Wright, for the fine Christian leadership he has provided in our Association.

HISTORY OF FISHING CREEK BAPTIST CHURCH

Whereas, the History of this church was written in 1956 and is recorded in the Associational Minutes on pages 34-38 of that year, further reference to that period will not be mentioned.

At the May meeting, 1957, a Presbytery, composed of the Rev. George Walters, the Rev. Fred Blevins, the Rev. Vaughn Brown and the Rev. Purvis Parks, met for the purpose of ordaining Vestal Moore. The church voted to turn Vestal Moore over to the Presbytery. He was examined by the Rev. Vaughn Brown, and was found orthodox in the faith and teaching of Jesus Christ. The Presbytery laid their hands on him and the Rev. George Walters led the ordination prayer. The Rev. Purvis Parks presented the Bible to him. Then he was turned over to the church as an ordained minister.

At the September meeting, 1957, the three months "Try Me" tithing program was approved with the church to give 3% of all offerings to the Cooperative Program.

At the February meeting, 1958, the church voted to have Vacation Bible School with Brother C. B. Mayberry as principal. It held the spring revival of 1958 with the Rev. John R. Wright assisting the pastor in the preaching. There were four conversions and these were baptized at the close of the meeting. The fall revival was held in October 1958 with the Rev. Clyde Church bringing the messages. There were thirteen baptized and one joined by letter.

At April meeting, 1959, Hugh Hayes brought the evening message. He stated that he had committed himself to the Lord and was willing to do what the Lord wanted him to do. A motion was made and passed that they liberate him to preach the Gospel.

At October meeting, 1959, the church passed a resolution to have some lights installed on the church ground which would burn all night.

At November meeting, 1959, the church voted unanimously to organize a Training Union. The Pastor appointed Mr. and Mrs. Russell Billings, and Mr. and Mrs. G. Warner Miller to nominate a Director and Leaders for the different age groups.

At the July meeting, 1960, Brother Dewey Foster stated he wanted to be licensed by the church to preach the Gospel, but the action was delayed until a later date.

At the September meeting, 1960, the church had a note burning service after clearing all indebtedness on the church. Dinner was served on the ground and singing in the afternoon. At the same meeting Dewey Foster and Hugh Hayes were liberated to preach the Gospel.

At October meeting, 1960, the church held its fall revival with the Rev. John R. Wright preaching. There were seven professions of faith for baptism.

At the January meeting, 1961, the pastor tendered his resignation to take effect the first Sunday in April.

At the February meeting, 1961, the church voted to let the Deacons appoint a Pulpit Committee. They appointed J. W. Pardue, John Mastin, Warner Miller, Harrison Anderson, Jimmie Pardue, Mrs. Millard Carlton and Mrs. Charlie Johnson.

At the February meeting, 1961, the Deacons and Pulpit Committee presented a resolution for the church to consider calling a pastor for full time or to remain on half-time.

At the March meeting it voted to stay on half-time.

At the April meeting, 1961, the Pulpit Committee reported a division in their vote. A substitute motion was made that the Rev. George Walters be retained as supply pastor. This motion carried favorably. Then Brother G. Warner Miller resigned as clerk and as a member of the Pulpit Committee.

At the May meeting, 1961, Mr. and Mrs. Homer Joyner were elected to serve the remainder of the year as clerks. It was voted that the Deacons act as a Pulpit Committee to secure a pastor. The Deacons presented the name of the Rev. Charlie Myers as supply pastor at a salary of \$150.00 per month, for two morning and evening services and Wednesday night service.

At the July 30 meeting, 1961, Mr. and Mrs. Homer Joyner resigned as clerks. Mr. G. Warner Miller was elected as acting clerk for the remainder of the year. A motion was approved to paint the church inside and out. John Mastin, Richard Foster and Harrison Anderson were appointed as a committee to have this work done. Then the W.M.U. purchased a bulletin board and had it erected on the South side of the church.

At the August meeting, 1961, the Pulpit Committee recommended the Rev. Clyde Church as pastor. The Church voted unanimously to call him.

At the July meeting, 1962, the church voted to have the aisles and altar covered with carpet at the price of \$600.00 and to have remaining floors finished.

At the November 25 meeting, 1962, the following were ordained as deacons: Harrison Anderson, Edward Brown, Luther Blevins, Millard Carlton, Johnny Mastin, Carlos Pardue, Delbert Redmon, Hugh Hayes and Wayne Laws.

At the January meeting, 1963, the church voted in favor of having the driveway and parking areas paved. A committee of John Mastin, Harrison Anderson and Charlie Johnson was appointed to have the work done.

At the February meeting, 1963, the Pastor explained the rotating system of deacons, stated the deacons had approved the plan, and the church voted in favor of it.

At the September meeting, 1963, the church voted to begin full time service on October 1, 1963, with worship services each Sunday morning and evening except on fifth Sundays.

On Sunday, October 6th, 1963, full time preaching services were started for the first time in the history of the church.

It seems that from the reading of the minutes for the past few years that this church has held a spring and fall revival which has added a number of members to the church, in each revival. The church has an active Sunday School, Training Union, and Woman's Missionary Union working in the church. It has participated in the Vacation Bible School each year for

a number of years, and in most all of the activities of the Baptist denominations.

Respectfully submitted,

Mr. J. F. Jordan

DEDICATION OF THE 1965 BRUSHY MOUNTAIN BAPTIST ASSOCIATION MINUTES

THE REVEREND ADOLPHUS WORTH ELLER

The 1965 Minutes of the Brushy Mountain Baptist Association are dedicated to the Rev. Adolphus Worth Eller. Mr. Eller was born May 10, 1898, in the Reddies River Township of Wilkes County, the son of Mr. Rufus C. and Mrs. Mary Gertrude McNiel Eller. He married Miss Ethel Wells of Yadkinville, North Carolina, October 13, 1918. Three daughters of Purlear are: Mrs. Gertrude Eller, Mrs. Arlene Warren and Mrs. Christine Roberts.

Mr. Eller worked for fourteen years at Forest Furniture Factory before entering the ministry. He was ordained to preach December 6, 1933, at the New Hope Baptist Church, Purlear, N. C.

He served as Moderator of the Brushy Mountain Baptist Association in 1951-1952, and was President of the Wilkes County Pastor's Conference, which he helped to organize, for several years. He preached the annual mission sermon at Goshen Baptist Church in 1953. He attended the first classes of what is now known as the Fruitland Baptist Bible Institute, near Hendersonville, when the classes were opened in Boone, N. C., by the Rev. J. C. Canipe. He also attended many sessions of the Seminary Extension Center which met at the First Baptist Church, North Wilkesboro. For several years he went to the Pastor's Week of Christian Study and Fellowship at Mars Hill College, Mars Hill, N. C.

He served as pastor of fifteen churches before illness forced his retirement. Thirteen of these churches are in Wilkes County. He was pastor of New Hope and Lewis Fork Baptist Churches, Purlear, N. C., when the church buildings were rebuilt. He and his wife are members of the Lewis Fork Baptist Church.

Mr. Eller was initiated into the Order of the Masons at Mt. Pleasant Lodge June 6, 1944. He passed September 25, 1944, and was raised November 1, 1944. He holds Master Mason rank.

His Pastorates include: Wilkes County Churches:

Pilgrim, 1934-1941 and 1951.

Purlear, 1935.

Pleasant Home, 1936-1940.

PROCEEDINGS OF THE NINETY-FOURTH ANNUAL SESSION OF THE BRUSHY MOUNTAIN BAPTIST ASSOCIATION HELD WITH MOUNT PLEASANT AND BEAVER CREEK BAPTIST CHURCHES OCTOBER 5-6, 1965

1. The Ninety-fourth Annual Session of The Brushy Mountain Baptist Association was called to order by the moderator, Bro. Glenn Huffman, at 9:30 a. m., Tuesday, October 5th, 1965, at the Mount Pleasant Baptist Church.

2. Following the call to convene, those present joined in singing, "Love Divine", under the direction of Mr. Ellihu Sloan, new Minister of Music at the First Baptist Church of North Wilkesboro, with Mrs. Henry Morgan, accompanist.

3. Greetings were expressed to those in attendance by the moderator. Bro. J. C. Shaw, Pastor of Mount Pleasant Baptist Church, led the devotional period through the reading of II Corinthians 5:14-21 and closed with prayer. Bro. Shaw then welcomed the Association to the church and the moderator stated the theme of the 1965 session, "Christ's Love Constrains Us".

4. Bro. Charlie Poel, Chairman of the Committee On Order of Business, presented a motion to adopt the printed program as the order of business for the Ninety-fourth Annual Session of the Association. Motion seconded and approved.

5. Roll call of the Churches by Bro. Clinton Bailey, Clerk, indicated that 36 of the 40 churches were represented in the opening session. There were 306 registered messengers, and 19 registered visitors present for the entire meeting, for a total count of 325 in attendance. A list of those present may be found elsewhere in this book under the heading entitled, "Messengers and Visitors Registered."

6. Bro. John Wright, Associational Missionary, gave the Nominating Committee's Report in the absence of Mr. Olin Greene. He moved the adop-

tion of the report as found in "The Book of Reports". Motion seconded and passed.

7. Mr. Jim Spicer, retiring Chairman of the Committee on Committees, moved the adoption of the committee's report as found on pages 1-5 of the "Book of Reports". Motion was seconded and the committees elected to serve for 1965-1966.

8. The program theme for the next part of the morning session, "Christ's Love Constrains Us Through Christian Stewardship", was announced by the moderator.

9. The Executive Committee Report as found on page 9 of "The Book of Reports" was adopted on motion by Bro. Clinton Bailey after being duly seconded. Bro. Glenn Huffman expressed his appreciation to the members of the Executive Committee for their co-operation during the past year and also to the Wilkesboro Baptist Church for providing a meeting place for the committee.

10. The treasurer, Mr. Chalmer Dyer, was not present at the time scheduled for his report. Bro. Clarence Eden moved the adoption of the report as given on page 6 of "The Book of Reports". Motion seconded and passed.

11. Mr. J. F. Jordan, Trustee, read the report from page 17 of "The Book of Reports". He then called attention to the sketches for an Associational Office found on page 18 of the report book, and stated that these were drawn by the Church Architecture Department of The Southern Baptist Convention and were to be presented to the association at this time in accordance with the wishes of the 1964-1965 session.

Three bids had been received for the construction of the building: Foster-Sturdivant, \$13,280; S. V. Walker, \$11,700; and Conrad Foster, \$12,544.

After a motion to adopt the report in its entirety was made and seconded, the question was raised concerning the true nature of the motion as presented. After some clarification, Bro. R. F. Smith tended a substitute motion for the adoption of only page 17 to comprise the report of the Trustees. The substitute motion was seconded and carried.

12. Bro. R. F. Smith then moved that the plans on page 18 of "The Book of Reports" be adopted and the low bid of \$11,700 by S. V. Walker be accepted. After a second, a period of discussion took priority.

Mr. Chalmer Dyer was asked to comment on the treasurer's report which had previously been adopted. He stated that no money was presently available for the immediate construction.

Mr. Curtis Greene stated that no provision had been made for the construction of an Associational Office in the proposed budget for 1965-1966. He suggested that a committee be appointed to solicit funds from churches, friends, and local businesses for the construction of the building.

Mr. J. F. Jordan sought to answer the question as to location of the office, he stating that it would be located somewhere on the property presently owned by the Association.

Bro. Clarence Eden moved an amendment to the motion made by Bro. R. F. Smith that the plans be adopted and the low bid of \$11,700 be accepted . . . "contingent upon a report of the current Finance Committee to the next meeting of the Associational Executive Committee as to the avenues of raising the money required and of repaying it and upon this report being acceptable to the Executive Committee."

The amendment was seconded by Bro. Hunter Church and passed. The motion as amended was passed by a standing vote.

13. Bro. Charlie Myers, local Annuity Board Representative, called attention to paragraph 6 on page 27 of the "Book of Reports" wherein the report refers to annuity checks as "Mana from heaven". He stated that the Bible recorded the fact that the Children of Israel soon grew tired of the heavenly mana, but he is still enjoying his. The report was adopted after being duly moved and seconded.

Bro. Guy Cain, North Carolina Baptist State Convention Representative for the Annuity Board, explained the protection offered to Pastors, Denominational employees and those employed by our local Baptist Churches. He encouraged churches to take the lead in providing for the future well-being of its Pastors and other employees and told the Pastors to take advantage of tax exemptions now allowed by the government through the "Deferred Income Plan".

14. The Finance Committee Report and the proposed budget for the year 1965-1966 as found in the "Book of Reports" on page 8 was moved for adoption by Mr. Curtis Greene. He suggested that all churches give to the Association on a monthly basis and that gifts be as liberal as possible. Motion seconded and approved.

15. Mr. John Hooks was not present to present his report to the Association. Bro. R. F. Smith moved that the Stewardship and Cooperative Program Report as noted on page 16 of the "Book of Reports" be adopted.

A second to the motion and an affirmative vote followed.

16. Next, the General Secretary of the North Carolina Baptist State Convention, Dr. Perry Crouch, was introduced by Bro. R. F. Smith. Mrs. Crouch, also present, was recognized.

Dr. Crouch very ably compared the Cooperative Program to a super highway that we do not give to, but which is a channel for us to give through. He discussed the present responsibilities and future changes which comprise our associational "Jerusalem". Next he touched on the work being accomplished in our "Judea" through the program of North Carolina Baptists. After moving to the United States of Samaria, he concluded by saying that the Cooperative Program provides an opportunity to share in worldwide missions.

17. As the program was moving ahead of schedule, the moderator recognized Rev. M. H. Kendall for a word . . . He said, "Howdy".

18. Special Music was furnished by a male quartet composed of Mr. Ellihu Sloan, Bro. Clinton Bailey, Bro. Earl Webb, and Bro. John Wright.

They sang "Majestic Sweetness Sits Enthroned", and were accompanied by Mrs. Henry Morgan at the piano.

20. Bro. J. C. Shaw announced plans for lunch to be held across the road from the Mount Pleasant Baptist Church in the dining room of the Masonic Temple.

21. As a prelude to the Annual Sermon, Bro. John Miller read I Corinthians 12:4-25 followed by prayer. The sermon, based on John 15:4 entitled, "Can We Be Christians And Not Be a Church Member?", was delivered by Bro. Eugene Lawing.

22. Lunch was served in the dining hall of the Mount Pleasant Lodge No. 573 of the Masonic Order by the Mount Pleasant Church. It was an excellent highlight in the proceedings of the day.

23. The afternoon session opened with the singing of "Praise Him, Praise Him" followed by a short period of worship. Bro. Clinton Bailey used Psalm 96:1-9 as the basis for our meditation.

24. Bro. John Wright presented the Associational Calendar as found on pages 40-43 with the suggestion that dates not received at the time of the meeting be placed in the calendar as received. Motion moved and adopted.

25. Bro. Glenn Huffman suggested that the Minister's Wives Conference bring a report to the Association in the 1966 annual meeting. He then recognized Mrs. Clinton Bailey who announced the day of the monthly meetings and stated that the purpose of the conference is primarily one of fellowship.

26. The Sunday School report was not presented due to the absence of Bro. Fred Miller. A motion was made to adopt the report as found on page 20 "The Book of Reports". Motion carried.

27. Bro. Eugene Lawing, Associational Bible School Superintendent, presented the report as found on page 30 of the "Books of Reports". He challenged each church to have a Vacation Bible School in 1966 and informed the assembly that 23 churches were represented at the Bible School Clinic held at Hinshaw Street Baptist Church. Motion to adopt the report was followed by affirmative action of the assembly.

28. Miss Lunda Hendren spoke of the Associational Training Union work. She emphasized the necessity of keeping up with methods, plans and tools and sought to encourage interest in State and South-Wide Leadership Training. Two events were especially called to our attention.

October 17-24, a Leadership Training School will be held at the Wilkesboro Baptist Church under the direction of Jimmy Morgan, State Training Union Department.

He also encouraged the church representatives to try to have their choir or choirs to participate in the Choir Festival to occur in February. Assistance to all the churches in the association was extended by Mr. Sloan as he offered himself in service along with his co-workers.

Report was moved for adoption and carried.

31. Seminary Extension Report was presented by Bro. Clarence Eden, newly elected Director.

Bro. Eden moved the adoption of the report which carried by a voice vote.

Six alumni were present for the afternoon session.

34. The importance of Christian Education and continued aid to our Baptist Colleges and Junior Colleges was the keynote of the introductory remarks to the report on Christian Education by Bro. Rowe Teague. The report as printed on page 26 of the "Book of Reports" was then moved, seconded and adopted.

Bro. Teague then introduced Rev. M. H. Kendall of Mars Hill College, he being the only college representative present to speak to the assembly.

"There are around 9,000 young people in the colleges of North Carolina; therefore a tremendous responsibility rests upon the colleges and churches of seeking to open their eyes wider."

He then listed and discussed four major problems facing our colleges:

1. The population explosion is bringing more young people into our already crowded colleges.

2. Limited finances hinder the hiring of qualified teachers.

3. The mounting cost of college attendance.

4. Holding our stands as we remember the foundations upon which the college is established.

17 alumni of North Carolina Baptist Colleges were present.

35. The moderator recognized Judge Johnson Hayes who spoke on the relationship of the colleges to the North Carolina Baptist State Convention. "Our main problem is lack of funds which arises from lack of interest on the part of North Carolina Baptists. We need to be stirred up."

36. Bro. Rowe Teague, Vice President of the Pastor's Conference, moved that the report on page 19 of the "Book of Reports" be adopted. Motion carried.

37. Bro. R. F. Smith, Jr., reported that the Constitution Committee had no report to bring for consideration.

38. Mr. J. F. Jordan read the history of Mount Pleasant Baptist Church beginning with the year 1959 and continuing until the present. He stated that the prior history is recorded in the 1959 minutes of the Brushy Mountain Association.

Adoption of the historical information was duly accepted and passed.

The report as contained in the "Book of Reports", page 33, was then adopted by action of the assembly.

Mrs. Ron Parker, Associational Leader of Girl's Auxiliary, noted the grave concern due to lack of sufficient personnel in mission areas. "Young people are not dedicating their lives to Christian service," she stated.

The assembly was then asked to stand for the reading of the scripture. Prayer was preceded by the reading of a portion of the second chapter of Paul's letter to the Philippians.

60. The Mission Sermon, "The Mind Of Christ", was given by Bro. Earl Adams, pastor of the Pilgrim Baptist Church.

63. Bro. R. F. Smith, Jr., introduced Mr. Marvin Murphree, "a servant of North Carolina Baptist Churches and a friend of 1800 children represented in the varied ministry of our Children's Homes".

Mr. Murphree pleaded for more of us to open our homes to the care of children in need of love denied because of broken homes, but which can be found through the Foster Parent Program.

There is a need for a fifth home in Western North Carolina to meet the increasing task of providing for "the least of these".

Motion to adopt the report was unanimously approved.

64. Henry Morgan stated that the report on page 12 of the "Book of Reports" was "about the General Board rather than a report of the General Board". He then moved the adoption to the report which was adopted by a

show of hands.

65. Mr. John Idol, Assistant Superintendent of the Wilkes County Schools, brought the annual report of the Protestants and other Americans United for the Separation of Church and State, whose basic purpose is to protect the religious liberties of the individual from infringement by the government.

69. Bro. Clarence Eden moved that the Resolutions Committee Report be adopted as printed but Bro. Clyde Church suggested that the report be read as an expression of appreciation on the part of the 1965 Session of the Brushy Mountain Baptist Association. Motion carried.

The report was read by the clerk, Bro. Clinton Bailey, in the absence of the Resolutions Committee Chairman, Bro. Dean Dillard, who is no longer serving in the association.

70. "We must not fail or remain at ease" implored Bro. Clarence Eden in his stirring State Missions Report. The expense of the mission effort will be great. It cost God his Son. Those who are willing to expend themselves for Christ's sake must not be willing to give any less."

The report was then made a part of the proceedings by action of the assembly.

71. The imperative and responsibility of Home Missions through the local churches came as a portion of Bro. Earl Webb's Report on Home Missions adopted following a motion and second on the part of the messengers present.

72. A motion was tended for the adoption of the Foreign Missions Report as found on page 34 of the "Book of Reports" by Bro. Clinton Bailey. After the formal adoption of the report, the assembly united in a period of prayer for all areas and needs of our missionary endeavor.

73. Mrs. Nora Eller who helped in the organization of the first Sun-

day School of the Beaver Creek Baptist Church over 50 years ago and who also served as the First Assistant Sunday School Superintendent was recognized by Mr. J. F. Jordan.

Adoption of the History of Beaver Creek Baptist Church as compiled by Mr. Jordan was duly approved by all present.

74. Sad notes of sorrow sounded with the harmonic notes of victory announced the passing of a great host of God's children. Bro. Clyde Church requested that the representatives of each church stand in silent tribute as the names of their fellow servants were read.

Soon the entire church stood as a mighty arm of God . . . here and there vacant places in the ranks reminded those present that these have passed from death unto life eternal.

"In Memoriam," the roll call of a great host of witnesses, was adopted for incorporation into the 1965 Associational Minutes prior to the singing of "Blessed Be The Tie".

75. Bro. Clyde Church moved that the 1965 edition of the Minutes of the Brushy Mountain Baptist Association be dedicated to Bro. A. W. Eller. Motion seconded and carried.

76. Mrs. Nora Eller of New Hope Baptist Church led in the closing prayer of dedication as all returned to their particular place of service following the adjournment of the ninety-fourth annual session.

SUNDAY SCHOOL REPORT FOR 1965

The Great Commission of our Lord continues to be the marching orders of Christians in the 20th century. We are to "Go teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things".

The Sunday Schools of our churches have been assigned these tasks: Teaching the Bible, Reaching the Unreached, Leading all Church Members to Worship, Witness, Learn, and Minister Daily, Furnishing Workers for various projects, and interpreting the work of the church and denomination; thus helping the church in its basic functions of worship, proclamation, education and ministry. Forty Churches and three missions conduct Sunday School work in the Brushy Mountain Baptist Associational area.

Southern Baptist Sunday Schools seek to enroll ten million by 1970, or a gain of about 30% in the five years. The goal in North Carolina is to have one million enrolled by 1970. Outreach must have priority.

If each Sunday School would accept a net increase of 3% for 1966; 4% for 1967; 5% for 1968; 6% for 1969; and 7% for 1970 we would achieve this goal. We will grow great Sunday Schools as we show compassionate concern for unreached people. Evangelism, Stewardship, Missions, Disciple-

ship—all wait upon outreach.

Enrollment gains can also be achieved by organizing new Sunday Schools. A new Sunday School will gain 30; Extension Bible Classes will gain 10; New Adult Classes will gain 6; starting a Cradle Roll; Young People Away, and Extension Department will increase with a gain of 6 each; Enrolling Vacation Bible School pupils not in Sunday School will also reach more prospects.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago: 1. Locate the Prospects; 2. Enlarge the Organization; 3. Provide the Needed Space; 4. Enlist and Train the Workers; and 5. Visit the People—we will reach more people for Bible Study; our Baptisms will increase; Christian Stewardship will become a reality; and our Churches will be enlarged and strengthened.

We also encourage each church to teach the Gospel of John in Bible Study Week in January; to plan a Church and Mission Vacation Bible School; to promote Operation Home Study and conduct other opportunities for training; to cooperate in the Adult Thrust Movement; to participate in Associational Sunday School Meetings as outlined in the Calendar; and to attend Sunday School Weeks at Ridgecrest and Caswell.

The Sunday School Executive Committee met three times in 1964 and 1965, conducted two Officers and Teachers meetings and held Action Night at Wilkesboro Baptist Church in September, when the Rev. Earl Pearson, former Associational Missionary in the Brushy Mountain Association spoke on Sunday School work.

Pray for your Associational Sunday School officers and study that your own efforts shall bear fruit.

Respectfully submitted,
FRED S. MILLER, Superintendent

VACATION BIBLE SCHOOL REPORT, 1965

This has been a very good year for our Vacation Bible School work. We had an excellent Associational Bible School staff in the Associational Clinic held at Hinshaw Street Baptist Church, April 26-27. There were 23 churches represented and an enrollment of 131 workers. All the teachers attended the State Bible School Clinic at Wingate College in January, along with our Missionary, the Rev. John R. Wright. These were: Nursery, Mrs. James Frazier; Beginner, Mrs. Eugene Lawing; Primary, Mrs. Lexie Williamson; Junior, Mrs. Belva Gregory; Intermediate, the Rev. Rowe W. Teague; and General, the Rev. Eugene Lawing.

Goals set by the workers were 40 church schools, 6 mission schools, 4 negro schools, 5 standard schools, 20 ten day schools. Although two churches and two missions did not have schools, 38 church schools, three mission schools, and one negro school reported an enrollment of 3,294, professions of faith of 89, dedications of 50, missions offering of \$939.75. Three schools were standard, Roaring River, Millers Creek, and Wilkesboro. We congratulate these churches and hope they will encourage others to follow their example. Nine churches had 10 day schools. Your church should make plans now to have a 10 day school if it was not one of these. Consider the needs of your children and the waste of materials by having only a 5 day Bible school.

As you make your plans for Bible School next year, remember the

words of Jesus, "Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me." May God's richest blessings rest upon each one who helped in these Bible Schools.

Respectfully submitted,
REV. C. EUGENE LAWING,
VBS Superintendent

TRAINING UNION REPORT, 1965

Numerically, we have not gained much, if any, this year, but in talking with people in a number of our churches with Training Unions recently they are all saying they are working hard getting the Training Union leadership for next year. This is encouraging because good leadership is the key to good Training Union work.

Our Associational meetings were well supported and all scheduled meetings were held.

We had participants in all tournaments in the Association this year. The winners were: Adult Scripture Reading, Mrs. Frank Allen of North Wilkesboro First Baptist; Young People Speakers, Mr. Tony Orsborne of Pleasant Home Baptist; Intermediate Sword Drill, Miss Mary Cockerham of Millers Creek Baptist; Junior Memory Work, Miss Marlene Cockerham of Millers Creek Baptist. Tony Orsborne took part in the Region 7 Tournament and Marlene Cockerham took part in Region 7 and State tournaments and was a state winner.

Our M Night attendance was 329 and Youth Night was 136.

For the various meetings of the Association attendance banners were awarded once to Hinshaw Street, twice to Pleasant Home Baptist Church for largest attendance and largest percentage and the Efficiency banner, twice to Millers Creek Married Young People and once to New Hope Juniors.

May I urge you again this year to try to keep up with what is new in Training Union by study of available literature; especially the Training Union Magazine. I also want to urge that you take advantage of the help which will be offered by our State Training Union Office October 17-24, when they will come to work with our pastors in an Associational Training Union Leadership Training Course. Pastors will study materials in the morning and will lead courses in their churches at night. Also, a full slate of conference leaders will come November 11, 1965, 7:00 to 9:00 p.m. to assist every leader and officer in every Training Union in our Association. These opportunities will be too good to miss and I feel will strengthen our work.

Thank you again for your support and prayers.

Respectfully submitted,
MISS LUNDA HENDREN,
Associational Training Union
Director

COOPERATIVE PROGRAM REPORT FOR 1965

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists!

It is now a well-accepted fact that the Cooperative Program of World

Missions is the foundation for our total missionary endeavor—that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 Foreign Missionaries, 2,500 Home Missionaries, and more than 100 Missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of Southern Baptist Foreign Mission Board, has challenged us to send out 5,000 Foreign Missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere! "The Cooperative Program has given significant support to every State and Convention cause—during the last sixteen years it has provided more than \$100,000,000 for Foreign Missions. Truly it is a lifeline of our total cooperative witness and service.

We are witnessing our greatest advance in history as 52.27% of south-wide Cooperative Program dollar is being allocated to Foreign Missions.

We are advancing in our concern for a lost world—more than 1,300 Baptist Churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October 1966. A free "Planning Kit" for tither enlistment is available from our State Baptist Convention office for every church or pastor adopting a definite goal.

According to available records the Brushy Mountain Association during the past year gave a total of \$25,637.44 (In 1964,) through the Cooperative Program. Three Churches did not have any gifts to share in world missions through the Cooperative Program.

Let us determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

We recommend:

1. That the churches participate in the "TITHE . . . NOW Plan.
2. That we engage regularly in prayer for cooperative causes. During October Cooperative Program month, give special prayer for these causes.
3. That each church plan a Stewardship Program in Sunday School Assembly in October, or some other date.
4. That the churches give regularly through the C. P.
5. That each church study the new Study Course Book, "Our Cooperative Program" by W. E. Grindstaff.

MUSIC MINISTRY REPORT, 1965

This year the Associational Music Ministry has served primarily by assisting with the music for the various associational meetings.

Mr. F. Jimmie Mize left the association during the year and for a period of several months we were without a director of music.

In the year ahead, your associational officers hope to be of service to the churches in any way possible. Please let us know your needs and how we may best serve you.

SEMINARY EXTENSION REPORT

BRUSHY MOUNTAIN BAPTIST ASSOCIATION, 1965

The Seminary Extension program of Southern Baptists is potentially one of our most significant endeavors. The task of bringing to every Baptist Association the best of our scholarship, the most profound work of our deepest thinkers, the writings of our best minds, is one that ought to thrill and challenge all of us. This is our earnest effort to put into practice the priesthood of all believers.

Jesus said, "Ye shall know the truth, and the truth shall make you free." The promise of these words becomes reality when we seize gladly the opportunity to learn. Baptists have become a significant denomination because they have honestly sought to make every man a vessel of the truth of God. We have believed that it is not only the right of every man, but his responsibility as well, to drink deeply of the well-springs of knowledge.

With these convictions, many have labored to make available to every pastor and every member of our churches the opportunities of the Seminary Extension Centers. Through courses dealing with the history and interpretation of the Bible, theology and ethics, many areas of church administration, and others, our people have taken advantage of these opportunities. In our association, we are indebted to many who have given of themselves for this purpose. Among those who have most recently shared their best with us, in addition to our missionary, Brother John Wright, we are grateful especially to Jimmy Mize of First Baptist Church, North Wilkesboro, and Paul Shoupe of Liberty Grove, who have moved to new fields of labor.

You have chosen me to direct this work, and I pledge to you my concern that this work go forward to the advantage of our pastors, our churches, our people and our Association. I am delighted that this fall will find us in the study of the Gospel of John, to be taught by Brother Clarence Corbett, new pastor of Liberty Grove.

I want to challenge you today. I want to challenge you to seize this opportunity to use it for the sake of deepening your understanding of God's Word. I want to challenge you to lead your church to an active participation.

The Deacons of our church recommended last Sunday that our church offer a scholarship to any six persons who will attend the study of John this fall, paying one-half of the nine dollar cost of the course. If each of our churches would thus encourage even three of their teachers to attend, we would enroll more than 120 in this study. The benefit of this experience would not be confined to the individuals enrolled, but would extend to many of the members of our churches. What a blessing this would be to all of us and to the work of Christ in sharing his Word more fully with all men.

As Baptists, we profess to be a people who study the Bible, believe the Bible, and live by the teachings of the Christ of the Bible. I urge you today to accept this challenge for yourself and for your church. There is no measuring what such a response can mean to this Association, to this community, and to the Kingdom of God. One week from tonight, on Tuesday, October 12, at First Baptist Church, North Wilkesboro, you and your church can give response to this challenge. You, we, all of us, have nothing to lose.

We can gain a deeper hold upon the truth that makes men free.

LIBRARIAN REPORT, 1965

The past church year has witnessed again a growth in the number of Church Libraries. At present there are 15 churches that have a library. The new ones established this year were Boiling Springs, Purlear and Welcome Home. Roaring River has made improvements which bring the library up to standard.

The values of libraries in all phases of the kingdom work is being recognized with such importance that the budget committee of the Baptist State Convention has recommended that the Library Convention be included in the 1966 budget. Also, there will be a Church Exhibit at the Baptist State Convention at Charlotte in November.

Training for new church librarians and new ideas for those already serving is being provided through the month of October by the Church Library Service of the Sunday School Board. A series of meetings are to be held throughout the State, with the one in Hickory, October 15, at the Penelope Church, best for this area.

If you have not yet established a Church Library, think seriously as to how this form of ministry could prove meaningful, and aid in the promotion of the Kingdom of God.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT, 1965

Fruitland Baptist Bible Institute began classes August 31, 1965. Last spring 34 men graduated to go out to serve in churches in North Carolina and other states.

There is a great increase in enrollment this year, with an enrollment of 150 students from eight states.

Courses offered are:

alent to junior college work.

Courses on music, worship, and several night classes are also offered.

Many improvements to the buildings, and new installations, both inside and outside the buildings have been made.

Only eternity will reveal what Fruitland has meant to the Baptist denomination and to mankind. Some of the greatest preachers of this day are men who have attended Fruitland.

The Fruitland Baptist Bible Institute needs increased financial support from our churches and Christian friends in order to meet the responsibilities placed upon it.

May we not forget to pray for this institution as she seeks to minister to so many pastors in our state and other states.

ANNUITY BOARD REPORT, 1965

The Annuity Board of the Southern Baptist Convention offers churches and denominational agencies a number of retirement or disability plans for ministers and employees as well as protection for their families.

The Southern Baptist Protection Plan is the basic plan with retirement benefits, disability provisions and widow protection for which the church pays 10% of the minister's salary and the State Convention contributes 5%. Limit is on \$4000 salary.

The Advanced Annuity Plan allows a minister or church to elect to pay on a larger salary basis for greater retirement income and widow protection.

The Life Benefit Plan, inaugurated October 1, 1964, was designed to meet the need for supplemental life protection for pastors and denominational employees. There are more than ten thousand participants. This plan affords protection from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of \$3.34 to \$10.00 per month.

The Health Benefit Plan is the new all-inclusive program of hospital, surgical and major-medical protection. More than 5,000 have applied for protection and the plan began Oct. 1.

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Mana from Heaven". These checks vary in size, depending on length of time one was a member and the amount of dues paid. Since the beginning of the Annuity Board in 1918 almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptist. In 1964 3½ million was paid to ministers, denominational workers, or their families. Today more than 16,325 churches are in the Protection Program for their pastors. Approximately 10,000 are paying the total 10% dues. There are 127 of 176 educational institutions, hospitals, children's homes, homes for aged and other southside agencies protected by one of the programs. The total members in Annuity Board retirement plans is more than 10,000.

Seven states have 70% or more of the churches in the plans. North Carolina has 46% of the churches in the plans. The Association has 25 men in one or more of the protection plans. These are: the Association; First Baptist, North Wilkesboro; Beaver Creek; Cub Creek; Calvary; Edgewood; Fishing Creek; Goshen; Harmony; Hinshaw Street; Lewis Fork; Little Rock; Moravian Falls; Mt. Pleasant; Millers Creek; New Hope; Oakwoods; Pilgrim; Pleasant Home; Purlear; Roaring River; Walnut Grove; Welcome Home; and Wilkesboro.

The Rev. Guy S. Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board, promoting the total program of protection in North Carolina as he seeks to enlist pastors, churches and denominational employees in the programs of the Annuity Board. He also works to

help those who are in the program to better understand the protection they have. His address is 301 Hillsboro Street, Raleigh, N. C.

CHRISTIAN EDUCATION REPORT, 1965

Christian Education includes all the training that relates to the Christian church. There are many programs in our churches, associations and conventions that contribute to Christian growth. The great emphasis on higher education throughout our country is shared by Baptists. In North Carolina we support seven Baptist Colleges: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These schools strive for excellence which is needed so much today. Wise words from the past tell us, "A little learning is a dangerous thing."

Let us therefore, stand firmly behind our institutions of higher learning. There are several areas of need in Christian Education:

1. Each of us should be informed and concerned. We need to learn the nature of college life and work.
2. Most of all the educational endeavor needs the support of our prayer. Each of us should pray.
3. There is real need for financial support. The Cooperative Program is the central source. Also we have set aside Father's Day as Christian Education Day for special offering.

BRUSHY MOUNTAIN BAPTIST PASTOR'S CONFERENCE

REPORT, 1965

The Pastor's Conference is the monthly meeting of the pastors and other Baptist ministers in the Brushy Mountain Associational area. This is a special invitation to all pastors to share in this opportunity for fellowship and learning.

The Conference is not just a preaching or study endeavor. It is a time for the ministers to share ideas in discussion with one another concerning their life and work.

From time to time there are visiting speakers who lead in some area of interest. Sometimes the groups discuss and make suggestions about the business of our association.

A BRIEF HISTORY OF MOUNT PLEASANT BAPTIST CHURCH

Whereas the history of this church was written in 1959 and is recorded on pages 43 thru 48 in the Associational Minutes of 1959, further reference to that period will not be mentioned.

At the November meeting in 1959 the church adopted resolutions in respect for Deacon Thomas Otto Minton. Also the church voted to purchase Pulpit Furniture to cost from \$500 to \$900. At the March meeting in 1959 Brother J. C. McNeill, Chairman of the committee to select the pulpit furniture, reported that they had selected nine pieces of solid maple to be finished in natural color, at a cost of \$795. Brother C. M. Brown, Jr., made a motion that the church choose the set and the motion carried.

At the March meeting of 1959 the WMU presented the church with a new typewriter. A note of appreciation was given to the WMU.

At the April meeting in 1959 a committee was appointed to install outside lights for the church grounds, improving the parking lot.

At the October meeting in 1959 Brother James A. McGee and Brother C. M. Brown, Jr., were ordained as deacons, with the Rev. John R. Wright preaching the charge. After the laying on of hands and a prayer of ordination, the pastor presented a Bible to each and a certificate of ordination. He also gave Bibles and certificates of ordination to Brothers Curtis Greene and E. M. Huffman, who were ordained November 25, 1956.

The Church is to be commended for the rules and regulations it passed February 28, 1960, with reference to the cemetery and the type of markers to be used, adding much to the beauty of the cemetery.

Mrs. Edwin Church served as clerk until October 1960 when A. G. Foster was elected and he served until September 1962 when Mrs. Kenneth Church was elected. She served until May 2, 1965, when Mrs. Edward Church was elected and is still serving as Clerk.

In July, 1961, carpets were laid in all aisles of the church and pulpit area.

In September, 1962, the Rev. J. C. McQueen, Jr., tendered his resignation as pastor which was accepted by the church. In October, 1962, the church voted to call the Rev. C. H. Myers as interim pastor. At the same meeting a motion was made and passed, that the rules of decorum be read every six months.

At the December meeting in 1962 a conference was held and it voted to begin full time services. This matter was presented to the church in the January, 1963, meeting and the vote was 27 for and two against full time work.

At the April meeting in 1963 the church voted unanimously to call the Rev. J. C. Shaw, Jr., as pastor. He is still serving.

At the July meeting, in 1963, a dedication service was held for the parsonage with the Rev. J. C. McQueen, Jr., former pastor, as preacher followed with a covered dish dinner on the grounds.

New pews were installed from January 1 to 4th, 1964, at a cost of \$3,914. An offering was taken at the morning service January 5th and the pews were paid for in full.

At the September meeting in 1964 the church elected Brothers Edward Church and Earnest Walsh as deacons. They were ordained at the November meeting. The pastor delivered the message with the Rev. W. H. Carroll preaching the charge. This was followed by the laying on of hands and prayer of ordination by J. C. McNeil.

At the May meeting in 1965, Edward Church reported that the church building had been re-roofed at a cost of \$1,435.

The church has been remodeled with new pews, pulpit furniture, ceiling and baptistry. A new organ and piano were purchased and all the improvements have been paid for. The new baptistry was used for the first time December 13, 1964, when four were baptized.

The church has held some good revivals during the past few years with several additions. Total membership is now 347.

WOMAN'S MISSIONARY UNION REPORT, 1965

The program of activities of the Associational W.M.U. has been well balanced and carried out in a way that we believe has truly helped each church in the association in 1965 fulfill its mission. The executive committee has met regularly and has been helped by the local unions in the areas of preparation, education, fellowship, etc.

We began the new year with a leadership conference at the Wilkesboro Baptist Church. Miss Katherine Bullard from the State WMU office and Mrs. Gilreath, State Community Missions Chairman, came to help us with the training. Also in October we held a Prayer Retreat at Shady Grove Baptist Church. This all day prayer service was directed by Mrs. John R. Wright, Associational Prayer Chairman. In further preparation and training we have had representatives at Ridgecrest, Fruitland, Caswell, and various other statewide conferences, workshops and meetings. About 40 members attended the annual State WMU Convention in Greensboro and several attended the Baptist World Congress meeting in Miami Beach, Florida.

Preceding the Home Mission Week of Prayer Mrs. Robert Foster taught the book "Winds of Change".

In the work with youth Mrs. Ron M. Parker, G. A. Chairman, has been especially helpful. The G. A.'s had two rallies, bringing to the association Mrs. Keith Edwards, Missionary to Nigeria, and the Rev. and Mrs. Charles W. Wiggs, Missionaries to Korea. At both rallies G. A. members were used for the program activities. Mrs. Parker accompanied a group of girls to Ridgecrest for Foreign Missions Week.

The Y. W. A. Sweetheart Banquet was held in February at the Liberty Grove Baptist Church with Mrs. Rowe Teague addressing the group and showing slides of Glorieta Assembly.

The annual Associational Woman's Missionary Union Meeting was held May 10 at Liberty Grove with the theme "Worshipping through Service". Officers were elected and a budget adopted. Mrs. Joe Blackburn, soloist, and the Wilkes County Home Demonstration Chorus provided a brief musical program, after which the Rev. Jerry Potter, Missionary to the Deaf in North Carolina, addressed the group.

To prepare for next year a seven and one-half hour leadership course was held the last week in September 10 Associational W. M. U. Officers serving as instructors. In the coming year we hope to initiate a project to have a W.M.S. in every church in the Association. We trust that thusly, with God's leadership, we can help the church in "full-filling its mission through Proclamation and Witness".

Respectfully submitted,
MRS. O. M. PROFFIT, President

BROTHERHOOD REPORT, 1965

Brotherhood is a unique organization of the church in that its membership is composed only of Baptist men of the church. It exists for the purpose of helping the church achieve its mission tasks.

Brotherhood is an educational organization with distinctive objectives and ministries. It fulfills a role assigned only to this group in the educational program and in the work of the church as it majors upon missionary education and missionary promotion.

Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through the program of missionary education and missions promotion designed to inform, motivate, and involve men in the missions task of the church.

Brotherhood is responsible for missionary education for men, young men, and boys. This is a great need in our day and the study programs are designed to meet this need. They challenge the men and boys of the church to become missionary minded Baptists. It permeates such major areas as Christian witnessing, personal stewardship, prayer, and concern for the community, state, nation, and world.

Brotherhood objectives are to lead men to:

1. A deeper commitment to missions.
2. A more meaningful prayer life for missions.
3. A larger stewardship on behalf of missions.
4. A personal involvement in missions.

During the past year in the Brushy Mountain Association no Brotherhood activities were held. Plans are being made with the help of Robert C. Parker, incoming president, to promote, develop and expand Brotherhood work in the Association.

REPORT OF MISSIONS COMMITTEE, 1965

The Missions Committee held three regular meetings during the year, these coming on the same dates and just before the Associational Executive Committee meetings. Actual recommendations of the Missions Committee

are covered in the actions and considerations of the Executive Committee. Miss Lunda Hendren served again as Secretary of the Missions Committee.

During this year the Cricket Mission has been constituted into a Church. This leaves us with seven missions as follows:

Hillcrest Mission, sponsored by Wilkesboro Baptist Church, with the Rev. Woodrow Key serving as pastor;

Moravian Falls Mission, sponsored by the Moravian Falls Baptist Church, with the Rev. Dean Simpson serving as pastor;

Northside Chapel, sponsored by the First Baptist Church of North Wilkesboro, with the Rev. Charlie Pool serving as pastor.

These are the three Church Missions.

We also have four institutional missions:

The Carolina Rest Home Mission sponsored by Wilkesboro Baptist Church;

The Richardson Rest Home and the Mount Pleasant Rest Home Missions sponsored by the Mount Pleasant Baptist Church; and

The Mission at the Wilkes County Jail, sponsored by the First Baptist Church, of North Wilkesboro.

As an item of interest, the Hillcrest Mission and Wilkesboro Church have approved plans and a contract for an educational building which will cost nearly \$25,000. This Mission is rapidly advancing to where we believe it will be a strong Baptist Church.

The Missions Committee recognizes that some areas are over-churched already and that many areas do not need another church or mission. However, we do urge each church to keep an open eye on its community and be ready to respond if there is a real need for mission work.

REPORT ON EVANGELISM, 1965

In every church or associational program, soul winning must be in the forefront of its total program if the will of Christ is to be met. Evangelism is a divine imperative and any individual or church that is disobedient to this order cannot expect His empowering blessings upon the efforts put forth.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says, "The major issue facing us is whether the Southern Baptist Convention, as the largest Protestant Denomination, is going to accept its role and launch the greatest Evangelistic thrust in history". No informed child of God would argue with Dr. Dehoney about this being the major issue before us! The theme adopted by the Southern Baptist Convention for 1966 is Proclamation and Witness."

The Associational Evangelistic Conference held at Pleasant Grove Baptist Church with approximately 68 present, and 8 pastors was inspiring, as the son of our Executive Secretary, The Rev. Henry Crouch, preached, and Dr. Julian Hopkins spoke. A large number of pastors also attended the State Evangelism Conference in Durham.

The Association is the major base for effective work in Evangelism. The organizational structure of the Association is such that it provides an instrument of communication with the pastors and local churches. If we fail to properly promote Evangelism at the Associational level, there

will be no communication regardless of what is done elsewhere. Our job is great. Our challenge is beyond compare. Our responsibility is tremendous. May God help each of us to accept the task of Evangelism that is ours. A lost world waits on dedicated and concerned Christian Witnesses.

BAPTIST HOSPITAL REPORT, 1965

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances and with almost every type of illness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment and needed specialized facilities and skills such as those at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches in North Carolina and mission fields all over the world. These schools offer excellent opportunities to qualified young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All our Mother's Day offerings are used for this purpose and when the doctors have given their skilled services without charge to these patients, and the money from all other available sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our Hospital, to those multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come Ye blessed of my Father; for I was sick, and ye visited me."

In the Brushy Mountain Baptist Association six men have been enlisted to serve as Group Captains to assist the representative in enlisting support for the hospital Mother's Day Offering. A great need in our area is for better information and understanding of the work of our Medical Center. The Group Captains are as follows: 1. D. F. Beshears; 2. R. Curtis Greene; 3. Charlie Wright Proffit; 4. Clyde Bumgarner; 5. Hubert Danny Wyatt; 6. Donald Berrong. We are grateful for the work of these men in helping to raise \$2,096.32 for the Hospital.

Contributions in 1964 amounted to \$2,572.45 or about \$200 more than has been given this year. All of the churches in the association with the exception of two contributed to the Baptist Hospital through the Mother's Day Offering.

BAPTIST FOUNDATION REPORT, 1965

During the past four years the Baptist Foundation has been presented to Baptist people in North Carolina through associations, churches, group meetings and other media of communication. Our reception has been most cordial and pleasant. If Baptist people are properly and fully informed on any program they can be depended upon to act wisely. Our main concern has been to let our people know what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents, as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from \$60,000 to approximately \$450,000. No sum is too small nor too big to be handled. One of the strong characteristics of the Foundation is the fifteen member Board of Directors. They are businessmen who give their business genius and ability to the work without remuneration. They want to invest a part of their time and talent in this phase of Kingdom work.

The North Carolina Baptist Foundation, Inc., is a going concern. Baptist people are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors. This program cannot succeed without their active participation. They have not hesitated to give assistance to the program. The years ahead look bright. Call on us if we can help you.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

1965 ASSOCIATIONAL REPORT

The day that North Carolina Baptist launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new home at Yan-

ceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues—the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded \$96,000.00 Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His pleas, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
CHARLES J. POOL

1965 REPORT OF CHAPLAIN'S PROGRAM OF WILKES GENERAL HOSPITAL

Since the fiscal year of the Department of Pastoral Care, of Wilkes General Hospital begins on January 1, this report covers nine months, January 1, 1965 to September 30, 1965.

Since January 1 the hospital has had 4,340 patients admitted of whom 3,255 listed a church affiliation. In each case there was contact made with the patient's minister concerning the admission to the hospital.

The Department has made 2,000 visits to these patients. The Medical Staff of Wilkes General Hospital referred 50 patients to the Chaplain for intensive pastoral care. These 50 patients have naturally required more time over and above routine visits made to others.

We have had 32 Sunday morning worship services for the patients and staff of the hospital. There have been 22 spiritual commitments during these services.

The out-patient counseling ministry has been very heavy during these months. We have had 45 new counselees and 10 were carried over from last year. There has been a total of 381 hours of counseling during the nine months. Approximately 70% of the 45 new counselees were referred by the Medical Staff of the hospital. The remainder were referred by ministers, families, and other agencies.

Respectfully submitted,
G. JACK BOSTON, Chaplain,
Wilkes General Hospital

BIBLICAL RECORDER REPORT, 1965

With serious moral issues facing us on every hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need. These papers cover many things: sports, society, business, obituaries, entertainment, national and foreign affairs, yet often religion is found only on Saturday church page, if at all.

Coverage of the Southern Baptist Convention in Dallas and of the Baptist World Congress in Miami Beach were disappointing. Most of the best papers had no more than one article a day on these important meetings.

Where can Baptists get coverage of these and other significant events? The **Biblical Recorder**, a dependable medium for more than a hundred and thirty-two years. Typical of its service, the **Recorder** devoted special editions to these meetings at Dallas and Miami Beach. Those who read these issues often felt like they were there. This is the job of the **Recorder**, to be our eyes and ears when we cannot attend.

In many other ways the **Recorder** serves its readers . . . For example a bill was introduced in the 1965 General Assembly that would have legalized distilleries in our state. Editorials in the **Recorder** aroused our people and they, in turn, contacted their legislators. The bill was soundly defeated. A liquor by the drink bill can be expected in the 1967 Assembly. Again the **Recorder** will keep you informed. With so many papers now accepting beer and liquor advertising, the question arises as to how they can give unbiased coverage to liquor proposals.

Let's talk money for a moment: The average Baptist family needs a newspaper and spends at least 50c to \$1.00 a week on newspapers with little complaint. Yet, for only 4c or 5c a week, the cost of a stamp, the **Recorder** can come to a home. If your church does not have a **Recorder** club, please see that one is organized. Only four people are needed to form a club. The cost per family for a club is \$2.50 per year, or on a special introductory offer a Club can be organized for 10 months for \$2.00 per family. Better still a church can send the **Recorder** to every family under the Church Budget Plan, for \$2.00 per family.

Our Baptist people must be enlisted in the fight against evil. The best way this can be done is thru the pages of the **Recorder**.

Respectfully submitted,

MRS. LURA HOLLAND, Representative

REPORT OF

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The following report was received from W. R. Wagoner, General Superintendent, and is hereby submitted to our Association:

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift,

however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars (\$310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care—a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,

R. F. SMITH, JR.,

Baptist Children's Homes Representative

P. O. A. U. REPORT, 1965

Excerpts from Religion, Court and Schools:

WAS GOD BANNED FROM PUBLIC SCHOOLS?

Today there still remains considerable confusion among school officials and the general public as to precisely what these decisions prohibited under our Constitution and, more importantly, what they did not prohibit. Certainly the Supreme Court did not "expel God" from the classroom as some have alleged. Nor did the court prohibit recognition of the existence of God in public life. Rather, the Court found unconstitutional the requiring of certain specific practices in public schools as part of a religious exercise or program.

ACTIVITIES PROHIBITED

In its decisions the Supreme Court held the following activities in public schools to be unconstitutional:

- 1: Requiring the recitation of a nonsectarian prayer as a part of a religious exercise.
2. Requiring the reading of a portion of the Bible or the recitation of the Lord's Prayer as part of a religious exercise.

ACTIVITIES SPECIFICALLY PERMITTED

The following activities were found to have no constitutional restraint:

1. Use of the Bible as a reference work for the teaching of secular subjects.
2. Use of the Bible as an instrument for non-religious moral inspiration.
3. Study of the Bible for its literary and historical qualities.
4. Objective instruction of comparative religion or the history of religion and its relationship to the advancement of civilization.
5. Reciting historical documents, such as the Declaration of Independence, which contain reference to God.
6. Singing officially espoused anthems which include the composer's profession of faith in God.
7. Patriotic or ceremonial references to God.

ACTIVITIES PRESUMPTIVELY PERMITTED

In addition, Mr. Justice Brennan in a concurring opinion in the Schempp case indicated the following activities were allowed:

1. Providing churches and chaplains at military establishments and in penal institutions.
2. Exempting ministers and divinity students from military service.
3. Excusing children from school on religious holidays.
4. Providing temporary use of public buildings for religious services when other space was not available.
5. Singing prayer of invocation in legislative chambers.
6. Using the motto "In God We Trust" on currency, documents, and public buildings as devoid of religious purpose, but recognition of historical fact.
7. Referring to divinity in Pledge of Allegiance as fact.

IN SUM, THE VITALE AND SCHEMP cases ONLY SOUGHT TO PROHIBIT GOVERNMENT FROM REQUIRING RELIGIOUS EXERCISE IN PUBLIC SCHOOLS. TO DO SO WOULD VIOLATE THE FIRST AMENDMENT OF THE CONSTITUTION.

COMMITTEE ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS REPORT, 1965

"For so is the will of God, that with well doing ye may put to silence the ignorance of foolish men," I Peter 2:15. So is the purpose of the Committee on Social Service and Civic Righteousness.

The responsibilities of the modern Christian to society are many when we realize that the gospel is a message of salvation, mercy, love, and justice for **all men** and that the sovereignty of God and the Lordship of Christ extend to every area and relationship of life. With the sinister forces of unrighteousness such as the growing traffic in obscene literature, the alarming increase in alcoholism, a rise in crime and juvenile delinquency, the ceaseless barrage of contrived sexuality in the mass media, acceleration of divorce statistics, and the tragic excesses of race prejudice invading our

homes and communities, we must not be "weary in well doing" to eradicate these evils.

We, the members of the Associational Committee on Social Service and Civic Righteousness, would like to recommend that each local church elect such a committee to relate the gospel to family life, race relations, moral issues, daily work and Christian citizenship. The Christian Life Commission of the Southern Baptist Convention publishes many tracts and offers help in this area. Last year written materials from the Commission had a total circulation of 30,913,165.

We also recommend that during this transitional period of racial integration in our association every Christian manifest a Christ-like attitude in word and action.

STATE MISSIONS REPORT, 1965

Brushy Mountain Baptist Association

The CALL of our Lord, Jesus Christ, is plainly before us to be about his business. To Peter, and to all his disciples in every time and place, is given the command, "Feed my sheep." Our call through State Missions is to feed the hungry souls of his beloved people, our neighbors from Manteo to Murphy.

The OPPORTUNITY to serve Him who has redeemed us from sin and rescued us from the grave has never been greater than it is today. What will we do with it?

The NEED for us to share the blessings of the love of God can easily be measured by the fact that there are almost five million North Carolinians who are a part of a society where men lack these blessings. There are none of us who remain untouched by the effects of crime, disease, accident, ignorance, alcohol, aging, divorce and desertion, poverty, and a lack of love.

The STEWARDSHIP to which the Spirit of Christ would lead us is the best hope of our community, our state, and our world. To be Christian is to be a steward of all that the grace of God has brought to us.

The TIME for us to catch this vision is at hand. Billy Graham has described the present scene as a World Aflame. Right now is all the time we have to put out the burning, spreading fire of evil that is seeking to engulf the world and our own state.

The REWARD of one who gives of himself and of the gifts of grace which he has received is to enter the presence of our Lord and receive his commendation, "Well done, thou good and faithful servant."

The ALTERNATIVE is that our poor stewardship will leave us with blinded eyes in a denomination losing its influence and its opportunity, while the society around us disintegrates in the flames of self-destruction.

The IMPERATIVE thus becomes clear. We must not fail. The stakes are too high for us to gamble that our communities will come to Christ, and to the Cross of self-sacrifice, while we remain at ease in Zion. When Christ says, "Go ye . . .," he is giving us a Divine Imperative, not a choice.

The NOW in the Christian life is before us. What we did and what we gave yesterday is no longer sufficient. What we promise to do and to give tomorrow is too uncertain. The Master who suffers in this moment for all five million of us wants to know what you and I are doing about our discipleship right now.

The EXPENSE will be great. Evangelism is always expensive to those who care. It cost God his Son. It will cost us much in body, mind, and spirit, as well as in money. But we cannot out-give God. The enrichment of the soul at peace with God is worth far more than any price to those who are willing to spend themselves for Jesus' sake.

The DECISION must be made—right now! Let our decision be to do our duty, not because it is our duty, but because we can do no other.

If Jesus lives, if it is in Him that we live and move and have our being, if His love for you and me and everyman is a living reality, no other can we do. "The love of Christ constrains us." And these eleven words become our description:

Call
Opportunity
Need
Stewardship
Time
Reward
Alternative
Imperative
Now
Expense
Decision.

Respectfully submitted,
CLARENCE A. EDEN, JR.

1965 HOME MISSIONS REPORT

The Missionary imperative has continued to be the uniting bond and the impelling motive for this varied body which now numbers more than ten million members spread over 50 states. God has so richly favored our efforts that today we serve through 2,000 missionaries in more than 56 nations abroad and 2,400 missionaries on the Home Mission scene. By contrast, as recently as 1948, our Foreign Missionaries numbered only 670 and Home Missionaries only 741.

In 15 years following the 1947 tithing emphasis, the number of Home and Foreign Missionaries has more than tripled.

Our purpose is to encourage each church and each individual to support the Home Missions program through prayer and financial support as well as going and sending as God directs.

May God grant that our response in 1965-1966 will pave the way for another forward thrust in winning people to Christ and starting New Testament Churches.

Respectfully submitted,
ROBERT EARL WEBB,
Home Mission Representative

THE FOREIGN MISSIONS REPORT

God is giving amazing victories through the efforts of the 2,033 missionaries presently serving in 60 countries. Many of these have warm words of appreciation to our church people for the valuable assistance given that the Word of God might go forth throughout the world . . . The Marion Corleys presently in Columbia write . . .

"We want to thank you for your interest in our work here and assure you of our prayers for you."

Dr. Cauthen, Executive Secretive Secretary of the Foreign Mission Board as well as those serving in the field are challenged and burdened by the tremendous needs evident on every hand . . .

"Our five Baptist mission hospitals in Nigeria have been inadequately staffed and unexpected losses of personnel within the last two years have created a situation that is nothing short of critical."

"We must cultivate the maximum opportunities for evangelism which are open to such a remarkable degree throughout the world . . ."

"It is evident that the phenomenal growth in population puts us under obligation to explore and utilize the most effective means of communicating the Gospel to the largest number of people."

While the missionaries do their best with what they have, we at home must not become lax in our responsibilities to them and also to those with whom they are seeking to work. Many Southern Baptists are well informed about missions. Others may not have the information they need to quicken their concern. We must prepare for advance in our Foreign Mission Fields by providing additional personnel and money.

Dr. Keith Edwards of Nigeria states, "Our greatest asset is what you do as Southern Baptists on Sunday. Our greatest liability is what you do the rest of the week."

As our local churches grow, adequate information must be given to keep all of our people aware of the needs; the challenge of God's call must

be continually laid upon the hearts of our young people; and we at home must not only live a Christian life, but must be willing to lay our lives as well as our money upon the altar.

What can I do?, you ask . . .

1. Read your Bible and find in its pages the Lord of your life . . .
2. Study the needs of the world as presented in "THE COMMISSION" magazine . . .
3. Give a birthday gift worthy of "The King Of Kings" through the Lottie Moon Christmas Offering . . .
4. Allow God to place you in the center of His Will . . .
5. Pray for the missionaries . . .

That they will be spiritually and physically strong . . .

That their homes will be a living witness for Christ . . .

That their knowledge of the language and people will increase . . .

That they and we may be more useful for God's glory.

HISTORY OF BEAVER CREEK BAPTIST CHURCH SINCE 1956

Whereas the history of the church was written in 1956 and is recorded in the associational minutes of that year on pages 47-52, further reference to that period will not be mentioned.

The Brushy Mountain Baptist Association met at Beaver Creek Baptist Church October 10, 1956, when the Rev. Robert C. Schreckenberg was pastor. He served until November, 1957, when he resigned to accept a church at Twin Falls, Idaho. He was the first full-time pastor and the first to live in the parsonage built in 1956.

Rev. Clayton R. Barker was called as pastor, half-time, December 21, 1957, serving Beaver Creek and Walnut Grove, until October 30, 1960, when he resigned to pastor a church in Eau Gallie, Florida.

Rev. Guy S. Cain and the Rev. Sloan Cain served as interim pastors from December, 1960, until May, 1961, when the present pastor, the Rev. C. Eugene Lawing, was called.

In 1956 the pastor's salary for full-time was \$1,800. In 1957 the salary for half-time was \$1,560. On June 9, 1963, the church again went full-time with pastor's salary returning to \$1,800. The church asked the Baptist State Convention for a supplement, which was granted, of \$1,000 per year. On August 9, 1964, the pastor's salary was raised to \$2,400 per year.

Ordained deacons in 1956 were C. E. Johnson, J. P. Hayes, W. J. Horton, Sr., L. Z. Walsh, Richard Edminston, R. B. Earp, Troy Huskey, and L. C. Matherly. Deacons ordained since then are John Payne, 1959; C. W. Ferguson, 1962; Steve Blevins, 1963. Under the rotation system active deacons are C. E. Johnson, John Payne, C. W. Ferguson, R. C. Walsh, and Steve Blevins.

Warren J. Horton, Sr., served as church clerk from 1954 until his death in October, 1962. Mrs. Myrtle G. Horton was elected in November, 1962, to serve out her husband's term. She is still serving as clerk.

J. P. Hayes has been treasurer since his election in 1949. The church operates under the unified budget system, giving through the Cooperative Program and to special offerings.

The Sunday School is departmentalized, uses the six point record system, and has grown from an enrollment of 121 in 1956 to 145 in 1965. The Training Union was discontinued October 2, 1960, due to lack of interest. It was reorganized November, 1961, with an enrollment of 34 and now has 47 enrolled. The Woman's Missionary Union was discontinued in 1960 due to lack of interest. It was reorganized in November, 1964, and is sponsoring active Girls Auxiliary and Sunbeam Bands.

September 27, 1959, the value of the church building was raised from \$13,000 to \$23,000, and total value of church and parsonage was set at \$33,000.

In September, 1961, the loan for the parsonage was paid in full, and a dedication and note burning service was held November 22.

In 1962 a lot measuring 100 by 200 feet to the north of the church was bought from T. W. Ferguson for \$260.

When Beaver Creek road was rebuilt in 1961 the trustees signed a right of way which allowed the road to be moved. The area around the old road was graveled and converted into a parking lot by the state highway department for the privilege of using the lot as a temporary storage space for gravel. The church grounds were also improved in 1961.

Improvements to the church building include rest rooms installed in 1961; a new heating system, installed in 1962; front entrance remodeled in 1963; floors refinished in 1964; wiring, light fixtures, auditorium ceiling replaced in 1965; and roof repaired in 1965.

In 1965 a lawn tractor with mower attachments was bought and a storage room built beside the well house.

During the early summer of 1965 a picnic shelter was built on the property bought from Mr. Ferguson. The shelter was named the "L. C. Math-erly Fellowship Hall" during a dedication service held on August 21, 1965.

On June 13, 1965, blueprints for remodeling the pulpit area, adding a choir loft behind the pulpit and carpeting the aisles and pulpit area was approved.

During the remodeling of the home of a former clerk, who served prior to 1957, two books of minutes of the church were discovered, in the attic, covering the dates from November 6, 1819, to August 1907, thereby pushing the span of the records of the church back to within forty years of its organization in 1779. These records were believed to have been lost. They are in good condition, and on August 8, 1965, the church voted to secure a safety deposit box at a local bank to preserve its records.

On August 8, 1965, the church voted to ask the clerk to write a history of the church covering the period between 1956 and 1965 and for these to be submitted to the historian for use in the minutes.

REPORT OF THE DEPARTMENT OF PROGRAM SERVICES

The Department of Program Services promotes the total Baptist program through the associations and local churches. The work of the Department of Program Services of which L. J. Morriss is secretary may be divided as follows:

I. AUDIO VISUAL AIDS

A. Film Library

During the past year the department has booked more than 11,000 free rental films. The general trend in the churches of the Convention is that they are making consistent use of audio-visual materials in the total church program. The department seeks to encourage the planning for a basic audio-visual library at both church and associational levels, with supplementary services provided by the department library. At present, the department library has more than 2,500 35 mm filmstrip and 16 mm motion picture titles, which are available to the churches on a free rental basis. These film titles cover every area of denominational endeavor.

B. Film Production

The department produced the following films during the year:

"An Open Door to Opportunity", a 56 frame full color filmstrip depicting the areas of State Mission work in North Carolina;

"The Extra Dimension", a 16mm sound and color motion picture on Christian higher education as interpreted through the program at Gardner-Webb College;

Film clips, slides and transparencies were produced as requested.

The department is at present completing a new 16mm sound and color motion picture on the North Carolina assemblies and camps, and another on R. A. work which features Camp CaRAway. These two titles will be released in early 1966.

C. Communication Demonstration Conferences

At the request of various associations and church groups, a number of "one night stand" demonstration conferences were scheduled during the year. Counseling with the churches regarding audio-visual equipment, program planning, and sight and sound installations has become one of the major services of the department. These services include: enforced sound, closed circuit TV, broadcast equipment, chime systems, visual installations, projection equipment, background projection, recording facilities, lighting effects, radio loops, and screen installations. We also work with the Church Building Planning Department in aiding churches in sight and sound programming. More than 100 churches were aided in this manner during the past year.

D. Audio Aids

Each year the total number of audio aids provided by the department for church and associational use increases. More than 1200 audio tapes were produced this year, which was a 400% gain over last year. Special radio presentations on missions for the association's use were also produced.

II. GRAPHIC ARTS

Some 200 individual lay-outs were designed during the year. The department also produced the third edition of the "Baptist Manual" as well as special designs for displays at the annual Convention. The department has assisted other Convention departments and agencies with posters and other non-projected aids.

III. NEWS SERVICE

It is our responsibility to provide news coverage of Baptist work in North Carolina to more than 350 outlets including newspapers, radio and television stations in the state. More than 50 special articles were written and used extensively by all the news outlets of our state. We are also responsible for the major portion of pictorial coverage and research materials used by the **Biblical Recorder** in support of State Missions each year. May

we here express our appreciation to every news channel for their splendid coooperation in providing both time and space for Baptist news.

IV. TELEVISION AND RADIO

The department continues to produce the Baptist network series of television programs titled, "A Light Unto My Path", a mission work of the Convention, designed to reach minority groups, the deaf, the aging and the unchurched. The program is presented over a state-wide network of six stations. These stations are: WRAL-TV, Raleigh; WECT-TV, Wilmington; WLOS-TV, Asheville; WFMY-TV, Greensboro; WBTV, Charlotte; and WNCT-TV, Greenville. Also providing coverage for North Carolina Baptists are WTVC-TV, Chattanooga, Tennessee, and WIS-TV, Columbia, South Carolina. This series of programs is also carried by ten other stations outside of North Carolina and is sponsored by a Baptist Convention or group of that state. The department also produces "Bible Story Time", a weekly program for pre-school children, and "Church of Our Fathers", a weekly 30 minute news telecast on WRAL-TV, Raleigh. Our newest venture is a television series seeking to meet the needs of youth today. Titled "Youth Faces Life", the program is designed to challenge young people to make their faith relevant to the needs of today. Each year, the department, in cooperation with the Church Music Department, broadcasts by radio, the annual Choir Festival from Wake Forest College. We are most grateful for the splendid cooperation of the administration and staff of the radio and television stations in making available their facilities for the Baptist message.

Please continue to pray for our ministry as we try to serve the people and the churches of our Convention and state.

Respectfully submitted,

L. J. MORRISS
